M. W. Charles A. Harris, P.G.M. (113)
M. W. Charles B. Newcomb, P.G.M. (1)
M. W. Robert Lee Pugh, P.G.M. (568)
M. W. Watson N. Sherrod, P.G.M. (447)

The Grand Lodge was opened in FORM by M. W. Charles A. Harris, Past Grand Master of Masons in North Carolina, who announced that the purpose of this Emergent Communication was to dedicate the new Masonic Temple of Orr Lodge No. 104, A.F. & A.M., located at the corner of Third and Bonner Streets, Washington, North Carolina.

The Grand Lodge was opened in the new building located at Third and Bonner Streets, in Washington, North Carolina; then labor was dispensed with, and the public admitted.

The following program was carried out in a very fine way:

I. Mr. Thomas Stewart, Mayor of Washington, North Carolina, and W. Brother Blake C. Lewis, Master of Orr Lodge No. 104, delivered short addresses of welcome.

II. W. Nelson B. Banks, P.M., District Deputy Grand Master of the Fourth Masonic District, gave the following interesting historical sketch of this lodge:

"Masons have been meeting on this very spot for 171 years, the first meeting being held on December 3, 1788. The old Masonic building was constructed sometime between 1794 and 1812.

"In 1838, sixteen Master Masons met to draw a resolution, at that time referred to in the meeting as a 'Memorial,' to present to the Grand Lodge requesting permission to form Orr Lodge. The minutes, names of those present, and original copy of the resolution are all today in possession of the lodge. Orr Lodge was named for William Orr, who served as Master of the Lodge for several terms. The first meeting of Orr Lodge was held in April, 1838, this being on the first Tuesday in April, and since that time all stated communications have been held on the first and third Tuesdays of each month. Orr Lodge No. 104 was chartered on January 1, 1839, with twenty charter members. Our most valuable relic is a BIBLE on which is written 'Washington Mark Master's Lodge 1811.' The old jewels of the lodge were bought in 1840; the Tyler's sword in 1845; our rough and perfect ashlar were given to the lodge in 1869; one of our trowels dates from 1873; and all are in the lodge today, with several other items many years old.

"Masonry in Orr Lodge through its individual members has always promoted the cause of religion and education. The old lodge hall has been used by different denominations for religious services from time to time and the North Carolina Methodist Conference met in the hall on November 4, 1845. The building was used for school purposes until about 50 years ago, or just after the beginning of the public school system in Washington.

"Masonry in Orr Lodge No. 104 has had a long and honorable record. Our members who preceded us built strongly and wisely, laying the groundwork for years and years to come. Our brethren of days gone by met on the Level, acted by the Plumb, and parted on the Square, so that which has been handed down to us would be jealously guarded and transmitted to posterity. The work of our brethren before us has been Good Work, True Work, and Square Work.

"We, the officers and members of Orr Lodge No. 104, are more than grateful for that which our brethren before us have handed down. We are proud of our heritage in Masonry, and it is with this thought in our hearts and minds that we pause tonight in reverence to the memory of all our deceased brethren who have lived and worked among us from the beginning of Masonry on this very spot 171 years ago, to the present time. We bow our heads for a moment of silent prayer followed by a prayer by our own brother, the Rev. Clyde G. McCarver, remembering that this Temple is erected to God and dedicated to the memory of all our brethren who have earned their just reward and tonight are drawing designs upon the Trestle Board on the right hand of God, in that Spiritual Temple, that House not made by hands, eternal in the Heavens."

W. Nelson B. Banks then conducted a brief Memorial Service to the memory of the members of the lodge who have passed on. The vocal music for this was given by Mrs.

Audrey Hardison, Mrs. Donald Silverthorne, and Mrs. D. R. Champion, and the prayer was delivered by Brother Clyde G. McCarver, acting as Grand Chaplain.

III. The building was then dedicated in conformity with the usual Masonic custom. M. W. Charles A. Harris, Past Grand Master, presided. W. Brother L. B. Wynn, Past Master of Orr Lodge No. 104, acted as Principal Architect; W. Brother Harold E. Yert, Past Master of Orr Lodge No. 104, acted as Bearer of the Taper; W. Brother Melvin E. Whealton, Past Master of Orr Lodge No. 104, acted as Bearer of the Three Great Lights; and W. Brother H. A. Corey, Past Master of Orr Lodge No. 104, acted as Bearer of the Constitution.

IV. M. W. Brother Robert Lee Pugh, Past Grand Master, delivered the dedicatory address. His theme suggested that we have within us the power to be something more valuable and more important than we have been, to be something great, and his address was warmly received and appreciated by the audience. After this address, W. Brother J. B. Smith, Past Master of Orr Lodge No. 104, sang "Bless This House."

V. The Acting Grand Master recognized the following brethren and each of them expressed their best wishes for the future progress of Orr Lodge No. 104 and congratulated the lodge on its magnificent lodge building: M. W. Brothers Charles B. Newcomb, Watson N. Sherrod, William J. Bundy and Robert Lee Pugh, Past Grand Master of Masons in North Carolina; R. W. Brother William Eli Hand, Deputy Grand Master; R. W. Brother Lester H. Gillikin, Junior Grand Warden; W. Brother James W. Brewer, Senior Grand Deacon; W. Brother G. Dudley Humphrey, Judge Advocate; W. Brother Robert S. Holley, District Deputy Grand Master of the Second Masonic District; W. Brother Edward P. Blair, District Deputy Grand Master of the Seventh Masonic District; W. Brother Berl M. Kahn, District Deputy Grand Master of the Sixteenth Masonic District; and W. Brother Luther F. Whitehurst, District Deputy Grand Master of the Fifth Masonic District.

The announcement was made that refreshments would be served in the dining room immediately after the closing of the Grand Lodge.

All who were not Master Masons retired and labor was resumed in the Grand Lodge.

The Ceremonies having been completed and the purpose for which the Grand Lodge had been opened having been accomplished, the minutes were read and approved and the Grand Lodge was closed in FORM.

PROCEEDINGS OF THE WELCOME TO GUESTS

By M. W. JAMES GUY JOHNSTON,
Grand Master of Masons in North Carolina

Beloved Brethren and our Distinguished Guests:

I wish at this time to express to you my appreciation of your presence here. May your sojourn in our City and in our State be an enjoyable one. May you commune with your brethren on a most intimate and pleasant basis and may the fellowship of the occasion linger long in your memories as one of the more satisfying experiences of your lives.

It is my sad duty to inform you now that my physicians have ordered me to refrain from further participation in this Annual Communication of our Grand Lodge. As many of you may know, I suffered a heart attack some time ago, from which I recovered satisfactorily, until a debilitating case of pneumonia hospitalized me during January, February and a part of March of this year. I have not yet recovered from its effects.

I have requested the Deputy Grand Master, Right Worshipful Brother William Eli Hand, to assume the Grand East and to preside over this and the remaining sessions of this Annual Communication.

I wish to say to you from the very bottom of my heart that I appreciate the many fine things you have done for me, not among the least of which is the high privilege of serving you as Grand Master.

God bless you and may He guide you in all your actions.

REPORT OF SPECIAL COMMITTEE RELATIVE TO GRAVE MARKER OF PAST GRAND MASTER BENJAMIN SMITH

(Docket No. 7)

The following report of the Special Committee on Grave Marker was read by W. Brother Cecil W. Henderson, P.M., Chairman, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Grand Lodge, at the Annual Communication in January, 1927, authorized a monument to be built in old St. Phillip's churchyard, located on the lower Cape Fear River near the original town of Brunswick below Wilmington, North Carolina, to the memory of M. W. Benjamin Smith, Past Grand Master of Masons in North Carolina. The monument was unveiled at a special communication of the Grand Lodge on July 12, 1929.

Twenty-seven years later, information disclosed that storms or other causes had severely damaged the grave marker. During the Annual Communication of the Grand Lodge in 1956, a recommendation was adopted making it incumbent upon the incoming Grand Master to appoint a committee to investigate the condition of the memorial grave marker and make such recommendations as the committee may find expedient at the next Annual Communication. Therefore, M. W. James G. Johnston, Grand Master of Masons in North Carolina, on September 19, 1958, appointed the committee that had been recommended.

The committee has thoroughly investigated the marker and examined it carefully; also, consulted with a brother for advice, being a Mason well skilled in the operative art. After fully considering the existing condition of the marker and other surroundings, it is concluded that essential repairs should be made rather than provide a new marker, which is not considered desirable or in the best interest of the Grand Lodge at this time.

We, therefore, recommend that essential repairs be made to the grave marker of Past Grand Master Benjamin Smith; and the amount of approximately Fifty Dollars (\$50.00) to cover cost of the repairs be appropriated and disbursed from the miscellaneous expense account of the 1959 budget on order and approval of the incoming Grand Master. It is further recommended that the incoming Grand Master be authorized to appoint a committee to have the repairs to the grave marker accomplished and that a report thereon be made by the committee at the next Annual Communication of the Grand Lodge.

REPORT OF COMMITTEE ON FRATERNAL CORRESPONDENCE

(Docket No. 9)

The following report of the Committee on Fraternal Correspondence was read, received, entered on the record, and unanimously adopted *as to recognition and fraternal relations with the Grand Lodge of Japan:*

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Fraternal Correspondence reports as follows:

Relations between the Grand Lodge of the Philippines and that of Japan have now been straightened out. We therefore recommend that the Grand Lodge of North Carolina extend recognition to the Grand Lodge of Japan and enter into full fraternal relations with it.

We regret to report the formation of a new irregular Grand Lodge in France calling itself the "Grande Loge Nationale Francaise" thereby creating much confusion. Any brethren from North Carolina in France wishing to visit a French Lodge are urged first to contact Mark S. Drabble, Grand Secretary, 65 Boulevard Bineau, Neuilly-sur-Seine, and ascertain the legitimacy of the lodge they wish to visit.

Grand Master Vogel of the United Grand Lodge of Germany informed us that union has been effected with the Grand Lodge of Berlin (Scandinavian Rite) and that headquarters had been moved to Berlin. All lodges now in West Germany are therefore legitimate.

For the information of brethren who expect to travel and make Masonic visitations the Grand Lodge of North Carolina recognizes all regular Grand Lodges in the United States, Canada, Australia and New Zealand. Across the Atlantic we list England, Scotland, Ireland, Iceland, the National Grand Lodge of Denmark, Norway, Sweden, Finland, the Netherlands, the United Grand Lodge of Germany, the National Grand Lodge of France, Switzerland, Austria, Greece, and Israel. It does not recognize the Grand Lodges (or Orients) of Belgium, Luxembourg, Italy, the Grand Lodge and the Grand Orient of France, Turkey, Egypt, Syria, and Lebanon, clandestine Grand Lodges in Denmark and the Netherlands.

In the Far East it recognizes the Grand Lodges of China and the Philippines, and (if this Grand Lodge approves) Japan. It does not recognize the newly organized Grand Lodge of Indonesia.

In the Caribbean it recognizes Cuba and Puerto Rico but not the Dominican Republic and Haiti. It recognizes the Grand Lodges of Argentina, Bolivia, Chile, Ecuador, Paraguay, Peru, and Venezuela but has withdrawn recognition from Uruguay. In Colombia it recognizes the State Grand Lodges of Barranquilla and Bogota but not Occidental at Cali, Santander at Cucuta. These have not yet asked for recognition. The situation in Brazil is badly confused. The largest Masonic body, the Grand Orient, is not recognized. Of the State Grand Lodges we recognize all except Parana, Goias, Pernambuco, Rio de Janerio (State) and Santa Catarina. In Sao Paolo there are two Grand Lodges of which we recognize the old Grand Lodge but not the Grand Lodge called Unida. In Central America we list Panama, Costa Rica, Honduras, Nicaragua, and el Salvador. Two Grand Lodges exist in Guatemala. We recognize the original Grand Lodge but not the dissident body which holds the Masonic Temple. In Mexico we recognize both the York Grand Lodge and the Valle de Mexico in Mexico City. Of the State Grand Lodges we recognize nine. We do not recognize (because they have not sought recognition) the Grand Lodges of Campeche, Cosmos, Del Pacifico, Est. Restauracion, Guadalupe Victoria, Hidalgo, Oaxaca, Queretaro, Sur Oeste and Nayarit.

REPORT OF THE JUDGE ADVOCATE

(Docket No. 16)

The following report of the Judge Advocate was read, received and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

In the early summer of 1949, I became the Judge Advocate of this Grand Lodge and since that time I have handled 146 Trial Dockets for the Grand Lodge. The trials have been held from Murphy to Coinjock (almost to Manteo) and from Southport to Reidsville. Everywhere your Judge Advocate received the cooperation of the members of the Craft, Officers of the lodges, members of the Trial Commissions, and the Grand Masters. They are the people that have made our present method of conducting Masonic Trials effective and I now say to each and all, thank you very much.

At the present time, there are only two cases pending in the office of the Judge Advocate, Docket No. 153 which was received March 23, 1959, and Docket No. 137 which is now ready for trial but will not be heard until after this meeting of the Grand Lodge.

Respectfully submitted,

G. DUDLEY HUMPHREY, *Judge Advocate.*

**REPORT OF THE COMMITTEE ON
MISCELLANEOUS MASONIC CEREMONIES**

(Docket No. 17)

M. W. Brother Robert L. Pugh, P.G.M., Chairman, presented the following report of the Committee on Miscellaneous Masonic Ceremonies, which report was adopted.

To The Most Worshipful Grand Lodge of North Carolina:

At the last session of the Grand Lodge, the Committee on Miscellaneous Masonic Ceremonies reported its completion of the task of revising the Ceremonies and requested an appropriation to proceed with their publication. This was granted. The Ceremonies have now been published in an attractive fabrikoid binding and have been delivered to the Grand Secretary's office. The binding is black with gold lettering. It is very flexible and can be handled easily by those obliged to use it when officiating at Ceremonies. The Committee has received Books of Ceremonies from almost every Grand Lodge in the United States, and we believe that we now have a volume in which we can take pride because it compares most favorably with all the rest.

The Committee now recommends that three free copies be distributed to every lodge in the State and one each to the Grand Lodge Officers and Past Grand Masters, the remainder to be placed on sale.

It is hoped that the brethren will examine the books closely and whenever mistakes are found, or suggestions can be made for improvement, they will advise the Committee accordingly.

REPORT OF THE REPRESENTATIVE TO MASONIC SERVICE ASSOCIATION OF THE UNITED STATES

(Docket No. 18)

The following report of M.W. Brother Robert L. Pugh, P.G.M., Representative to the Masonic Service Association of the United States, was read and entered on the record. The recommendation that the Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year was adopted unanimously, and the matter of finances was referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Brethren, to introduce this report I want to quote from our publication, Part II of *The Short Talk Bulletin*, the April, 1959, issue. Reporting the recent meeting of the Masonic Service Association, I quote as follows from it: "In the South American Room, Hotel Statler, Washington, D. C., it is 9:30 a.m., Thursday, February 26, a gavel bangs, the fortieth annual meeting of the Masonic Service Association is under way. There is no delay; the program says 9:30 a.m., so at 9:30 a.m. the Chairman of the Executive Commission, Most Worshipful William P. Sturtz, is in his place and he declares: "Brethren, this meeting will please come to order!" He adds a few gracious words of welcome. The Reverend Edward G. Latch, Grand Chaplain of the District of Columbia, is called upon for a word of prayer. As his beautiful invocation comes to a close, he astonishes his listeners with the words, "As we continue in an attitude of prayer, we will hear from a boy who for eight years was in a neuropsychiatric hospital in a hopeless condition and who was finally reached by your Masonic visitor." And filling the room with vibrant tones, there comes a stirring recording of the Lord's Prayer in music by a hospitalized veteran who chose this way to say, "Thank You" to the Masons of America for the helping hand they held out to him.

After quickly announcing the committees for this annual meeting, the Chairman then calls upon the Grand Master of the Commonwealth of Massachusetts, Most Worshipful Andrew G. Jenkins, to introduce the speaker, Brother Sumner G. Whittier, member of Galilean Lodge in Everett, Massachusetts, former Lt. Governor in his state, former United States Senator from Massachusetts, and presently U. S. Administrator for Veterans Affairs.

This is an event! This is a speech! That man at the microphone is not just a distinguished public servant. He commands our attention not just because he speaks with authority about Veterans Affairs, but because he has something! He has stage presence! He has a gift for words, he uses illustrations beautifully! But he's talking about brotherly love and he has it. Listen as he tells us his philosophy of service: "If we are to live and be healthy, it is important that we live beyond ourselves, that we find a purpose and meaning in our lives." Listen as he describes the services and programs of the Veterans Hospitals and our Masonic labor of love: "We in the VA treasure the strong, helping hand of Masonry among the volunteers in the VA Hospitals and domiciliaries. We are everlastingly grateful for the

dedicated field agents of the Masonic Service Association who serve so well in our hospitals, for when you come to our hospitals you see something more than beds and buildings. You see men who spend their days and nights in those beds. The VA needs the Masons among its volunteers to instill hope and courage in the hearts of our individual patients; and if we need you today, we shall need you even more tomorrow." Listen as he describes the projects and plans of the Veterans Administration for helping its patients "get back on their feet": "But it isn't enough to treat a man's body; it becomes essential to treat his soul and spirit as well. You can help prepare him for that giant step from hospital to foster home by your man to man companionship—and somehow there is nothing in the world that quite matches it—you can give him a foretaste of what family friendship can be." Listen as he evaluates the work of your hospital visitors and volunteers: "Those little things, those little acts of kindness performed by the Masons and by the many other volunteers from other groups who come into our VA Hospitals add up to the most important elements of life. They create courage and hope and faith. Can you name anything more important on this earth? There you have the reason why we need our volunteers, why we need the Masons. Volunteers and field agents alike may you continue your human understanding services to veterans for a long time to come, now and tomorrow!"

This is followed by the report of the Executive Commission, which was presented by Most Worshipful William P. Sturtz, Past Grand Master of Minnesota, the newly elected Chairman of the Commission, succeeding Samuel H. Wragg, who had resigned because of ill health.

Brother Sturtz reported that the Grand Lodge of Kansas had now become a member of the Association, bringing our membership to thirty-nine Grand Lodges.

He reported also that during 1958 twelve *Short Talk Bulletins* and seven *Digests* under interesting Masonic topics had been published and distributed. All of these bulletins (now numbering 432) are kept in print to satisfy the demand.

The Association now also has two talking pictures available to lodges for programs. Both of these films are in constant demand and must be requested well in advance. The first of these talking pictures, entitled *The Mystic Tie*, was released on November 1, 1957, and brought into many lodges and Masonic gatherings a magnificent message of the Association's former Executive Secretary, Most Worshipful Carl H. Claudy.

The second talking picture entitled *The Ultimate Lessons of Freemasonry* presents to Masonic audiences Most Worshipful Thomas S. Roy, Past Grand Master of Massachusetts. It furnishes a dynamic address by a forceful speaker; it has been "booked solid" since it was released November 1, 1958.

Great interest has been expressed in this service and the Association plans to continue production of such films with outstanding speakers for Masonic lodges.

The other great feature of the work of the Masonic Service Association is its hospital visitation program, to which I made reference in the opening statements of this report. While the program was not expanded to an appreciable degree during 1958, this does not mean that interest in the program is diminishing; on the contrary, many

request were received from service hospitals for this program, but we lacked the necessary funds for expansion.

In North Carolina for example, we have a field agent in Asheville, North Carolina, who serves the veterans in the hospitals at Oteen and at Swannanoa. In Fayetteville, we have a field agent who serves the Veterans Hospital in Fayetteville, The U. S. Army Hospital at Fort Bragg, and the Naval Hospital, in Camp Lejeune. You will also be interested in an account of the number of bedside visits made to Masons in these hospitals. In Asheville, for example, during the past year our agent made bedside visits to 3,187 Masons. In Fayetteville visits were made to 1,326 Masons. This means that in North Carolina in our hospitals where our Masonic brethren are confined visits were made by representatives of the Masonic Service Association to 4,513 Masons. But please bear in mind the fact that there are a large number of North Carolina Masons who are ill and who are confined to various government hospitals in other states, as well. Those North Carolina Masonic brethren are likewise being visited by these field agents. As a matter of fact, during the past year there were 5,509 visits made to Masons of North Carolina who are now ill and who are confined in hospitals beyond the boundary lines of our grand jurisdiction. We must continue our support of this program and I therefore recommend that the sum of \$3,000 be included in our budget for this year for the hospital visitation program of the Masonic Service Association. This is the same amount that was included in our budget for the past year.

Our dues to the Masonic Service Association have been in the amount of \$1,425, and it is recommended that this amount again be placed in the budget for this year. It is worthy of note that the Masonic Service Association spent in the two centers in North Carolina on the hospital visitation program during the past year the sum of \$8,720.10, or a sum almost three times greater than that contributed this year by the Grand Lodge of North Carolina to the Masonic Service Association for this purpose. By all means we should continue our membership in the Association, and it is so recommended.

Respectfully submitted,

ROBERT L. PUGH, *P.G.M., Official Representative*
Masonic Service Association of The United States

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 19)

The following report of M. W. Brother Robert L. Pugh, P.G.M., Representative to the George Washington Masonic National Memorial Association, was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The forty-ninth annual convention of the George Washington Masonic National Memorial Association was called to order in the beautiful Memorial at Alexandria, Virginia, February 23, 1959, with the First Vice President, Brother Dewey H. Hesse, presiding. It was a source of genuine regret that the President, Brother Clifford D.

Jory, was ill and therefore unable to be present. Brother Jory has been a dynamic force in furthering the cause of the Memorial and the Association missed him greatly on this occasion.

Following the call to order, the prayer was led by the Most Worshipful Grand Master of Arkansas, and hearty and cordial welcome to the Commonwealth of Virginia was extended by the Grand Master of that great state, Most Worshipful Brother S. Dexter Forrest. To this, the Grand Master of California, Most Worshipful Brother Bill Myers, responded very ably.

After the introduction of guests from all parts of the world, Brother Hesse made his report. This report contained an introductory statement that no presiding officer of this Association had ever been able to make before. It was a statement simply constructed, and yet of the most tremendous import and significance, for he declared: "Brethren, the Memorial interior is now complete!" My brethren, this statement meant that the efforts of a few brethren, who formed the Association in 1911 to express their appreciation of George Washington and to perpetuate his memory, were now crowned with success. It meant that the Memorial, actually begun in 1922, could now proudly proclaim to the world that its labors to erect a Memorial which would typify the unity and universality of Masonry had now been brought to fruition; a Memorial that is alive and vibrant, that will arouse in every true American a stronger determination to do his full duty in the preservation of the pure principles of liberty, of which our great brother, George Washington, gave his whole life's effort. This Memorial symbolizes Washington's unselfish love, the sweep of his vision, his devotion to duty. It expresses tolerance, high ideals, and an enlightened citizenship. It stands as a protest against ignorance and prejudice. In its symmetry and strength our Memorial is a veritable expression of the stability of our fraternity, the tenets of which are based on holy writ.

And so, it is complete. Yet our work is only half done, for it must be maintained and the endowment fund must be increased. We must, therefore, continue our contributions in a liberal amount consistent with our ability. I therefore recommend that we continue our usual contribution of one thousand dollars.

Equal in importance, however, with the necessity for continued contribution is the need for publicity, for letting our people know what we have. Amazing though the statement may be, there are many, many Masons who have never heard any mention of this Memorial, either in their respective Lodges or from their Grand Lodge. Our Lodges interested in providing suitable programs for their members would do well to bear in mind that 35 M.M. Slides with talking accompaniment are now available from the Association at no cost at all other than the return postage. These would make a very enlightening, entertaining program for any lodge. Furthermore, let me urge our brethren whenever they visit the City of Washington to make it a point to journey over to Shooter's Hill in Alexandria where this imposing structure is located, and spend several fascinating hours as you behold what Masons in this country have done to keep alive the memory of a great man, a great Master Mason, the father of our country.

Respectfully submitted,
ROBERT L. PUGH, P.G.M., *Representative*

**REPORT OF THE BOARD OF DIRECTORS
OF THE MASONIC AND EASTERN STAR HOME
OF NORTH CAROLINA, Incorporated**

(Docket No. 20)

The Board of Directors of the Masonic and Eastern Star Home of North Carolina, Inc., presented the following report, which was read by M. W. Brother Robert L. Pugh, P.G.M., received, entered on the record and referred to the Committee on Finance and to the Committee on Masonic and Eastern Star Home:

To The Most Worshipful Grand Lodge of North Carolina:

"NOW I CAN."

With calm assurance these words were spoken by a little boy on a Sunday afternoon stroll with his "Big Brother."

The two had come to a stream over which the little fellow could not cross alone. "Come on, Jimmy—jump across." Anxiously the little fellow replied, "I can't, Tom, I can't." Tom reached back across the water and grasping his little brother's hand, heard Jimmy say: "Now, I can"!

This simple but true story is a parable of your large family here at the Home, and you are the "Big Brother". Our dear ones here came one day to a place in the stream of life over which they could not cross alone. Some of them, like little Jimmy, may have said, "I can't, I can't"! Just when they needed help to pass over that stream, which is the evening of life, **YOU WERE THERE**. **YOU**, with others, have taken more than 465 of our loved ones by the hand and have caused them to say, **"NOW, I CAN"**!

The annual reports of our Superintendent and Treasurer show that our progress in 1958 exceeded that of any previous year. Our average enrollment of Guests was 74.4, and our operating income amounted to \$128,439.54. We also sent monthly checks to an average of 16.6 on Home Aid.

The General Endowment Fund was increased by \$33,254.90. This increase was largely due to bequests left the Home in wills.

The Carson York Rite Fund, contributed by the Grand York Rite Bodies, continues to furnish the Guests with daily papers, magazines and books.

Our Guests are furnished bus and taxi fares, fruits, ice cream, and repairs to T.V. and radio through the Sunshine Fund, which is donated by the Eastern Stars and other friends.

Oasis and Sudan Shrine Temples furnished the funds to put a new ceiling in the front hall of the main building, and to purchase an oxygen machine, an electro-cardiograph machine, and additional furniture for the Infirmary.

Forty-seven Guests spent some time in the Infirmary. There were 7,819 days of care, or an average of 21.4 in the Infirmary all the time.

The services to our Guests and the work at the Home continue to increase each year. Twenty-five years ago we had a total of twelve employees, two of whom were practical nurses. Today we have a staff of thirty-six employees, and of that number it requires sixteen to care for Guests in the Infirmary alone. Our operating income in 1933 amounted to \$19,425.35. Last year it was more than six and one-half times that much.

In 1934 additional duties were given the Superintendent, such as making case studies of approved applicants, attending statewide Lodge and Chapter meetings, informing Masons and Eastern Stars about their Home, and keeping all the financial records of this growing institution. During the years the work, experience, and age of our most capable Superintendent, George Bennette, have increased to the extent it was deemed wise to employ an assistant Superintendent to work with Brother Bennette and be prepared to eventually take over the many responsibilities of the Superintendent of our Home. We were fortunate in October, 1958 to secure the services of Rev. Troy G. Robbins. Brother Robbins has had a number of years business experience, served twelve years in the pastorate, and is currently Moderator of the Piedmont Baptist Association.

The Masons and Eastern Stars were most generous in their contributions.

The per capita cost of Guests, including those in the Infirmary was \$3.96 per day, or \$121.51 per month, or \$1,446.08 per year.

This, our 45th annual report of your Home, is the very best one in the history of the Home. This is due to the continued generous and loyal support of the Masons and Eastern Stars of North Carolina, and to the efficient management of our staff. To each of you we are eternally grateful. May we go forward in 1959 to greater and higher heights as we humbly serve our fellowman.

Yours fraternally,

REPORT OF THE BOARD OF TRUSTEES OF THE DREWRY MEMORIAL GRAND SECRETARY'S FUND

(Docket No. 22)

The following report of the Board of Trustees of the Drewry Memorial Grand Secretary's Fund was read, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The annual meeting of the Board of Trustees of the Drewry Memorial Grand Secretary's Fund of the Grand Lodge of A. F. & A. M. of North Carolina, was held in the Hotel Charlotte at Charlotte on Monday, April 20, 1959, at 2:30 p.m. Trustees present were M. W. Brothers James G. Johnston, C.L., *Grand Master*; Herbert M. Foy, P.G.M., *Grand Treasurer*; and Chas. B. Newcomb, P.G.M., *Acting Grand Secretary*.

The list of investments held by the Custodian for this Fund (The North Carolina Masonic Foundation, Incorporated) was carefully reviewed by the Trustees, and it was decided that no change should be made in those investments at this time.

For a complete report of the activities in this Fund for the year ended December 31, 1958, we refer you to exhibits "L", "M", and "N" of the Auditor's Report, all of which are included in the report of the Board of Directors of the North Carolina Masonic Foundation, Inc., Custodian. (SEE pages 161-163 inclusive, of these Proceedings.)

We respectfully point out that total income on this Fund for the year ended December 31, 1958, was \$2,451.35, all of which was paid over to the Grand Secretary, during the year ended December 31, 1958.

Respectfully submitted,

RESOLUTION TO GRANT RELIEF TO SPENCER LODGE NO. 543

(Docket No. 24)

W. Brother G. Dudley Humphrey, P.M., C.L., Judge Advocate, presented the following resolution, which was read, entered on the record and referred to the Committee on Masonic Jurisprudence and to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Charges of un-Masonic conduct were preferred against O. L. E., a member of Spencer Lodge No. 543, A. F. & A. M., by the Junior Warden of the lodge on February 21, 1949, and the complaint was filed in the office of the Grand Secretary on February 24, 1949. However, the complaint was held in the office of the Grand Secretary and the case was never tried. The accused Brother O. L. E. was sentenced to serve a life term in the State Prison at Raleigh, N. C., and on October 8, 1954, he was transferred from the North Carolina State

Prison to the Criminal Insane Department of Dix Hill, Raleigh N. C., where he is now confined, and our law does not permit the trial of his case at the present time.

The Secretary of Spencer Lodge under date of November 3rd, 1949, wrote the Grand Secretary as follows:

"Under date of February 23rd, 1949, I wrote you, enclosing charge preferred against '(OLE)', a member of Spencer Lodge No. 543, A. F. & A. M., by our Junior Warden, also copy of Court proceeding, in the case of State vs '(OLE)' in the Capital crime of murder, which I was advised by our Grand Master should be forwarded to you for handling. I presume in making up my annual report, I should drop this name from it. Please advise."

The file in the office of the Grand Secretary contains no copy of any reply to this letter, and Spencer Lodge did not return Brother O. L. E. as being one of their members for the year 1949 (December 31) nor has any return since that time included the said accused brother as being a member of said lodge. On the contrary, the 1949 annual return of Spencer Lodge No. 543 reported the accused brother as having been expelled, although no trial had been held in the case.

The account of Spencer Lodge No. 543 with the Grand Lodge is out of balance for that the annual returns of said lodge for the years 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957 and 1958 reported one less member than was charged against it in the office of the Grand Secretary, amounting to \$25.00 at the present time.

NOW THEREFORE, BE IT RESOLVED: That inasmuch as an officer of this Grand Lodge through inadvertence, mistake, or other cause, is responsible for the discrepancy that now exists in accounts of Spencer Lodge No. 543 with the Grand Lodge caused by Brother O. L. E. being carried on the records of the Grand Lodge as a member of Spencer Lodge No. 543, and the failure of this Grand Lodge and its officer to prosecute the charges of un-Masonic conduct filed against Brother O. L. E. for more than five years and until such a time as it is now impossible to try the case on account of the insanity of the said accused brother, that Spencer Lodge No. 543, A. F. & A. M., be, and hereby is, relieved from paying the Per Capita tax on Brother O. L. E. (whose full name is shown on the correspondence in the Grand Secretary's office relative to this matter) for the years 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957 and 1958.

BE IT FURTHER RESOLVED: That until such time as the accused brother is declared to be mentally competent, or until he dies (whichever occurs first), that Spencer Lodge No. 543 be, and hereby is, relieved from paying the Per Capita tax on the said Brother O. L. E.

REPORT OF THE BOARD OF DIRECTORS OF OXFORD ORPHANAGE, Incorporated

(Docket No. 25)

The Board of Directors of Oxford Orphanage presented the following report, which was read by M. W. Brother

William J. Bundy, P.G.M., received, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of Ancient, Free and Accepted Masons of North Carolina, which includes a detailed report of the Superintendent and the varied departments of the Orphanage, to which your attention is called with the request that you examine those so that you will know something about what is going on, or is not going on.

Oxford Orphanage is the oldest Orphanage in North Carolina and the second oldest Masonic Institution in America. For eighty-six years the Masons of our jurisdiction have applied Masonic love to the lives of children upon the basis of the child's need, without any regard to the Masonic relationship of the child.

Two outstanding characteristics exemplify the greatness of the ideal of Masonic beauty which motivates Oxford Orphanage. Firstly, the Orphanage is owned and maintained by the Grand Lodge for the purpose of providing care and training for all indigent children who need its care. Here the children live in the surroundings of a beautiful campus, participate in a program of wholesome training, and are transformed into useful productive citizens. Secondly, the Orphanage depends upon voluntary gifts to maintain its program. No assessment has ever been made against any Mason or Lodge in North Carolina for the support of the program of Oxford Orphanage.

The Board of Directors held its regular meetings throughout the year and administered all the affairs of the Orphanage. The Executive Committee and the Local Advisory Board held their meetings, transacted their business, and made full reports to the Board of Directors.

We greatly appreciate the increased appropriation of the State of North Carolina and the approval and increased support of the Duke Endowment.

We are deeply grateful for the increased interest and the magnificent response made by the officers and the Oxford Orphanage Committees in the local Masonic Lodges because of their response to our call of need for increased support to meet our serious building need. Because of the increased contributions of the Masons and lodges, we were able to sign a contract for the erection of the St. John's Building, replacing the old St. John's College Building. This building is now complete and in use, open house having been held on Sunday, April 5. You are invited and urged to come and see what you have done for your Orphanage in the erection of this long needed building.

Again we urge each Mason to visit our Orphanage, see for himself the life of our children, and evaluate the needs of our institution, thereby finding a more abundant share in the glorious work we are accomplishing.

Because of the generosity of Masons and friends, Oxford Orphanage was able to complete another year without incurring any debt. We continue our maintenance program to preserve our building efficiently, and have all of our buildings adequately covered by insurance.

During the year 1958 our Orphanage was filled to capacity. We closed the year with an enrollment of 313 children, serving children from 63 counties, of which 21 are children of Masonic heritage.

The Board of Directors of Oxford Orphanage in its regular meeting today authorized the erection of a new kitchen, dining room and such space and storage as is needed to go therewith which has been needed and badly needed for many, many years, and that as soon as the contract is let that work will proceed, concerning which you may hear a little bit in the future. Kindly give ear to the cause.

The Board wishes to pay a tribute of commendation and appreciation to the very able and efficient Superintendent of Oxford Orphanage, Brother Leon Gray. Those of you who are old enough to remember back in 1946 when you were inflicted with me as Grand Master, that great man and great gentleman, Creasy K. Proctor, was called to his eternal reward and we all said "Where can we find a man who can fill this most important task?" Brethren, I say in all sincerity and in earnestness that the Lord who guides the affairs of men guided the Board of Oxford Orphanage at that time and caused it to choose the man who is now our Superintendent and whom I expect to be as long as he lives and can operate. Some men are called for one thing and some for another. Brother Leon Gray is particularly and peculiarly called for this job. He is God's man for this job and for this responsibility and he is our man. Let us give our appreciation to him and to his able staff and go and observe the wages of a Master Mason which are yours at Oxford Orphanage.

Respectfully submitted,

REPORT OF THE GRAND MASTER

(Docket No. 27)

Due to the illness of Most Worshipful Brother James Guy Johnston, Grand Master of Masons in North Carolina, the Report of the Grand Master was delivered by W. V. Brother W. Edward Burrier, Grand Steward, and the report was referred to the Board of General Purposes (SEE pages 129 and 130 of these Proceedings for the distribution of the report):

To the Most Worshipful Grand Lodge of North Carolina:

Once again, with the return of the beautiful month of April, we witness the manifestation of God's love for His Creation; the awakening of nature to put forth, once more, the flower and fruit peculiar to each specie, to say to us anew that the Supreme Grand Master is still in His Heaven, to keep a watchful eye over those who respond to His universal will.

With it also come, from all parts of our State, from the east and from the west, from the south and from the north, the representatives of the greatest family mankind has ever known for the purpose of deliberating and acting upon matters necessary and important to the Masonic family in North Carolina. We should offer prayers of thanksgiving to the Grand Artificer that we are permitted to do so with the blessing of good health and happiness. May He, with a kindly hand upon our shoulder and a watchful eye over our well-being, guide us in our deliberations.

Many of us have never before this day seen or known each other, yet true to the traditions of the universality of our Craft which unites men of all climes firmly in bonds of fraternal love and friendship, we no sooner assemble than we find ourselves, not strangers, but brothers joined in labors of Charity and Universal Benevolence. It is in the spirit of this binding fellowship and sense of obligation one to another that I welcome you, and our distinguished guests from other Grand Jurisdictions, to this the 172nd Annual Communication of the Most Worshipful Grand Lodge of A. F. & A.M. of North Carolina.

Most cheerfully would I transfer the responsibilities of this hour to those more competent to discharge them with acceptability to the Craft; but as this I may not do, I shall proceed to report to you in accordance with the provisions of Regulation 16-13(5) of THE CODE.

**PROCEEDINGS OF THE
FRATERNAL DEAD**

The one great experience common to all living things extended its dominion over many of those within the Brotherhood of Freemasonry on frequent occasions during the year. We lament their departure from our midst, but God in His infinite wisdom saw fit to beckon and they took the one step to a newer and a more beautiful world. Fortunate it is that they and we are Freemasons, for by its teachings we know that by faith in the redeeming power of Judah's Lion, He will join us eternally in that country from whose bourne no traveler returns, and that a day will come when peace and joy shall reign in the hearts of all men.

**ANDREW SHAW MELVIN
Junior Grand Deacon**

December 19, 1904—April 9, 1926—December 31, 1958

It is now our fraternal duty and privilege to bow our heads reverently in memory and veneration of those beloved and honored brethren of our Grand Lodge who have been called during the lapse of a Masonic Year into the unseen and mysterious eternity where, freed from the concealments of the flesh and all fetters of mortality, they are face to face, as we some day shall be, with those things that belong to truth and life and love.

"To live in the hearts we leave behind is not to die."

THE GRAND MASTER'S PROGRAM

One year ago, when you elected me to guide your destinies during 1958, I confirmed to you my firm belief in the principles of Freemasonry and pledged to you my best efforts to return to the Craft in North Carolina that concept of Freemasonry lost in the maze of modernism. I promised you faithfully that I would to the best of my abilities administer the affairs of the Grand Lodge with justice, with dispatch and with dignity. In some measure I have failed. In others I have succeeded. But in neither am I entirely happy, for neither failure nor partial success pleases anyone. To augment the program of education and instruction in Masonic ritual, Masonic and moral law, I prepared material for distribution to and dissemination by the fifty-eight District Deputy Grand Masters who assembled for the purpose of hearing the Grand Master's plans for the year.

The District Deputy Grand Masters' Conference

I determined early in the year that "fundamental Masonry" would be the focal point around which our labors of

the year would revolve. To accomplish this a program was developed which would aid, instruct and educate officers and members of our lodges Masonically and assist them in:

- (1) Promotion of "The Lodge System of Masonic Education."
- (2) Complying with Masonic Law.
- (3) Placing a Re-emphasis on the Moral Law.

All District Deputy Grand Masters and all District Deputy Grand Lecturers were invited to a program conference at the Sir Walter Hotel in Raleigh on June 7, 1958. All but four of the fifty-eight District Deputy Grand Masters attended, and we were much gratified to find a few more than 50% of the District Deputy Grand Lecturers present. I might say here that no funds were provided in the Grand Lodge's budget to defray the expenses of the District Deputy Grand Lecturers in traveling to and from this conference. Too, it is the first time, to my knowledge, that the District Deputy Grand Lecturers had ever been invited to attend a District Deputy Grand Masters' Conference. Hence, the newness of the endeavor and the lack of hope for reimbursement leaves me far from disappointed in the response by the District Deputy Grand Lecturers to the invitation to attend. It is my hope that future Grand Masters will continue a similar joint conference of District Deputy Grand Masters and District Deputy Grand Lecturers, for I believe much good was accomplished. A non-existent, kindred feeling of assistance, long needed between District Deputy Grand Masters and District Deputy Grand Lecturers, can well develop as a result of the discussions had at these conferences. I highly recommend these joint conferences as desirable in the development of any educational or instructional undertaking devised for the enlightenment of the Craft.

The Lodge System of Masonic Education

Every candidate is a stranger to Freemasonry and Freemasonry is a stranger to him. It is not merely a lodge that he joins, but a fraternity with more than sixty thousand members and 355 lodges in North Carolina, and millions of members throughout the world; with a history stretching back over many centuries; with an intricate system of laws, a large number of purposes, ideals, and obligations; with many rights, privileges, and duties; and with the ancient landmarks to be preserved.

It is too much to expect that without guidance any man will be able to make himself at home in such a society or,

unaided, take his proper place in the work of his lodge with credit to himself and honor to the fraternity. He has the right to expect the lodge to give him much of the information he needs. It is because so many brethren never receive this information that they cease attending lodge.

For years responsible leaders of the Craft have realized that failure to prepare the candidate properly for his new duties and privileges is failure on the part of the Craft to discharge its just obligations.

It is necessary that new brethren become imbued with the spirit of Freemasonry and believe in—as well as understand—its purposes and ideals. Our fraternity does not rest on compulsion or military rule, and if its own members are at odds with its aims, it becomes a house divided against itself. When Masons cause dissension in a lodge, it is seldom from a desire to make mischief; but because they do not understand the procedure, rules and laws, or the purpose of the Craft.

When the Lodge System of Masonic Education is adhered to, not only does the candidate profit, but the lodge is strengthened by having new members who, from the beginning, are more likely to:

- (1) Take part in its activities.
- (2) Become regular attendants.
- (3) Grasp the aim and purpose of the endeavors of the Lodge, and
- (4) Come in better prepared for work.

I believe firmly that the "Lodge System of Masonic Education" as prepared, published and distributed by the Board of Custodians of our Grand Lodge is indeed worthy of adoption by every lodge in this Grand Jurisdiction as a means of enlightening not only its candidates but its members as well. I feel so strongly in this regard that I would like to recommend that its use be made mandatory, and I hope that someday it will, but at this time it is not feasible due to certain administrative problems that must be overcome. In the meantime, brethren, use it voluntarily as an excellent means of enlightening your candidates and many of your members.

Compliance with Masonic Law

Emphasis on instruction in Masonic Law has been an important part of my program for the year. Too frequently and far too often have too many otherwise well-informed Masons looked upon THE CODE as an impediment to Masonry. Too often have too many of us been prone to regard

our governing laws as a stumbling block rather than as a guiding light to a dignified Freemasonry, or as the zealous guardian of your Masonry and mine. The ones who more frequently question THE CODE or its clarity are those who have something they want accomplished without having to familiarize themselves with the regulations pertaining to the end they wish to accomplish.

All of us here today long sought Masonry and the beautiful messages it carries. We petitioned for the degrees, we paid out a goodly sum in the form of fees for the right to petition, we subjected ourselves quite willingly to a thorough character investigation, and we rejoiced when we were pronounced eligible for the mysteries of Freemasonry. The happiness of that moment was surpassed only by the exultation experienced on the attainment of the Degree of Master Mason. Why was this so?

No one promised you any pecuniary gain or that your life would be easier as a member of the Craft. You were promised absolutely nothing and yet you aspired to be a Master Mason, because in your observation of the men of your community who were Masons you received a favorable impression; you wished to be accepted by it and by them and to be identified therewith.

The ritual impressed you later, the obligations you took made their mark on you, but your desire to be a Mason came to you out of a high regard for the Craft; you received that first impression and desire because of the rules of conduct and the conditions and regulations laid down by Masonic Law.

The ritual, without a code of law, would accept material and make, in name, Masons in 355 different ways in the 355 subordinate lodges of North Carolina. Masonic Law, as it is given to you in THE CODE has kept, is keeping, and will maintain, for future generations, the real Masonry. To deprecate THE CODE wantonly, or even to disrespect its regulations, would lead eventually to each lodge's carrying on in its own way according to the whims of each individual Master or Secretary who may be serving for the time being, and would quickly render spurious that which you and I hold so dear—a heritage dear to our forebears and worthy of our zealous protection.

Study THE CODE, my brethren. Make a good knowledge of it an important part of your personal Masonry and compliance with its provisions and regulations a must in your direction of your lodge's affairs. It isn't something sacro-

sanct. It can be amended and changed and at times it is necessary and wise to amend it, but it is for your government in conducting the business of your lodge, so obey it or cause it, in proper manner, to be altered as desirability dictates.

The Moral Law

I have reported to you briefly on two of the three major constituent parts of my program for the year. I now would like to discuss, again briefly, the third and, I think, the most important topic on which I have laid particular emphasis during the year.

Human nature compels us all to desire an understanding of our relationship with the universe. In other words, there is a yearning for knowledge and understanding of the moral law of God. This is particularly true of Masons. And why not? We proclaim to the world that Freemasonry is a beautiful system of morality, and among the jewels of a Master Mason we accord morality an equal place with Friendship and Brotherly Love.

Search the pages of history and you will find it proved over and over again, in the lives of men and nations as well, that there is a moral law to which we must be responsive. Once we acknowledge this fact and make the moral law the end of our striving, once we possess the desire to know and understand this law, then true happiness will be ours, for no other code has ever equaled it and those that have approached it have been founded on it or patterned after it.

I believe that America is the greatest country in which mankind has ever had the privilege of living, for in America, and almost in America alone in the family of nations, we have been free to seek an understanding of the moral law in our own way, unhampered by external authority, and it is the only system of government and philosophy known to man which will not eventually destroy his freedom.

What is meant by freedom? We read of free nations. We call our country a free country and speak of our people as free people; but there can be no freedom apart from individual freedom. Our nation and our society are made up of individuals who are free, because it is individual liberty, the liberty of the individual to make his own choice, that is basic to true freedom. This is one of the basic laws of Masonry. Over and over again we are reminded that an

authoritarian attitude has no place in our lodges. No group, no society, no government was ever formed that could do for men what they have been able to do for themselves as free individuals. The reason for this is quite obvious. We are all different. No two of us are alike. We do not act alike, nor do we think alike. Our thoughts may be similar but they are never alike. We have different powers of comprehension. Each one of us is an individual creation.

On the other side of the ideological fence, Boris Pasternak, the brilliant and brave Russian Nobel Prize winner, is a living, typical example of a profound mind in a God-fearing man under tyrannical suppression of freedom of thought, freedom of expression, freedom of choice of one's own ideals, and freedom to follow one's own concept of God's relationship to man. The need of man for moral government in his personal life is just as acute today as it ever was. The atrocities committed in concentration camps in World War II, and the tortures devised by the Communists clearly show that man living without the moral law under civilization can be, and really is, just as degraded and bestial as any savage on the face of the globe. As it is with nations, so it is with men. He who breaks the moral code in his personal life brings just as much unhappiness to himself and to his family as was the case in the days of Moses. That one cannot transgress the moral code and remain a happy and well-adjusted person is evidenced by the great amount of emotional maladjustment in modern life.

There are many people who will argue that there are no eternal truths; that what is true today will not necessarily be true tomorrow. With this I cannot agree, but I will not argue the matter here. I will simply say that Masonry was not founded on such beliefs, and that it will not long endure if we fall into the error of such beliefs or compromise with them.

Finally, my brethren, in Masonry we are given the basic tools with which to continue our search for God's truth. The search is not the work of a single lifetime, but of generations. Each generation receives the culture of the preceding generation and transmits that culture to the next—but with something added, something reflecting a little greater knowledge of the moral law, for by search and study we will be led to an ultimate understanding of God's law and understand more fully the beauties of a wholesome relationship between the Creator and His universe.

PROCEEDINGS OF THE

EMERGENT COMMUNICATIONS

It became my duty to call the Most Worshipful Grand Lodge of Ancient, Free and Accepted Masons into Emergent Communication on seven occasions during the past year, some of them for pleasant and inspiring purposes, but one of them was for the purpose of conducting the funeral service of our beloved friend and brother, Andrew Shaw Melvin, Junior Grand Deacon.

The Emergent Communications were called as follows:

June 28, 1958, at Oxford, for the purpose of laying the cornerstone of the new St. John's Building on the campus of Oxford Orphanage. I am indebted to M. W. Luther Thompson Hartsell, Jr., Past Grand Master, for his able assistance in conducting the ceremony of laying the cornerstone.

September 27, 1958, at Shawboro, for the purpose of dedicating the new Masonic Temple of Hall Lodge No. 53. M. W. William James Bundy, Past Grand Master, presided in the Grand East and conducted the ceremony of dedication.

October 25, 1958, at Burlington, for the purpose of dedicating the new Masonic Temple of Bula Lodge No. 409. M. W. Edwin Turlington Howard, Past Grand Master, at my request, opened the Grand Lodge and conducted the ceremony of dedication.

November 8, 1958, at Williamston, for the purpose of laying the cornerstone of the new Masonic Temple of Skewarkee Lodge No. 90. M. W. Robert Lee Pugh, Past Grand Master, presided for me and very ably conducted the ceremony of laying the cornerstone.

January 2, 1959, at Gastonia, for the purpose of paying our last respects to the memory and conducting the Masonic Burial Service of our departed brother, W. Andrew Shaw Melvin, Junior Grand Deacon. At my request, M. W. Charles Harrison Pugh, Past Grand Master and a life-long friend of our brother, conducted the services at the grave.

February 14, 1959, at Garner, for the purpose of laying the cornerstone of the new Masonic Temple of Garner Lodge No. 701. Here again M. W. Charles H. Pugh answered my call for assistance most graciously and during my illness opened the Grand Lodge and presided at the ceremony of laying the cornerstone.

March 3, 1959, at Washington, for the purpose of dedicating the new Masonic Temple of Orr Lodge No. 104. M. W.

W. Charles Anderson Harris, Past Grand Master, opened the Grand Lodge and conducted the ceremony of dedication during my illness and hospital confinement.

I am grateful to these brethren for their helpfulness.

LODGES INSTITUTED

It was my happy privilege to grant dispensations to form new lodges in High Point and Burnsville and accordingly instituted Hiram Lodge, U.D., High Point, on December 2, 1958, and Burnsville Lodge, U.D., Burnsville, on December 13, 1958. This brings to 355 the number of lodges in North Carolina either chartered or under dispensation.

LODGES CONSTITUTED

At the One Hundred Seventy-First Annual Communication of the Grand Lodge, charters were granted to:

Advance Lodge No. 710, Advance
Piedmont Lodge No. 711, Winston-Salem
Wilson Lodge No. 712, Wilson
McLurd Lodge No. 713, Stanley
Liberty Lodge No. 714, Liberty
Derita Lodge No. 715, Derita

Thus, it was my happy duty to constitute and dedicate these new lodges, which was done on the following-named dates:

Advance Lodge, Saturday, May 3, 1958 (3:00 p.m.)
Piedmont Lodge, Saturday, May 3, 1958 (7:30 p.m.)
Wilson Lodge, Saturday, May 10, 1958 (7:30 p.m.)
McLurd Lodge, Friday, May 2, 1958 (7:30 p.m.)
Liberty Lodge, Wednesday, April 30, 1958 (7:30 p.m.)
Derita Lodge, Monday, April 28, 1958 (7:30 p.m.)

PHYSICAL DISABILITY

At the beginning of the year I instructed the office of the Grand Secretary to certify and return to the lodges for action all petitions received from eligible men having only minor physical disabilities, disabilities about which there was no doubt as to the physical fitness of the petitioner for the Degrees in Masonry. As a consequence, I received very few requests for waiver of physical disability. I did, however, authorize five lodges to receive and act upon the petitions of six petitioners having physical disabilities which, after careful investigation, in my opinion, did not disqualify them for the degrees. In all six cases I was empowered by THE CODE to waive the disability in question.

In addition, I had requests for waiver of physical disability of seven petitioners, none of which I was authorized by THE CODE to grant because of the nature of the disability. The petitions were returned to the seven lodges involved, with instructions that they should be returned to the petitioners and their fees refunded.

I direct your attention to a physical disability of a brother who met with a crippling accident which resulted in the loss of the index finger of his right hand—after he had been initiated and passed. My ruling on this case will be found in my report to you on my official opinions.

ORDERS

Order No. 1

Replying to your request of July 15, 1958, for a dispensation to rebalot on the petition of Mr. R.R.P. for the degrees in Masonry, because of illegal ballot taken on this petition at the stated communication of your lodge dated June 9, 1958. I must deny the request for dispensation because I have made a very careful investigation through the District Deputy Grand Master of the 45th Masonic District, and as a result of the investigation, I believe it to be proper to issue the following order:

FACTS:

Mr. R.R.P. petitioned our Mount Moriah Lodge No. 690 for the degrees in Masonry. His petition was received and referred to a Committee of Investigation at the stated communication May 12, 1958, and was duly received in the office of our Grand Secretary; because of a physical disability reported in the petition, a special investigation was made by me which resulted in a Waiver of the reported physical disability, on July 5, 1958. The petition was certified by the Grand Secretary on July 7, 1958, and returned to the lodge. In the meantime, at the stated communication on June 9, 1958, before the petition had been certified and returned by the Grand Secretary and upon a favorable report by the Committee of Investigation, a secret ballot was taken and he was elected. A later investigation conducted by me developed the fact that this petitioner was addicted to dope in some form and although he had an excellent character and reputation, he had been entered in a hospital for treatment. The election on June 9, 1958, is void and of no effect, because it is illegal under Regulations 73-13 and 76-01.

ORDER:

Upon the facts stated, it is my order that the petition of Mr. R.R.P. be withdrawn by the Master from further consideration by Mount Moriah Lodge No. 690, and that the fee deposited by the petitioner be returned to him, and that a proper record be made on the minutes at the next stated communication after receipt of this order. (REG. 74-02).

I make this order because the petitioner had a good character and reputation prior to his present temporary physical or mental disability resulting from his addiction. and that temporarily he is mentally and

physically disqualified to petition the lodge under Regulation 74-01 (4, 11).

Order No. 2

- I** It appearing to me that prior to April 17, 1957, Certificates of Good Standing on N. C. OFFICIAL FORM 9 then in use (hereinafter referred to as OLD N. C. OFFICIAL FORM 9) did not state on the face of the form or elsewhere that it was INVALID and NOT APPLICABLE outside of the State of North Carolina; and
- II** It appearing further that in many cases the said OLD N. C. OFFICIAL FORM 9 has been accepted in good faith by lodges in other Grand Jurisdictions and used as the basis for electing our brethren, named in such forms, to membership in their respective lodges under the Continuous Membership Plan;
- III** Now therefore, to give effect to the action heretofore taken in good faith based solely on such OLD N. C. OFFICIAL FORM 9, by regular lodges OUTSIDE of the State of North Carolina in affiliating members of our lodges under the Continuous Membership Plan, it is ORDERED:
1. That in any case where a lodge in another recognized Grand Jurisdiction in good faith, under its law, in due form, shall elect to membership a member of a lodge in North Carolina under the Continuous Membership Plan based solely upon our OLD N. C. OFFICIAL FORM 9, which was in use prior to April 17, 1957, and
 2. If such lodge shall promptly report said election over its seal and through the proper channel to our Grand Lodge, and shall furnish such further evidence as may be required by our Grand Secretary to show positively that said election was based solely on said OLD N. C. OFFICIAL FORM 9 and that said form had been issued as hereinafter set forth, and had not expired prior to said election, and
 3. If such Certificate on OLD N. C. OFFICIAL FORM 9 had been issued under the seal of the lodge and signed by the Secretary and had NOT expired by the limitation as set forth in said form, but was in full effect on the date of such election to membership, then
 4. Such election may be accepted by our Grand Lodge as legal and valid, and
 5. The date of such election may be accepted as the date the applicant was DEMITTED by, and from, our lodge that issued said OLD N. C. OFFICIAL FORM 9, and
 6. The proper records shall be made by our lodge and by our Grand Lodge to make effective this ORDER, and
 7. All financial matters shall be adjusted accordingly.
- IV** IT IS FURTHER ORDERED, That this OFFICIAL OPINION and ORDER does NOT apply in any case where the Certificate of Good Standing on N. C. OFFICIAL FORM 9 shows on its face that it is INVALID and NOT APPLICABLE outside of the State of North Carolina, nor in any case where the said Certificate has

PROCEEDINGS OF THE

expired before such election by limitation as set forth on the face thereof.

Order No. 3

It appearing to me that Knap of Reeds Lodge No. 158 erred in granting and issuing to Brother James Donald Gray a demit on October 1, 1952, when his request was for a Certificate of Good Standing for the transfer of his membership under the Continuous Membership Plan to Creedmoor Lodge No. 499 as provided in REG. 83-22. I therefore declare the said demit granted and issued to Brother James Donald Gray by Knap of Reeds Lodge No. 158 on October 1, 1952, to be VOID and of no effect, and I further order that Knap of Reeds Lodge No. 158 reinstate Brother James Donald Gray as a regular member of that lodge to the same extent and manner as if said demit had never been granted by said lodge.

I further order that all necessary and proper financial matters arising out of this order be settled and adjusted by and between Brother Gray and Knap of Reeds Lodge No. 158, and that all reports and directives necessary in the settlement of this case that may be issued by the Grand Secretary be promptly made and observed.

This order shall be read at the first stated communication of the lodge after it has been received, and entered on the minutes thereof.

Order No. 4

The Acting Grand Secretary has informed me that you reported the following-named members on Schedule 16 (Excluded for NPD) of your 1957 Return as having been excluded for NPD on December 31, 1957, and that you reported the same action on your REPORT OF DOINGS on December 17, 1957:

Floyd J. Holden, owing \$22.50.

James Alexander Nabers, owing \$22.50.

Louis E. Kirby, owing \$22.50.

Walter Lee Thompson, owing \$22.50.

Based upon the excerpts from the MINUTES of your lodge quoted in your undated letter received in this office on October 29, 1958, it is my opinion that the above brethren were ILLEGALLY excluded because your lodge did not comply with Regulations 85-33 and 85-34 of THE CODE (1957).

There is no such thing as an automatic exclusion in our Masonic law. A lodge can NOT exclude a member except at a STATED communication and your lodge did not have a stated communication on December 31, 1957. If a lodge at a stated communication gives a member an extension to December 31, and there is no stated communication on December 31, then the action of the lodge is VOID and ILLEGAL and the member has not been excluded.

You also reported in your undated letter (received in this office on October 29, 1958) that Brother Louis E. Kirby, one of the members named above, applied for restoration on September 1, 1958; that you used N. C. OFFICIAL FORM 26 and carried the application to a ballot; and that he was restored on October 6, 1958. This procedure was also ILLEGAL. You evidently did NOT read Regulation 86-01 which provides for restoration without application or ballot if the dues are fully paid within *two years after exclusion for NPD*.

Because of the ILLEGAL and careless handling of the above-captioned case (vitaly affecting the membership of the brethren concerned), IT IS ORDERED:

1. That the names of Brothers Floyd J. Holden, James Alexander Nabers, Louis E. Kirby and Walter Lee Thompson be added to the roll (Schedule 6) and deleted from Schedule 16 (Excluded for NPD) of your 1957 Return, as if no action had been taken to exclude them for non-payment of dues in 1957.
2. That marginal notations be made (at the proper place) in the MINUTES of your lodge for your stated communications in October, November and December, 1957, and October 6, 1958, to the effect that the above-mentioned brethren were ILLEGALLY excluded for NPD and that the restoration of Brother Louis E. Kirby was of no effect because he had not been legally excluded for NPD.

Order No. 5

It has been brought to my attention that much confusion has arisen out of requests by our lodges for waivers of jurisdiction from other Grand Lodges; that there are many different rules of those Grand Lodges and they are constantly being changed, resulting in more delay and confusion in our handling of petitions for the degrees; therefore, in order to prevent further confusion and for the best interest of Masonry in our Grand Jurisdiction, I do issue the following ORDER to become effective immediately:

"No North Carolina Lodge, without the written consent of the Grand Master, shall request another Grand Jurisdiction to waive jurisdiction over any profane, and in the absence of such written consent a profane shall be required to qualify by residence in this State as set forth in Regulations 47-02 and 74-01(9) and the annotations thereunder, before his petition may be received by a North Carolina Lodge.

"A North Carolina Lodge may grant a waiver to a lodge in another Grand Jurisdiction without such consent."

Order No. 6

REG. 79-22 requires that a degree be completed at the same communication at which it is commenced. One of our lodges developed the habit of deferring the lectures until a later date. When the matter was brought to my attention, I reprimanded the Master and charged him to comply strictly with the law on the subject, and I ordered that the reprimand be read before the lodge and entered on its minutes.

OFFICIAL OPINIONS

Opinion No. 1

Reference is made to your letter of March 27, 1958, to Brother W. L. McIver, Grand Secretary, about a matter concerning which you request an official opinion on facts as stated by you and set forth hereafter.

FACTS:

- (A)—Mr. E.P.L.S. petitioned Biltmore Lodge No. 446 for the degrees in Masonry and was rejected on February 19, 1957.
- (B)—He still resides within the concurrent jurisdiction of Biltmore Lodge No. 446 (Buncombe County, District No. 54).

PROCEEDINGS OF THE

(C)—Mr. E.P.L.S. has petitioned Unaka Lodge No. 506, located in Unaka, Cherokee County, N. C., District No. 58, approximately 125 miles by highway from the jurisdiction of Biltmore Lodge No. 446.

(D)—Unaka Lodge No. 506 has requested Biltmore Lodge No. 446 to grant a waiver of jurisdiction over the petitioner.

QUESTION:

1. Does Unaka Lodge No. 506 have the authority to receive this petitioner?
2. Does Biltmore Lodge No. 446 have the authority to grant a waiver of jurisdiction to Unaka Lodge No. 506 within one (1) year or does it have to wait two (2) years?

ANSWER:

1. The answer to number 1 is "NO."
2. Biltmore Lodge No. 446 has no authority at any time to grant the required waiver unless the petitioner should actually reside as set forth in REG. 47-07, cited hereafter in paragraphs numbered 1, 2, 3, and 4.

The conditions under which a lodge may request or may grant a waiver of jurisdiction are clearly set forth in REG. 47-07, the first seven lines, and then the petitioner must *actually reside* in one of the following areas:

1. Within the state and within the territorial jurisdiction of the lodge that *asks for* the waiver; or
2. Within the same Masonic District in which the lodge is located that *asks for* the waiver; or
3. Within a Masonic District *immediately adjoining* the District in which the *petitioner resides*; or
4. Within another recognized Grand Jurisdiction.

Mr. E.P.L.S. does not meet any of the foregoing conditions; therefore, he is not qualified to petition Unaka Lodge No. 506, and Biltmore Lodge No. 446 has no authority to grant a waiver over him. Furthermore, REGS. 47-07; 47-17; and 78-04 denies the right of a lodge in concurrent jurisdiction to grant a waiver over a rejected resident profane within two years after his rejection, and as it is stated that Mr. E.P.L.S. is still a resident of the concurrent jurisdiction of Biltmore Lodge No. 446, he is not qualified for a waiver for that reason also. (REG. 78-04).

Unaka Lodge No. 506 should withdraw the petition and return the fees paid without further action of the lodge, as required in REGS. 72-04 and 74-02, making all reports required by REG. 74-02.

It is clear that the purpose of the amendment of 1957 to REG. 47-07 of THE CODE is to prevent a profane residing in Asheville, and making a petition by waiver of jurisdiction to the lodge in Unaka, Cherokee County, and still reside in Asheville, about 125 miles from Unaka. The lodge in Unaka having no reasonable opportunity to investigate the petitioner by personal contact as required in REG. 75-05, also whose fees may be much less; therefore, a special inducement to the petitioner. At the same time, the amended regulation provides reasonably limited areas in which waivers may be operative.

Opinion No. 2

Reference is made to your request of May 1, 1958, that our Grand Lodge lay the cornerstone of a bank building now under construction at Kannapolis, N. C. Our rule that governs us on this subject is as follows:

"REG. 93-01 (2)—If a cornerstone of a church, Masonic building, or a public building is to be laid with Masonic ceremonies, those having the matter in hand shall request the Grand Master to lay it."

You will note the restriction and that only a church, a Masonic building, or a public building are eligible for Masonic cornerstone ceremonies; therefore, a privately owned building constructed for commercial manufacturing, or other similar business purposes is not eligible for Masonic ceremonies, and the designated "Public Building" in the rule quoted above has been defined to include a public library, court house, city hall, post office, and similar government owned and operated buildings.

I regret to have to deny the request since the building in question is not eligible for Masonic ceremonies.

Opinion No. 3

Answering your letter of April 25, 1958, wherein you request an official opinion on the following facts:

A petition by Mr. D.S.Y., dated April 15, 1958, at Winston-Salem, Forsyth County, North Carolina, District No. 35; addressed to Mount Pleasant Lodge No. 573, located at Champion (Route 1, Wilkesboro), Wilkes County, North Carolina, District No. 48, for the degrees in Masonry, shows his present address as: 2288 Irving Street, Winston-Salem, N. C. (District No. 35); that he had resided at that address for five years, eleven months immediately prior to April 15, 1958, and that the fee of \$30.00 was attached. The fee in Salem Lodge No. 289 is \$75.00.

A request of Mount Pleasant Lodge No. 573 for a waiver of jurisdiction over this petitioner was granted by Salem Lodge No. 289, Winston-Salem, N. C., on April 1, 1958.

QUESTION 1: Does Mount Pleasant Lodge No. 573 have authority to receive this petitioner?

QUESTION 2: Did Salem Lodge No. 289 have authority to grant the waiver?

ANSWER: Both questions must be answered "NO."

The conditions under which a lodge may grant a waiver of jurisdiction are clearly set forth in REG. 47-07, the first seven lines, and then the petitioner must actually reside in one of the following areas:

1. Within the state and within the territorial jurisdiction of the lodge that *asks for* the waiver; or
2. Within the same Masonic District in which the lodge is located that *asks for* the waiver; or
3. Within a Masonic District *immediately adjoining* the District in which the *petitioner resides*; or
4. Within another recognized Grand Jurisdiction.

Therefore, Mr. D. S. Y. is not qualified to petition Mount Pleasant Lodge No. 573, and Salem Lodge No. 289 has no authority to grant the waiver over him.

The action of Salem Lodge No. 289 is null, void, and of no effect, and this official opinion should be entered upon its minutes of the first stated communication after its receipt.

Mount Pleasant Lodge No. 573 should withdraw the petition and return the fee paid without further action of the lodge, as required in REGS. 72-04 and 74-02, making all reports required by REG. 74-02.

It is clear that the purpose of the amendment of 1957 to REG. 47-07 of THE CODE, is to prevent a profane residing, say in Raleigh, and making a petition by waiver of jurisdiction to the lodge in Unaka, Cherokee County, and still reside in Raleigh, about 380 miles from Unaka. The lodge in Unaka having no reasonable opportunity to investigate the petitioner by personal contacts as required in REG. 75-05, also whose fees may be much less; therefore, a special inducement to the petitioner. At the same time, the amended regulation provides reasonably limited areas in which waivers may be operative.

Opinion No. 4

In your letter of May 19, 1958, you request an official opinion as to the status of the petitioner and further procedure under the following facts:

FACTS:

1. Mr. F.W.M. petitioned August 9, 1954, and was elected on October 18, 1954, to receive the degrees in our lodge No. 693 at Charlotte, N. C.
2. He failed to report within the time required. (REG. 77-02).
3. In the early part of 1958, Mr. F.W.M. requested that he be allowed to receive the degrees.
4. The Master caused the original petition of August 9, 1954, to be read and received by his lodge and says that he was acting under REG. 81-07.
5. Mr. F.W.M. was balloted on March 17, 1958, elected and notified to report for initiation.
6. He has not been initiated.

The Master now thinks he was mistaken in this procedure.

ANSWER:

1. The first election, October 18, 1954, is void for lapse of time. (REG. 77-02).
2. The reading and reception of the original petition dated August 9, 1954, and the ballot thereon, October 18, 1954, are all null and void. (REG. 76-04(14)). Regulation 81-07 does not apply in any manner. Regulation 77-02 (line 10) requires a *new petition* when the first election has expired.
3. Mr. F.W.M. must be advised of the particular errors of this lodge which contributed to his status. If he desires to make a *new petition* which must take the usual course, he is not disqualified merely because of the illegal ballot on March 17, 1958.

This official opinion must be entered in full on the minutes of the lodge at the first stated communication after it is received and a cross

reference marginal note made on the minutes of both the stated communications at which the petition was read and received, and at which the last ballot was taken, March 17, 1958.

It is inconceivable that the Master of this lodge could not distinguish between the procedure in Regulation 77-02 and in Regulation 81-07, when 81-07 clearly refers solely to advancement of an Entered Apprentice and a Fellow Craft and not to a new petitioner for degrees.

If Regulation 81-07 did apply, a new application would be required, (see lines 3 and 4 of that Regulation).

Opinion No. 5

I have your letter of May 26, 1958, in which you ask for the answer to the following proposition:

"Several members of this lodge own motor boats which are kept down on a large lake several miles from Gastonia. They would like to utilize these motor boats and take people for rides on the lake without charge, but to have boxes in each boat with a sign asking the passengers to contribute to Oxford Orphanage.

"Regulation 49-03(11) says they cannot do this, however, Regulation 95-10(3) says they can."

1. I am of the opinion, and I do so rule, that this is not a proper objective nor proper work for a Masonic Lodge either directly or indirectly.

2. I am of the opinion that this project contains too many angles that could involve Masonry in claims and law suits for personal injury and even for loss of life.

3. It is also my opinion that neither of the Regulations that you quote apply to the proposition you have described.

Therefore, I do not approve the plan and proposition submitted in your letter.

Opinion No. 6

Answering your inquiry of May 26, 1958.

FACTS:

Mr. John Wesley Burgess, born in Elizabeth City, N. C., November 19, 1928; a radio dispatcher; from 1953 through 1957 in the armed forces overseas; from December, 1957, to date of his petition, February 25, 1958, radio dispatcher, Transportation Squadron, located at Chanute A. F. Base, Rantoul, Illinois; he gives his present residence address as 409 S. Tanner Street, Rantoul, Ill., and it has been his residence for three months prior to February 25, 1958, the date of his petition to our Eureka Lodge No. 317, at Elizabeth City, N. C.

Eureka Lodge No. 317, requested a character investigation report, through our Grand Secretary, from a lodge near the residence of petitioner (Rantoul, Ill.), which brought information from the Grand Secretary of Illinois (his letter dated May 22, 1958) that the petitioner was the property of the Grand Lodge of Illinois, and if this is true, then this claim makes void the claim that any lodge in North Carolina may have had over this non-resident petitioner [REG. 47-06(5)].

QUESTION:

Does Eureka Lodge No. 317 have jurisdiction over this petitioner?

ANSWER:

There is not a single fact submitted to show that Eureka Lodge

No. 317 ever had jurisdiction over this petitioner since his birth, in Elizabeth City in 1928. [47-06(5)].

On the face of the petition and from the correspondence submitted, I must rule, that our Lodge No. 317 does not have jurisdiction. [REGS. 47-03; 74-05(1, 2)].

Further, it appears that the Grand Lodge of Illinois claims jurisdiction. The petition should be withdrawn and the fees returned because of a lack of jurisdiction by Eureka Lodge No. 317. [REGS. 67-10(28); 74-02].

Opinion No. 7

I have given your letter and the items attached thereto careful consideration. I have also investigated prior matters affecting or pertaining to non-profit insurance, or fraternal benefit companies, or societies attempting to do business under the name of Masonry in North Carolina and claiming to be conducted by, or for the benefit of Master Masons exclusively; and I am of the opinion that I have no power to authorize the "M. C. Co.," a Massachusetts corporation to advertise for, or solicit members in the State of North Carolina. I am of the further opinion that your proposed plan of advertising for, and soliciting memberships in your "fraternal benefit association" is in contravention of the declared policy and law of this Grand Lodge.

Opinion No. 8

Reference is made to your letter of June 5, 1958, enclosing a letter to you from our Grand Secretary dated May 28, 1958, his subject as shown above, in which you request an official opinion concerning Mr. E. B. M., Jr., who petitioned your lodge May 12, 1958, for the degrees, and who has been convicted of "manslaughter—slaying of his wife," served time; has been out of prison about 7 or 8 years; is not now under probation or suspended sentence, and his citizenship has been restored. You believe him to be Masonic material and request that I give you an official opinion as to his moral qualifications for the degrees in Masonry.

The Grand Master has no authority to take the place of the Committee of Investigation on a petition for the degrees, nor to dispense with any requirements of Masonic law as to the moral qualifications of such petitioner. (REG. 76-29). It is specifically the duty of the Master to see that a careful and thorough investigation of the moral character of each petitioner is made before a ballot is taken on him. (REG. 74-12; 76-01). Read carefully ALL of REG. 75-05.

The Masonic law and custom strictly require that the moral character and the conduct of a petitioner must be such as not to bring discredit upon Masonry or to degrade it in the estimation of good people, therefore, your lodge is put on notice to be extremely careful in its investigation of Mr. M. and in any other action it may take on his petition for the degrees, bearing in mind that the charter may be arrested for receiving petitioners for degrees known to be unworthy. [REG. 46-18(4)].

The moral qualification of Mr. M. is not at this time a proper subject for an official opinion by the Grand Master; it could be in the future the proper subject for action by the Grand Master or the

Grand Lodge based upon a violation of Masonic law, or for un-Masonic conduct. [REG. 46-18(4); 74-12; 78-11].

I suggest that you study very carefully the following Regulations: 46-18(4); 74-01(4, 13, 14); 74-12(1 thru 6); 76-29; and 78-11.

Therefore, I must deny your request for an official opinion as to the moral qualifications of Mr. E. B. M., Jr.

Opinion No. 9

Reference is made to your letter of June 16, 1958, under your subject as shown above and I note your request for an official opinion on the following case:

FACTS:

1. Brother R. Elbert Moss was present at the stated communication of his lodge (Glenville No. 551) on March 8, 1958, and in open lodge orally requested a Demit, which was then properly granted, and a report thereof was made to the Grand Secretary on OFFICIAL FORM NO. 49. (REGS. 84-04(1); 84-05).

2. On or about March 11, 1958, Brother Moss requested the Master to inform the Secretary that he wished to withdraw his request for the Demit and later, about May 10, 1958, he filed a written request to withdraw it, which was entered on the minutes of the stated communication May 10, 1958, but no further action was taken at that time.

3. The Demit has not been delivered to Brother Moss. (REG. 84-19).

QUESTION:

What is the present Masonic status of Brother Moss?

ANSWER: Brother R. Elbert Moss is a demitted Mason, therefore, non-affiliated. (See REG. 84-33). The Demit was properly granted by the lodge on March 8, 1958, and after the close of that stated communication the request for a Demit could not be withdrawn. (REG. 84-05). He is not a member of any lodge and to become a member again he must make a proper Application for Affiliation on OFFICIAL FORM NO. 18, attach thereto the certificate of Demit granted by his lodge on March 8, 1958, and file it with the regular lodge of his choice. (REG. 84-16).

IT IS THEREFORE ORDERED: 1. That the Secretary of Glenville Lodge No. 551, A. F. & A. M., issue the required form of Demit, date it March 8, 1958, deliver it to Brother R. Elbert Moss, and erase the name of Brother Moss from the records of the lodge as an active member.

2. That the said lodge shall make the proper reports as may be required by the Grand Secretary and he shall make the proper records to show full compliance with this official opinion.

3. That this official opinion shall be read at the first stated communication of said lodge after its receipt and entered in full on the minutes of that communication, and a marginal note shall be made on the minutes of May 10, 1958, referring to this opinion, and to the minutes on which it is recorded.

(Regulations 84-04(1); 84-05; 84-16; 84-19; 84-22; 84-33; OFFICIAL FORMS NOS. 18; 36 and 49).

Opinion No. 10

I have your request for a ruling on the withdrawal of the Petition for the degrees of Mr. Sutter.

As I understand the facts they are as follows:

"Mr. Sutter" petitioned Ayden Lodge No. 498 for the degrees in Masonry. The petition was received and processed as provided by Masonic Law. Ballot on the petition of Mr. Sutter resulted in his election to take the Degrees in Masonry. Prior to his initiation an objection to his initiation was made in the proper manner and another ballot requested.

Your question is "Can the petition of Mr. Sutter be withdrawn and no further action on it taken by the Lodge?"

The answer is no, it cannot be withdrawn.

Regulation 73-09 of THE CODE reads as follows: "No petitioner for the degrees shall withdraw his petition except by unanimous consent of the lodge, which does not require the secret ballot, nor shall any such petition be withdrawn after any member of a Committee of Investigation shall have reported unfavorably, nor after a ballot has been taken thereon. If the petition is withdrawn the fee shall be returned. No one but the petitioner may request withdrawal of his petition; and his request must be in writing, signed by him, and filed with the Secretary."

This regulation clearly prohibits the withdrawal of a petition under the circumstances related to me and as stated above.

Regulation 81-02 provides the procedure for handling problems such as this to which you are referred and with which you must comply.

Opinion No. 11**FACTS:**

BROTHER J. H. C. was a member of St. Edward's Lodge No. 966, Leek, England; he applied for affiliation with our Forsyth Lodge No. 707 on February 1, 1958, but his application was not complete because there was not attached to it a demit issued by St. Edward's Lodge No. 966, nor a written request to that lodge for a demit as required by Regulation 83-06 or 83-20, for which reason our Grand Secretary has not certified or returned the application to our No. 707. Considerable effort has been made by Brother C. to obtain a formal demit and as a result, V. W. J. W. Stubbs, Grand Secretary of the United Grand Lodge of A. F. & A. M., of England, wrote Brother C. on July 3, 1958, in part, as follows:

"The statement made by the Secretary of St. Edward's Lodge No. 966 that the printed form referred to is not in use over here is quite correct, and I now confirm that, having been initiated in St. Edward's Lodge on 1st November, 1951, and subsequently duly Passed and Raised therein, you are now registered in the books of the United Grand Lodge of England as having ceased membership of that Lodge by resignation as from 31st December, 1957.

"In support of your application for membership it would be quite in order for you to produce this letter to the Secretary of the Forsyth Lodge who, if necessary, may forward it to

his Grand Secretary and it, in conjunction with the letter already issued to you by the Grand Lodge of North Carolina in this matter. I enclose a carbon copy of this letter for your use."

QUESTION:

Is the information contained in the letter from the United Grand Lodge of A. F. & A. M. of England, quoted above, sufficient to serve in the place of an absolute demit in this case? [REG. 83-06(1, 2, 3)].

ANSWER:

Yes. Since neither our form of demit (OFFICIAL FORM NO. 36) nor anything similar to it, is in use by the United Grand Lodge of England, the foregoing declaration by the Grand Secretary of that Grand Lodge to the effect that the applicant had resigned (or ceased) his membership in St. Edward's Lodge No. 966 as of December 31, 1957, and that it is so recorded in the records of that Grand Lodge, is sufficient in all respects to establish his withdrawal and to serve as an absolute demit.

When Brother "C." resigned his membership in No. 966, he certainly "withdrew", and that was equivalent to "Demitting." (REG. 84-01).

Opinion No. 12

FACTS:

I have interpreted Regulations 63-08, 67-15(7), and 67-16(21) to mean that each subordinate lodge must require a bond of the Treasurer and the Secretary, the amount of bond and method of obtaining it to be determined by the lodge. One of the lodges in my District has taken issue with me, stating its interpretation of those Regulations to mean that the lodge may or may not determine if those officers are to be bonded, and if so, the amount and method are to be determined by the lodge.

QUESTION:

Am I correct in my interpretation?

ANSWER:

No. The lodge is correct. Bonds are not *required* of those officers unless so stated in the by-laws of the lodge. In this case, our Lodge No. 598 does not *require* such bonds, because its by-laws are silent on the subject. (See also: [REGS. 50-01 (Art. 20) note at bottom of page 111 of THE CODE; 50-02(5)].

Opinion No. 13

The correspondence before me does not show in what Masonic District the petitioner for the degrees actually resides. If he resides in District No. 23 (in which Raleigh is located) and has filed a petition with Mount Lebanon Lodge No. 117 located at Wilson, N. C., in District No. 17, then Hiram Lodge No. 40 of Raleigh (in District No. 23) has no authority to grant a waiver of jurisdiction over him because District No. 23 does not adjoin District No. 17. See Regulation 47-07 as amended April 17, 1957.

Opinion No. 14

The photocopy of the petition indicates that MR. DAVID ALEXANDER MCLEAN, a Missionary residing at A.P.C.M., Kashar Luputa, Belgian

Congo, while on furlough, living at R.F.D. No. 1, 3½ miles North of Eagle Springs, North Carolina, petitioned our Lodge No. 437 on May 8, 1958, for the degrees in Masonry, and in the petition clearly stated, in answer to item 4, that he had *not actually and continuously resided within the State of North Carolina for not less than one year immediately prior to the date of his petition*, as required in Regulations 47-03; 47-04; 47-05 and 74-01(9). No waiver of jurisdiction by a regular lodge is attached.

He is not qualified under the quoted regulations; therefore, his petition should be withdrawn and the fees returned to him, because neither the Grand Master nor the lodge has authority to set aside the required residential qualifications of a petitioner. His intention to reside within the jurisdiction of No. 437 at some indefinite time in the future cannot be considered until it has been actually fulfilled, he may change his mind and reside elsewhere. [REGS. 67-10(28); 70-02(3, 4); 74-02; 75-02; 75-16].

Opinion No. 15

Reference is made to your inquiry of August 27, 1958, about a proposed dance during an event to be held in the name of and under the auspices of the lodge, but not to be held in or about the lodge building. [REGS. 49-03(16) and 97-02(34)].

After careful investigation and consideration it is my opinion that it would not be proper, and in keeping with Masonic objectives, to permit dancing under the auspices of, or in the name of, a Masonic Lodge, and I so rule. (REG. 60-07).

Opinion No. 16

Reference is made to your letter of September 22, 1958, to me, copies of which were sent to other interested parties; about the validity of the Certificate of Consent to the Organization of a New Lodge as Burnsville U.D., being OFFICIAL FORM NO. 3, issued by Bakersville Lodge No. 357 on September 18, 1958, said Certificate being altered by the endorsement *** "subject to Enclosure No. 1", *** and the said enclosure reading as follows:

*** "ENCLOSURE NO. 1: Bakersville Lodge considers the Boundary and dividing line between the two lodges to be the North Toe River and requested in a vote taken September 18 to have this included with our Certificate of Consent". ***

The said Certificate is void and of no effect because it directly conflicts with Regulations 44-02(2); 44-05(2) and 44-20; furthermore, Note 6 on the official form states plainly that the printed part of the Form shall *not be changed*.

A lodge has no authority to fix its territorial jurisdiction different from that specifically prescribed in Regulation 44-20 and 48-02. This is a subject solely for the Grand Lodge to consider at its Annual Communication. [2-06(3); 48-09; 48-13].

Bakersville Lodge No. 357 may refuse, or it may grant, its consent to the formation of Burnsville Lodge U.D., but it cannot *qualify* its action by reservations or exceptions, as it has attempted to do. See REG. 44-05(2); therefore, the action of No. 357 in this case is null and void.

You should send another copy of OFFICIAL FORM No. 3 to Bakersville Lodge No. 357, in the event it should desire to take further action in this matter.

Opinion No. 17

In your letter of September 20, 1958, you state that it is common practice in the lodges in your area for the members to applaud a candidate after he has been examined for advancement, and that several brethren feel that this practice is not doing Masonry any good and should be discontinued, and you ask for my opinion on the subject.

We sometimes see the enthusiasm of many of our brethren exceed their better judgment. It occurs to me that such is the case here. When applause is given in all cases without exception, to the mediocre as well as to the apt and more proficient candidates, it ceases to be honorable recognition of a job well done and becomes commonplace and without the virtue intended to be recognized by applause.

I think that applause in connection with any part of the degree work is entirely out of place, because we should endeavor to create a solemn and serious atmosphere in which the degree work may be more effectively impressed upon the candidate, and not to create an atmosphere of gaiety or levity.

It seems natural for an audience to applaud at a circus, theatre, ball game, and other places because of the atmosphere created by the event and the actors, but conferring Masonic Degrees should certainly not be thought of in the same category as a form of ordinary entertainment. We do not applaud in church, however much we may restrain the desire to do so sometime.

At first thought such conduct may appear to be inoffensive, but when we consider the possibilities for genuine harm to our overall Masonic objectives, or when we relate it specifically to our degree work, it could and may be definitely detrimental by destroying or impairing the serious aspects of the work and the lessons we attempt to convey.

We know that only the Master may pass upon the proficiency of a candidate. It would be ridiculous if not farcical if the examination having been completed, the members applaud, and then the Master state that the candidate is NOT proficient. It is not impossible for such a condition to arise. Neither is it impossible for such applause to affect the judgment of a Master as to the proficiency of the candidate.

The conduct, although it may be harmless at other times and places, is out of place under the circumstances you relate. The correction of this condition by persuasion and education should be the job for all of our brethren who agree with that principle.

Opinion No. 18

In your letter of September 25, 1958, you ask if it was in error for the lodge to exclude certain members, as named in the minutes, for non-payment of dues on August 18, 1958, this being the last stated communication prior to the September, 1958, dead line.

I have examined the photocopies of the minutes of the stated communication of your lodge dated September 2, 1957, wherein it is recorded that the Secretary had complied with REG. 85-33, and that the Official Notice of Delinquency had been sent on September 1, 1957, to each member as described in the Regulation; November 4, 1957, wherein it is recorded that twenty-two (22) named members had each

been given an extension of time in which to pay their dues to the stated communication August 18, 1958; and August 18, 1958, wherein it is recorded that fifteen (15) named members were upon motion duly excluded for non-payment of dues; and from these records, I am of the opinion that the brethren named in the minutes of August 18, 1958, were each legally excluded for non-payment of dues on that date.

I suggest however, that OFFICIAL FORM NO. 24 should be actually entered in full upon the minutes of the first stated communication in November, as indicated in the form and in Regulations 85-33(1) and 85-34 (Lines 3 through 7). This certificate, not having been recorded in full in this case, is an irregularity and is not necessarily illegal.

Opinion No. 19

Reference is made to your letter of October 7, 1958, in which you make two requests, first, that I give you permission to hold dual membership in The American Lodge of Research, F. & A.M., located in the City of New York, New York, and second, that I give you permission to dedicate The Cup and The Book of the Greensboro Masonic Museum as described hereafter, on March 10, 1959, in a special communication of Greensboro Lodge No. 76.

By reference to THE CODE of our Grand Lodge at Regulation 60-05, 83-01 and 97-02(49), you would have seen that it is a Masonic offense for a member of a North Carolina Lodge to hold dual or plural membership in any other lodge, and by reference to Regulations 16-06(6) and 95-19, you would have seen that your proposed ceremony to dedicate The Cup of Masonic Good Will and The Book of Masonic Good Will not having been approved by the Grand Lodge is forbidden by law; therefore, no lodge in this state can permit your ceremony to be performed in it. The Grand Lodge has not adopted or approved any such ceremonies as you propose.

I regret that you did not clear with me this second matter before you made your plans and invited a speaker, but the law of our Grand Lodge is clear and must be observed by me and also by you; therefore, your two requests being in direct violation of the written law, must be denied.

Opinion No. 20

You asked for an official opinion in the following case:

At the time Brother Fred Isler Sutton, Jr., petitioned and was elected, he was physically qualified for the degrees; after he received the degree of Fellow Craft, he accidentally lost the index finger of the right hand, but the knuckle is intact. He can substantially comply with REG. 74-01(10).

His case comes under REG. 79-07, wherein the Grand Master may authorize his advancement to the degree of Master Mason, so far as this particular deformity is concerned.

REG. 74-04(6) applies ONLY to *petitioners* for the degrees, and not to those having received a degree. Compare REG. 79-07 on page 174 of the first issue of THE CODE in 1948 with the amendment of April 17, 1957, and it will appear that the *new* amendment to that regulation gave the Grand Master control over just such cases as this one and also to stop the advancement of a candidate who may be

maimed after initiation to such an extent that he could not function in any reasonable manner; for example, complete paralysis. There was no such control prior to 1957.

We usually refer to the profane who has petitioned for the degrees and has been elected, as a petitioner; after his election he is referred to as a candidate, and after initiation as an Entered Apprentice, and so on. REG. 74-04(6) refers specifically to a *petitioner*, and 79-07 refers specifically to an Entered Apprentice and Fellow Craft.

The Fellow Craft may be advanced if and when he is qualified as required by THE CODE.

Opinion No. 21

At your request, the plan for presentation of medals by Greensboro Lodge No. 76 for meritorious service to Masonry was brought before the Board of General Purposes for discussion at its March 14, 1958, meeting, and as a matter of policy the presentation of such medals by subordinate lodges in the Grand Jurisdiction was disapproved by that Board. It appears, therefore, that you were incorrectly advised on March 15, 1958, of the action taken. The Grand Lodge is the only authority to grant your request. Greensboro Lodge must be governed accordingly.

Opinion No. 22

The question of jurisdiction over this petitioner arises from the following facts:

That said petitioner gave CMR 523, Box 579 (Wilkinson Boulevard) Charlotte, N. C., as his residence address. The actual residence of the petitioner is said to be about 4 miles west of Charlotte, but is admitted to be about $\frac{1}{2}$ mile nearer the Charlotte Lodges (concurrent jurisdiction) than it is to Mount Holly Lodge No. 544. To support the petition, the Secretary of Mount Holly Lodge requested and received waivers of jurisdiction from seven of the eight Charlotte lodges in this chronological order:

Joppa Lodge No. 530, May 2, 1958.

Friendship Lodge No. 700, May 2, 1958.

East Gate Lodge No. 692, May 5, 1958.

Excelsior Lodge No. 261, May 5, 1958.

St. Andrew Lodge No. 702, May 7, 1958.

Temple Lodge No. 676, May 8, 1958.

Charles M. Setzer Lodge No. 693, May 19, 1958.

The eighth Charlotte lodge, Phalanx Lodge No. 31, refused upon request to waive jurisdiction to Mount Holly Lodge on May 6, 1958.

Both Joppa Lodge No. 530 and Friendship Lodge No. 700 hold their Stated Communications at 7:30 P.M.

I am of the opinion that Regulation 48-07 of THE CODE (1957) controls and that the action of either Joppa or Friendship Lodge released the petitioner to Mount Holly Lodge and I so rule. Although I cannot establish the exact hour and minute of such action on May 2, 1958, I am of the opinion that the waiver of May 2, 1958, releases jurisdiction over said "W. L. N." and renders the refusal of Phalanx Lodge to waive jurisdiction over him of no effect.

PROCEEDINGS OF THE

Opinion No. 23

You have asked for a ruling on the territorial jurisdiction over a petitioner residing in the town of Granite Quarry.

FACTS:

Granite Quarry is an incorporated town situated midway between Rockwell, in which Keller Memorial Lodge No. 657 is located, and Salisbury, in which Fulton Lodge No. 99 and Andrew Jackson Lodge No. 576 are located. The incorporated town of Granite Quarry which has no Masonic lodge is equidistant from Rockwell and Salisbury, but the residence of the petitioner in the town of Granite Quarry is nearer the Salisbury lodges than it is to Keller Memorial Lodge.

QUESTION:

Which of the three lodges named above has jurisdiction over the petitioner?

ANSWER:

The answer to this jurisdictional question may be found at Regulation 48-02(3) of THE CODE (1957) which declares the territory within a city or incorporated town, having no Masonic lodge but equidistant from two or more lodges, such lodges shall have concurrent jurisdiction within the corporate boundary of such city or town. Based on the evidence submitted to me I believe the three lodges, i.e., Fulton No. 99, Andrew Jackson No. 576 and Keller Memorial No. 657 to have concurrent jurisdiction within the corporate boundary of the town of Granite Quarry, and I so rule.

Opinion No. 24

From the information before me, you violated the provisions of REG. 85-34(3) when you granted Brother Phillips an extension of time within which to pay his dues to a date which was not a date on which Snow Lodge met for Stated Communication.

To correct the error, you should show in the margin of the minutes of the meeting at which Brother Phillips was excluded that he was excluded illegally. He must be carried on the rolls of your lodge and Regulations 85-32, 85-33 and 85-34 complied with. If, at the first Stated Communication of Snow Lodge in November of next year (1959), Brother Phillips owes any dues he may be excluded, or, if he owes dues only for 1959, he may be excluded or he may be given an extension of time (a certain date on which Snow Lodge holds a Stated Communication, but not beyond September 1, 1960) in which to pay his dues.

Opinion No. 25

You have asked for an official opinion on the following-named question:

QUESTION:

Is it contrary to REG. 68-08 (or any regulation of THE CODE) for a lodge to vote to contribute monies to organized charity askings—such as American Red Cross; March of Dimes; United Fund; T. B.; Crippled Children, et cetera.

ANSWER:

Yes, it is. A lodge has no authority to vote to contribute money belonging to the lodge to such organizations as those named in the

paragraph above, and it is not permissible under the regulation cited (REG. 68-08) for a lodge or the officers of a lodge to contribute lodge funds to them or to any one of them.

It is permissible, of course, for Masons, as individuals, to contribute to these and other charities of their choice, but lodge funds cannot be used for this purpose.

Opinion No. 26

It appearing to me that Brother Robert Earl Schurkamp, of our Greensboro Lodge No. 76, applied to his lodge for a demit on or about July 19, 1956, and on August 11, 1956, the Secretary of our No. 76 issued to him a Certificate of Good Standing on the OLD N. C. OFFICIAL FORM 9, in use prior to April 17, 1957, in which it was stated that the dues had been paid to December 31, 1956; also it was therein stated, in effect, that the Certificate would be considered as a Demit as of the date of election, in the event the brother named therein should be elected to membership in any regular lodge upon the basis of and because of that Certificate.

It appears further that on September 6, 1956, the brother was in good faith, upon the basis of the said Certificate of Good Standing, elected to membership in Allen Park Key Lodge No. 580, Allen Park, Michigan. However, no report of said election was made to either our Lodge No. 76, nor the office of our Grand Secretary, until after the brother had been Excluded for Non-Payment of Dues by our No. 76.

It also appears that our Greensboro Lodge No. 76 excluded the brother on November 13, 1958, for Non-Payment of Dues.

Upon the foregoing facts, I am of the opinion that the basic error was in not granting the requested DEMIT, but issuing a Certificate of Good Standing instead, and that the other errors flowed naturally out of that one; therefore, I declare that the election of Brother Schurkamp to membership in Allen Park Key Lodge No. 580, Michigan, is in all respects valid and that it was in good faith, and he became a member of that lodge upon said election and was thereby automatically demitted from our Lodge No. 76 by virtue of our Certificate of Good Standing, as issued by Greensboro Lodge No. 76, and that the Exclusion for Non-Payment of Dues on November 13, 1958, by our No. 76 is void and invalid, because the brother was not at the time a member of their lodge.

Our Greensboro Lodge No. 76, and the office of our Grand Secretary, will each make and/or correct their records to conform to this Opinion. The Grand Secretary will give further instruction as may be necessary to correct such records and to adjust any financial matters arising out of the case.

This Opinion shall be read at the first stated communication after its receipt by Greensboro Lodge No. 76 and recorded on the Minutes of that communication.

Opinion No. 27

Reference is made to your inquiry of January 23, 1959, for an official opinion on the following:

FACTS:

Brother "A" is an active member of "LL" lodge in Georgia. He has resided for sometime within the jurisdiction of our "AA" lodge.

He now desires to become an active member of our "AA" lodge. Our "AA" lodge has made him an honorary member.

QUESTIONS:

1. What will be the status of his honorary membership if he is elected to active membership in our "AA" lodge?
2. What procedure is to be followed to complete his active membership in our "AA" lodge?

ANSWER:

The honorary membership of Brother "A" in our "AA" lodge depends entirely upon his active membership being continuously in another lodge, REG. 89-01, therefore, he cannot be both an active and an honorary member at the same time in our "AA" lodge. He must attach to his application for affiliation on N. C. OFFICIAL FORM NO. 18 a written resignation of his honorary membership duly signed by him to become effective automatically upon his election to active membership in our "AA" lodge. If he is elected on his application for affiliation, then his resignation as an honorary member takes effect automatically and immediately, and such resignation must be recorded in the minutes and must be reported to the office of our Grand Secretary on N. C. OFFICIAL FORM NO. 49, "Doings at a Stated Communication" as a miscellaneous subject under Item VIII. His honorary membership held in any lodge in North Carolina other than our "AA" lodge is not affected whether or not he is elected to active membership in our "AA" lodge. There is no particular form for the resignation of honorary membership; provided, it is in writing, states that it is a resignation of such honorary membership, and is signed and dated by the brother.

Opinion No. 28

It appears to me from the evidence submitted in this matter that:

1. The petitioner resided in Moorestown, N. J., from August 23, 1956, to February 15, 1958.
2. He resided in El Paso, Texas, from February 15, 1958, to April 1, 1958; in Port Hueneme, California, from April 1, 1958, to June 28, 1958; and in El Paso, Texas, from June 28, 1958, to August 23, 1958, the date on which he petitioned Snow Lodge for the Degrees in Masonry.
3. The information submitted regarding the residence of the petitioner has been altered without authentication.

I must assume, therefore, that the information regarding the petitioner's residence was correct as originally presented and that his residence was in El Paso, Texas, at the time he petitioned Snow Lodge for the degrees.

I am of the opinion that:

1. New Jersey lost jurisdiction over the petitioner with the removal of his residence from that state, and
2. Texas had not acquired jurisdiction over him on August 23, 1958, the date of the petition.

The request for a waiver is therefore denied.

Opinion No. 29**QUESTION:**

May a lodge make a donation from its funds for a community center?

ANSWER:

No. It is my opinion that this objective is not a Masonic purpose for which a donation may be made from the funds of the lodge. Of course, donations to the project by individual members of the lodge is a personl matter. (REGS. 16-04.9; 68-08; 95-08 first two lines).

Opinion No. 30

You ask for an official opinion on the following:

FACTS:

1. On April 5, 1957, Brother Richard Columbus Hill, a member of our Albemarle Lodge No. 703, applied in due form for affiliation with our Stanley Lodge No. 348.
2. On June 7, 1957, the member requested in writing that his application be withdrawn; this written application was in the hands of the Secretary of the lodge at the time the Master deferred its presentation to his lodge at the stated communication of the same date with the application (June 7, 1957); the reason for the deferment is not given.
3. At the stated communication of Lodge No. 348 held August 2, 1957, the application for affiliation was presented and upon ballot the brother was elected; notwithstanding the pending written request of the brother for its withdrawal.

QUESTION:

What is the Masonic status of Brother Richard Columbus Hill?

ANSWER:

The ballot taken August 2, 1957, is illegal and the election is VOID. His membership in Albemarle Lodge No. 703 has not been affected by the *illegal* ballot taken August 2, 1957, on his application in Stanley Lodge No. 348, because he had a right to request the withdrawal and return to him of his application for affiliation at any time before the ballot by complying as he did with Regulation 83-18. Furthermore, it appears in the record that Stanley Lodge No. 348 itself has not considered the brother to be a member and has not collected dues from him nor reported him on any annual return made to the office of the Grand Secretary. On the other hand Albemarle Lodge No. 703 has collected dues and reported the brother as its member.

This official opinion shall be read at the first stated communication after its receipt by Stanley Lodge No. 348 and also Albemarle Lodge No. 703, and entered in full on the minutes thereof.

The proper records must be made in both lodges and in the office of the Grand Secretary.

Opinion No. 31

Not only did Brother H. J. K. request in writing a demit from Winston Lodge No. 167 but he has retained the document and did not return it or offer to return it when the subject was fresh and a matter of correspondence at the time the demit was granted. Now he alleges

that the document has been lost, which no doubt is true, but there was a time when he could and should have returned it and made it perfectly clear to the lodge that he did not ask for or intend to request the demit; this he did not do.

He has been since July 1, 1951, a demitted Mason under Regulations 84-01; 84-04; and 84-05. If he desires to reaffiliate with Winston Lodge No. 167, he must comply with Regulations 84-13 and 84-16.

Opinion No. 32

You have asked for an opinion and a ruling based on the following facts:

FACTS:

Mr. Hugh Grady Black, Jr., petitioned Friendship Lodge No. 700 for the Degrees in Masonry in the proper manner. The petition for the Degrees went through the usual process and came up for ballot at the stated communication of Friendship Lodge on March 6, 1959. After all members present had voted, the Master ordered the ballot closed and exhibited. The report of each of the three officers was that the ballot was "foul" and the petitioner thereupon was declared by the Master to be rejected for the Degrees, when, as a matter of fact, only one dissenting vote or black cube had been cast. In reporting this violation to me you were unable to assign any reason for your action in calling for a report from the Wardens other than that you were preoccupied and "had so many things on your mind."

QUESTION:

1. Is this ballot illegal or irregular?

ANSWER:

Yes, the ballot is illegal and void because it violated the provisions of Regulation 76-04(6) of THE CODE, which declares that a rebalot should have been had immediately without discussion.

QUESTION:

2. Can another ballot be taken on the petition of Mr. Hugh Grady Black, Jr.?

ANSWER:

Yes, under Regulations 76-16 and 78-01. I am of the opinion that the ballot taken on this petitioner on March 6, 1959, is not valid and is, therefore, void and of no effect and that another ballot should be taken on the petition, complying strictly with Regulation 78-01.

A dispensation is herewith granted to Friendship Lodge No. 700 under Regulation 78-01 to ballot again on the petition of Mr. Hugh Grady Black, Jr., for the Degrees in Masonry. The ballot shall be taken at the stated communication of Friendship Lodge to be held on April 3, 1959, and all members of the lodge shall be given not less than 10 days' notice, by first-class mail under sealed cover, stating the time and place of the rebalot.

Opinion No. 33

Kindly advise if it would be possible to present a 50 year lapel pin, posthumously, to the family of a member who had completed 50 years Masonic membership, but who passed away March 23, 1958. Do we have authority, under REG. 88-08 to issue a Veteran's Emblem in this case?

The Grand Secretary does not have authority to issue and Doric Lodge does not have the authority under that Regulation, to present a Veteran's Emblem posthumously. The Regulation cited above is clear that the Emblem can be presented only to a Master Mason in good standing.

Opinion No. 34

I apologize to you for my delay in answering your inquiry regarding the posthumous presentation of a Veteran's Emblem to a deceased member.

Under THE CODE there is no provision for a Veteran's Emblem or Certificate to be presented posthumously. If you will read REG. 88-02, you will find that it provides only for the presentation of these awards to Master Masons in good standing.

The awards cannot be presented posthumously to members of the family of the brother.

DISPENSATIONS GRANTED

During the year I granted dispensations as follows:

1. Seventeen (17) dispensations to elect officers because the lodges failed to elect officers at the time provided therefor in their by-laws, principally because of inclement weather, and also because elected officers declined to be installed.
2. Five (5) dispensations to five lodges to hold one emergent communication each in places other than their regular meeting halls [REG. 16-04(8D)]. In all five dispensations the lodges were instructed to see to it that the meetings were properly tyled and free from cowans and eavesdroppers, which requirement I did not have authority to waive.
3. I granted three (3) dispensations under REGS. 29-01(1) and 79-20 to:
 - (a) Lowell Lodge No. 590, to invite brethren from the State of Georgia to confer the Master Mason Degree in Lowell Lodge on a convenient date between July 15, 1958, and August 15, 1958.
 - (b) Temple Lodge No. 676, to invite brethren from the State of South Carolina to confer the Master Mason Degree in Temple Lodge on a convenient date between September 20, 1958, and October 11, 1958.
 - (c) Vance Lodge No. 293, to invite brethren from the State of Georgia to confer the Master Mason Degree in Vance Lodge on a convenient date between March 15, 1959, and April 20, 1959.
4. The lodge hall of Person Lodge No. 113 was severely damaged by fire on January 14, 1959. The brethren requested a dispensation to hold their meetings in the Roxboro Shrine Club Building, located in the jurisdiction of Person Lodge, until March 15, 1959. I granted a dispensation to hold all meetings of Person Lodge No. 113 in this building until May 1, 1959, under powers invested in me by REG. 16-04(8G).
5. On May 28, 1958, I granted a dispensation to Newport Lodge No. 706 to:

- (a) Meet on the first floor or ground level of a building.
- (b) Change the place for holding communications of Newport Lodge.

I did so in this manner:

"Due to an emergency caused by the destruction of the building in which your lodge held its communications, and because of which a dispensation was granted by M. W. Charles A. Harris, Grand Master, on January 3, 1958, to your lodge to hold its communications in the lodge hall of Ocean Lodge No. 405 at Morehead City, North Carolina; and for the reason that your lodge now desires to hold its communications in the one-story building owned by the *Woodmen of the World*, and located in the town of Newport, North Carolina, within the territorial jurisdiction of your lodge:

"NOW, THEREFORE; by authority of Regulation 49-04, I do hereby grant a dispensation to Newport Lodge No. 706, A.F. & A.M., to hold its communications in the one-story (first floor or ground level) building owned by the *Woodmen of the World*, located in Newport, Carteret County, North Carolina; provided, however:

1. That said building and premises are suitable for a Masonic Meeting and can and will be properly tyled, all of which is the strict responsibility at all times of the officers and members of said lodge, and
2. That written notice shall be given to each member of said lodge of the place above designated for its communications, and
3. That immediate action shall be taken by said lodge and to amend its by-laws as required by Regulation 55-01 to provide for this change of meeting place. See also REG. 50-01 (Art. 8, Sec. No. 3) Page 109 of THE CODE as revised 1957, and
4. This dispensation shall be recorded in full in the minutes of the first stated communication held after its receipt.
5. All dispensations heretofore granted to this lodge on this subject, or which are in conflict herewith, are hereby repealed and made void.

"This dispensation shall be in effect until hereafter amended or repealed."

DISPENSATIONS DENIED

I declined to issue dispensations requested as follows:

1. White Stone Lodge No. 155, to elect a Junior Warden to fill a vacancy created by death (REG. 65-19).
2. Guilford Lodge No. 656, to elect a Secretary to fill a vacancy created by death. Regulation 65-02 of THE CODE provides for the election, without a dispensation, to fill a vacancy in the office of Secretary.
3. Lafayette Lodge No. 83, to reballet on a petitioner for the Degrees in Masonry. The lodge did not submit to me any positive or unquestionable evidence that the ballot had on the petitioner was clearly and grossly illegal, or that the lodge actually balloted on the wrong person, or that the ballot was in any way irregular as required by REG. 76-16. Therefore, the request for a dispensation was denied.

4. Unaka Lodge No. 506, to hold a stated communication of Unaka Lodge on August 6, 1958, in a rock quarry at Hiwassee Dam, N. C., for the purpose of conferring the Master Mason Degree. This dispensation was denied for it is my opinion that such a meeting would have been in violation of Article 8, Section 3, of the lodge's By-laws. In addition, no emergency under which I could have issued a dispensation under Regulation 16-04(8G) existed. Further than this, I could find no regulation in THE CODE which empowers the Grand Master to issue a dispensation to hold a communication of a lodge, either stated or emergent, in the open, where the possibility of the work's being seen or the ritual heard by those not entitled to do so, is present.

ONE-STORY LODGE BUILDINGS

Three lodges requested permission to construct and occupy one-story lodge buildings during the year. In all cases the requests were approved, subject, however, to prior approval by the Lodge Service Commission, and provided that the lodge rooms could be properly tyled and free from cowans and eavesdroppers. The lodges requesting these dispensations were:

Thomas M. Holt Lodge No. 492, Graham.

Wayne Lodge No. 112, Goldsboro.

Goldsboro Lodge No. 634, Goldsboro.

I direct your attention, also, to a dispensation issued by me on May 28, 1958, to Newport Lodge No. 706, Newport, to meet in the first floor or ground level of a building and to change the place for holding its communications. My action in this matter is being reported to you under the heading "Dispensations Granted."

BALLOT ON AND INITIATION OF CANDIDATE AT SAME STATED COMMUNICATION

On December 8, 1958, the Acting Grand Secretary advised me that at its stated communication of June 4, 1957, Fuquay Lodge No. 258 balloted on the petition for the degrees of Mr. Willie Lee Hester and then conferred on him the first degree at the same communication in direct violation of Regulation 79-30(1).

Due to the long lapse of time between the violation and the discovery and reporting thereof, I considered a reprimand adequate punishment for this offense. This I did on December 17, 1958, but I further required "That this illegal act may not become standard practice in Fuquay Lodge, it is my order that this reprimand be read at the next Stated Communication of Fuquay Lodge and that it be recorded in the minutes thereof. I further order you to report to me over the seal of the lodge that this order has been complied

with. Your failure to do so will subject you to further disciplinary action."

The reprimand was read at and made a part of the minutes of the Stated Communication of Fuquay Lodge held on January 6, 1959.

MASONIC DISTRICTS

In the development of the district system of Grand Lodge supervision of subordinate lodges, it was but natural that territorial limits of Masonic districts, into which the state had been divided, needed from time to time to be amended. As a consequence, a somewhat incongruous situation resulted: the 4th and 45th Districts lay side by side and the 10th and 52nd Districts adjoined. These are but two of several such examples. I created two new districts and renumbered all districts in the State, beginning with number one in the northeastern section and ending with number 58 in the extreme western portion of our jurisdiction. Only one expression of dissatisfaction with my action of renumbering and contracting the districts, and allocation of lodges to the several districts, was voiced.

DISTRICT DEPUTY GRAND MASTERS

I wish to express to my District Deputy Grand Masters my appreciation and gratitude for their helpfulness and cooperative attitude during my year as Grand Master.

Obviously the Grand Lodge, and more especially the Grand Master, needs the services and assistance of the District Deputy Grand Masters, for in and through them does the Grand Master instruct the Craft. As a matter of fact, the District Deputy Grand Masters are the connecting links between the Grand Master and the several lodges under his jurisdiction. Theirs is a most important function. It is the District Deputy Grand Master to whom lodge officers generally first turn for assistance and guidance in conducting the affairs of their lodges. Yet, the only basic qualification required of a brother by THE CODE to become a District Deputy Grand Master is that he be a Master or a Past Master.

Certainly upon reflection you will agree with me that this most important of assignments should be filled only by one fully conversant with all aspects of Masonry. Only an understanding brother who has served his lodge well as its presiding officer should be selected for this office, but more important still, should he be possessed of a full knowledge of Masonic law and usage.

You will agree with me, further, that the roster of Certified Lecturers has served well as a root from which has developed our splendid system of District Deputy Grand Lecturers, who have so capably assisted in promoting the degree of proficiency at which our lodges have arrived in conferring the Work.

I am of the opinion that the lackadaisical and inefficient manner in which our lodge affairs are too often conducted could be in great measure cured by properly trained and well equipped District Deputy Grand Masters. I believe, further, that a system of qualification, training and examination in Masonic law and usage for brethren, and from whose ranks our District Deputy Grand Masters may be eventually chosen, to be entirely feasible. A system of training and certification in Masonic law similar to our system of certifying brethren learned in the ritual is what I have in mind. A group of certified brethren from whose body our District Deputy Grand Masters could be chosen would increase immeasurably the dissemination of that law and usage among the officers and brethren generally.

I recognize that such a system cannot be devised overnight. Therefore, I recommend to this Grand Lodge that the incoming Grand Master be authorized, empowered and directed to appoint a committee of qualified brethren to study this proposition and report their recommendation as to its feasibility and practicality.

HONORARY TITLE OF PAST DISTRICT DEPUTY GRAND MASTER

I recommend that the Grand Lodge grant the honorary title of *Past District Deputy Grand Master* to the following-named brethren, each of whom is qualified therefor in accordance with the provisions of Regulation 12-05 of THE CODE:

RITUALISTIC WORK

It has been my happy privilege to serve the Craft for eleven years as a member of the Board of Custodians, several of them as its Chairman. During this decade I have observed a great improvement in the proficiency of the lodges in conferring the Work. There were several contributing factors to this improvement in the ability of our lodges to confer the degrees correctly, properly and impressively. Our 429 Certified Lecturers have contributed much; their services are appreciated and are now indispensable. The enthusiasm of the brethren, uncertified though many of them may be, has also contributed greatly in delivering the several lectures and accurately conveying the messages of our Masonic ritual to the candidates for the degrees.

I wish particularly, however, to commend W. . William Knox Price, Grand Lecturer, and his immediate predecessor, W. . William Edward Burrier, for the fine manner in which they have assisted the Board in its duties and the understanding and gentle, yet firm, way in which they have worked through their very efficient and capable District Deputy Grand Lecturers in bringing our lodges to the state of proficiency at which they have arrived.

A detailed account of the activities of the Board of Custodians and the Grand Lecturer will be made at the appropriate time, but it does my heart good to be able to say to you that the greatest number of Schools of Instruction ever held in one year and the largest number of lodges participating therein will be reported to you. I believe, too, that only one lodge will be reported as delinquent under Regulation 35-09, which requires lecture service every two years. An excellent record of achievement.

I am deeply grateful to all who participated to produce the wonderful record for the year.

**25 YEAR SERVICE AWARDS AND
50 YEAR VETERANS' EMBLEMS**

The Acting Grand Secretary will report to you that there were presented during the year 247 Twenty-five Year Service Awards and 78 Fifty Year Veterans' Emblems.

In this regard, I direct your attention to two official opinions issued by me during the year, one to Richlands Lodge No. 564 in reply to a request from that lodge if a 50 Year Veteran's Emblem could be presented posthumously to their deceased brother, Abner Franklin Shaw, and the second to the Acting Grand Secretary upon a request

from Doric Lodge No. 568 for a posthumous presentation of a 50 Year Veteran's Emblem to the family of their late brother, Robert H. Wilson.

My records indicate that Brother Shaw had been a Master Mason continuously for 51 years, minus 5 days, when he passed away on January 10, 1957. Brother Wilson attained a 50 Year continuous Masonic membership on January 31, 1958, and passed away on March 23, 1958.

It appears to me that embarrassing situations such as these could easily be avoided if the secretaries of our lodges would provide a suitable chronological file from which, at a glance, could be obtained the Masonic history of all members. Few of us attain 50 Year membership and eligibility for the coveted Veteran's Emblem; therefore, I urge upon you the importance of requiring your secretaries to request issuance of Service Awards and Veterans' Emblems Certificates in advance, so that they may be presented as soon as possible after the date of eligibility.

**ORGANIZATION OF "BLUE LODGE DEGREE TEAM"
BY NON-MASONIC ASSOCIATION**

During the year there came to me through the mails a bulletin which bore the following notice: "The Grotto Blue Lodge Degree Team under the leadership of Prophet Bill Munson has already started their work. If you would like to get on this team, contact Prophet Munson or one of the members of this team."

My presumption was that this so-called "Blue Lodge Degree Team" was formed for the purpose of conferring the Three Degrees of Freemasonry upon candidates of the lodges under the jurisdiction of the Grand Lodge of North Carolina, ending, of course, in the planned promotion of interest in and contribution to the finances of Azusa Grotto, thus violating Section 2-04 of The Constitution and Regulations 30-01 and 30-02 of THE CODE of 1957.

I immediately wrote to the presiding officer of Azusa Grotto, cited the above-named section and Regulations, and expressed the opinion that the formation of and the conferring of any of the Symbolic Degrees by such a "team" would be a violation of the above-cited section and Regulations. I said further:

"If my presumption is correct, I ask you as Monarch of Azusa Grotto to disband this so-called 'Blue Lodge Degree Team', to order its dissolution, and to cease the appropriation of anything Masonic, including the ritual, to the pecuniary gain of the Grotto. Please tell me by letter that you have done so."

Brother Eddie D. Phillips, Monarch of Azusa Grotto, informed me by letter that the "Team" had been disbanded and that all activities thereof had ceased.

APPROPRIATION OF MASONIC TITLE BY A NON-MASONIC ORGANIZATION

On September 15, 1958, I received from one of the members of X Lodge a postal card addressed to his wife which bore the following message: "There will be a meeting of the X Lodge Ladies Auxiliary Wednesday, February 20, 1958, in X Lodge room at 8 P. M. Through your affiliation with X Lodge, you are extended a special invitation."

Believing the formation and existence of an organization so styled to be a violation of the intent and purpose of Regulation 97-02(25) of THE CODE, I wrote the District Deputy Grand Master on September 20, 1958, requesting him to use his influence to effect a change in the name of X Lodge Ladies Auxiliary to one not implying Masonic affiliation, and requested further that he advise me the result of his efforts.

In a telephone message a few days later I was advised that the title, X Lodge Ladies Auxiliary, had not been officially adopted and, further, that the title, if any, when the organization was perfected and completed, would not denote Masonic affiliation in any manner.

THE OFFICE OF GRAND SECRETARY

On November 1, 1958, I received and accepted on behalf of the Grand Lodge the resignation of R. W. Wilbur L. McIver as Grand Secretary. I regret the circumstances which brought about the necessity of this action on the part of R. W. Brother McIver for he had worked many hours and toiled laboriously in the interests of Grand Lodge Masonry for nearly thirteen years. The condition of his health, however, prevented him from fully discharging the duties of his office and dictated the course that he should follow.

Due to the condition of R. W. Brother McIver's health and his inborn traits many matters in the office of the Grand Secretary had become delinquent; examination disclosed the urgent need of an experienced and capable person to assume charge of the office to prevent further deterioration in the management thereof. I spent many wakeful nights before I prevailed upon the only available man, whom I thought by nature, temperament, and capability to be suit-

able for the office, competent to restore order, to accept the responsibility of managing it.

On Wednesday, November 5, 1958, M. W. Charles Bailey Newcomb, Past Grand Master, Past Grand Secretary, agreed once more to lend his many talents to the Grand Lodge by serving as Acting Grand Secretary. Under his direction much progress has been made in restoring the operations of the office to normalcy. Much yet remains to be done. Your full cooperation and that of the secretary of your lodge is requested to the end that the office may once more function normally on a current basis.

The Board of General Purposes was fully apprised of my action and at its January, 1959, mandatory meeting, the Board unanimously approved my actions in regard to this matter. I ask your approval also.

I wish here to pay high tribute to the loyalty and to the wholesome and cooperative attitude of all members of the Grand Secretary's staff during these days of confusion and turmoil. Without exception, they are capable in every regard; they fill their positions well; a spirit of helpfulness prevails. They are worthy of your commendation.

M. W. CHARLES BAILEY NEWCOMB, *Past Grand Master.*

M. W. LUTHER T. HARTSELL, JR., *Past Grand Master.*

M. W. WATSON N. SHERROD, *Past Grand Master.*

W. G. DUDLEY HUMPHREY, *Judge Advocate.*

It will never be possible for Masonic history to record all the selfless services rendered to the Grand Lodge by these consecrated Masons. My calls on them for assistance never went unheeded. I am grateful not only for their wise counsel and good advice but I wish to record here for posterity my sincere appreciation of their many kind and helpful acts, many of which required them to go far out of their way to perform, and many of which were performed at great personal sacrifice. In devotion to the principles upon which Freemasonry is founded, these good men assisted me immeasurably in fulfilling the duties of the office of Grand Master, some of them at times unpleasant, others at times joyous, but not once did they refuse to come to my aid. I am grateful to you, my brethren.

OXFORD ORPHANAGE

MASONIC AND EASTERN STAR HOME

Reports on the operation of these two fine institutions, of which we are so proud, will be made to you at the proper time by the committees on these homes for the young and

the aged. Preliminary reports again indicate that you as individuals and as lodges have contributed handsomely to the maintenance and operation of them.

I recommend that the Grand Lodge contribute during 1959 the same amount to each institution as heretofore given; that is, \$50,000 to Oxford Orphanage, and \$16,000 to the Masonic and Eastern Star Home.

**GEORGE WASHINGTON MASONIC NATIONAL
MEMORIAL ASSOCIATION
CONFERENCE OF GRAND MASTERS OF
MASONS IN NORTH AMERICA
MASONIC SERVICE ASSOCIATION**

It was a matter of great regret to me that I was unable to be present at the several meetings during Masonic Week in Washington. A serious illness and a six-week hospital confinement, however, prevented me from attending as planned.

North Carolina was well represented at the meetings by R. W. Eli Hand, Deputy Grand Master; R. W. Harvey W. Smith, Senior Grand Warden; W. James W. Brewer, Senior Grand Deacon; M. W. Robert L. Pugh, Past Grand Master; and M. W. Charles H. Pugh, Past Grand Master.

As the elected representative to the George Washington Masonic National Memorial Association and The Masonic Service Association, M. W. Robert L. Pugh, Past Grand Master, will report to you on the activities of these Associations at the appropriate time.

I recommend that the Grand Lodge contribute the same amount this year to these two worthy associations that was contributed to them in 1958; that is, \$3,000 to the Masonic Service Association for Hospital Visitation, and \$1,000 to the George Washington Masonic National Memorial Association.

**MASONIC CEREMONIES AND THE
VARIOUS HANDBOOKS**

To M. W. Robert L. Pugh, Past Grand Master, I hereby express my deepest gratitude for the result he and his Committee on Ceremonies have so painstakingly and successfully attained. The new Forms and Ceremonies, just released, are a most accomplished work and I am deeply grateful to him and his Committee for their labors.

At the Annual Communication of this Grand Lodge held in 1954 M. W. Edwin Turlington Howard, Grand

Master, recommended, and the Grand Lodge approved, that committees be appointed to prepare handbooks for the Masters and the Secretaries of our subordinate lodges, and the District Deputy Grand Masters; a committee was also recommended, and approved, for the preparation of a Trial Manual.

M. W. Robert Lee Pugh, Grand Master, appointed the several committees to prepare the above-named handbooks and manual, and in 1955 M. W. Charles H. Pugh, Grand Master, appointed a committee, upon proper approval, to prepare a handbook for use by the District Deputy Grand Lecturers.

At the 1956 Annual Communication, the work of these committees was reviewed and judged to be inadequate to accomplish the purpose desired of them. Upon recommendation, the manuscripts for these booklets were referred to the Grand Lodge Special Committee on Ceremonies, where they now repose.

My experiences and observation this year suggest the desirability of completing this work as rapidly as possible. I therefore recommend that the incoming Grand Master be authorized, empowered and directed to return these handbook manuscripts to the several committees, none of which has been discharged, or to their successive committees, as the incoming Grand Master may see fit, with instruction that they be revised and again submitted to the Grand Lodge Special Committee on Ceremonies for its approval and/or suggested changes.

BOARD OF GENERAL PURPOSES

With the resignation of R. W. Wilbur L. McIver, as Grand Secretary and ex-officio member of the Board of General Purposes, a vacancy on the Board was thus created. Upon his appointment and acceptance as Acting Grand Secretary, M. W. Charles Bailey Newcomb, Past Grand Master, became an ex-officio member of the Board. He thereupon tendered to me his resignation as an elected member of the Board.

I appointed the Judge Advocate of the Grand Lodge, W. G. Dudley Humphrey, as a member of the Board to serve until the next Annual Communication of the Grand Lodge, thus filling the vacancy created by the resignation of M. W. Brother Newcomb.

UNFINISHED BUSINESS

At the 1958 Annual Communication of the Grand Lodge the incoming Grand Master was directed to appoint two

committees from the Board of General Purposes to study and report their findings on two recommendations made to the Grand Lodge by M. W. Charles A. Harris, Grand Master. These recommendations were:

1. "That this Grand Lodge employ a Grand Librarian-Director of Research and Historic Publications."
2. "That the Grand Lodge subscribe to the Orphans' Friend and Masonic Journal for every member of our jurisdiction at the rate of fifty cents per year per member."

These committees were appointed and each met as instructed and studied the proposition before it. Each committee reported that due to the amount of money involved and the lack of funds for these purposes at this time that unfavorable action should be taken on the recommendations.

I recommend that the reports of these committees be approved and adopted.

At the 1956 Annual Communication of this Grand Lodge a resolution was adopted which empowered and directed the incoming Grand Master to appoint a special committee to investigate the condition of the grave and the gravestone of M. W. Benjamin Smith, Past Grand Master.

I could not find in the Proceedings of the Grand Lodge for 1957 or 1958 where any action had been taken to comply with this order of the Grand Lodge. Accordingly, I appointed a committee of three brethren to investigate the condition of M. W. Brother Smith's grave on the Lower Cape Fear River and to report its findings to the Grand Lodge at the 1959 Annual Communication. This committee will report to you at the appropriate time. I recommend that the committee's report be approved and adopted.

STATE OF THE CRAFT

My brethren, due to the condition of my health, and upon orders of my physicians, I have not been able to travel extensively during the year. This is a matter of great regret to me, and for this reason some of the observations I have made and some of the impressions I have gained may be erroneous. I hope they are; nevertheless, I feel compelled to report conditions to you as I found them.

Financially, the Grand Lodge and the subordinate lodges are on solid ground. Numerically we are strong, and are growing stronger steadily each year. Ritualistically we have made amazing improvement over the past decade.

Now, I have reported to you some of my observations and have reported to you in detail those things that have transpired during the year and, as best I could, following a debilitating illness and a long hospital confinement, I have

given you a word picture of my stewardship. I hope for your approbation, but I am now about to say something to you for which I do not hope for or expect approbation, and I plan to speak to you plainly about some deficiencies with which I have been concerned.

Masonry, my brethren, is a beautiful system of living, the principles of which point us toward that "peaceful harbor" in which all who have labored diligently and well shall find rest. It is not a crutch upon which the man of immoral character may lean to gain entrance into the city of the select. All too often our committees of investigation fail miserably in determining the moral qualifications of those who would become one of us. In my opinion, this is one of the major weaknesses in the operation of our lodges today. Indifference is a curse of mean degree and no Master of a lodge should tolerate it in members he selects to search out the moral fitness of those who petition his lodge for the Degrees in Masonry. I admonish you, therefore, to place careful men on these committees that the good name of Masonry may be preserved in the eyes of those who view us from without and for those who come after us and wish it to be to them the beneficent influence it has been upon men's lives for ages past.

The second weakness in which most of you fail miserably in the operation of your lodges is your appalling lack of knowledge of Masonic law. I recognize that many of the disgraceful, shameful and embarrassing errors that it has been my unpleasant duty to help to correct this year represent an accumulation over several years, but the fact remains that many a Warden is elevated to the highest office his brethren can bestow upon him; he accepts the office and enters upon his duties as such without the slightest conception of what is required of him, other than that he should have a hat on his head and a gavel in his hand. All too frequently no attempt is made to prepare himself for the important job of making Masons and instructing them in the Art, conducting lodge business, and acquiring generally the awareness necessary for the lawful and proper management of the lodge's affairs.

THE CODE, my brethren, is the law under which you operate. Full and complete knowledge of it is your solemn duty—not to be acquired by experience as your year as Master rolls by, but by diligent and painstaking study of its regulations and the usages of the Craft prior to your election. For your enlightenment, I cite one Regulation of THE

CODE, and I hazard the guess that less than 5% of you are familiar with it. It is REG. 67-02(10) which reads as follows:

"No lodge shall elect any brother, either as Master or as Warden, unless he can and will qualify himself to preside and discharge the duties of his office according to the laws and usages of the Craft and with credit to the lodge and to Masonry."

Alas! All too few of you do. For too long a time have you been pampered and permitted to believe that all that was necessary to be done was being done. I tell you that this is not so. I exhort you, therefore, my brethren, to "first learn that you may teach."

My year as the presiding officer of this Grand Lodge has convinced me, also, that the Secretaries of many of our lodges lack knowledge of the law as it relates to them and the function of their office. Some of the things done were inexcusable, others humorous in their stupidity. Inadequate records in many cases, particularly minutes of meetings, are kept. Failure to record therein the things from which basic information may be secured is a serious omission, yet, time and again during the year minutes of lodges were examined only to find the desired Masonic history not of record or so meagerly recorded that it was of no value.

The improper use of official forms is another realm wherein the Secretary of many of our lodges is deficient and lacks knowledge.

And, finally, indifference concerning official correspondence, delay in replying to it or, indeed, failure to reply at all, frequently retards the handling of Masonic matters to the confusion of all.

I urge you Masters and Wardens to work closely with your Secretaries, to the end that harmonious action, complying with the law as it is intended to be obeyed may result.

RECAPITULATION OF RECOMMENDATIONS

1. I recommend that the incoming Grand Master be authorized, empowered and directed to appoint a committee to study the feasibility and practicality of this Grand Lodge's devising and establishing a system of education, qualification and certification of Masters and Past Masters of our lodges from whose ranks District Deputy Grand Masters may be selected.
2. I recommend that the incoming Grand Master be authorized, empowered and directed to return the several "Handbook" manuscripts to the respective committees appointed to prepare them, or to their successive committees, as the Grand Master may see fit, with instructions that they proceed with this greatly needed work as rapidly as possible, and when completed to return their manu-

scripts to the Grand Lodge Special Committee on Ceremonies for its approval or suggested changes.

3. I recommend that the report of the special committees appointed to study the two recommendations of M. W. Charles A. Harris, heretofore referred to, be approved and adopted.
4. I recommend that the report of the special committee appointed to investigate the condition of the grave and grave marker of M. W. Benjamin Smith be approved and adopted.
5. I recommend that the Grand Lodge contribute in 1959 the same amounts as heretofore contributed to George Washington Masonic National Memorial Association and to the Masonic Service Association, that is, \$1,000 and \$3,000 respectively.
6. I recommend that the Grand Lodge contribute in 1959 the same amounts as heretofore contributed to Oxford Orphanage and the Masonic and Eastern Star Home, that is, \$50,000 to Oxford Orphanage and \$16,000 to the Masonic and Eastern Star Home.

APPRECIATION

I wish to express, once more, my appreciation to the many lodges which have so considerably bestowed upon me the coveted title of "Honorary Member." I shall long cherish these honorary memberships you have so graciously given to me. To all of you I say, "Thank you" from the bottom of my heart.

CONCLUSION

May I express to you once more my appreciation of having had the privilege of serving you as Grand Master. My faults are many. All that was planned was not accomplished, but I do hope that Masonic history will point a kindly finger at 1958 and record it as a period in which much was done to re-examine, to re-appraise, and to erect a really sound foundation of Masonic education, the continuance and elaboration of which will make Masonry in the minds of more of its members the inspiring thing we have long admired and have the right to enjoy.

And, now, as Paul said in his Second Letter to the Corinthians, say I unto you:

"Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you."

To which I add, simply: Always.

Respectfully submitted,

Grand Master

**REPORT OF THE BOARD OF GENERAL PURPOSES
ON THE DISTRIBUTION OF THE REPORT
OF THE GRAND MASTER**

(Docket No. 28)

The following report of the Board of General Purposes on the distribution of the report of the Grand Master was read by M. W. Brother Luther T. Hartsell, Jr., P.G.M., entered on the record and unanimously adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The Board of General Purposes met, pursuant to the provisions of THE CODE, on Tuesday, April 21, 1959, at 10:00 a.m., in the Hotel Charlotte, Charlotte, North Carolina, all twelve members being present, except the Grand Master.

The Board of General Purposes recommends that the several sections of the report of the Grand Master be distributed as follows:

ADDRESS OF THE GRAND ORATOR

(Docket No. 30)

The Deputy Grand Master recognized and presented W. Brother Chesley C. Herbert, Jr. (576), Grand Orator, who delivered the following address:

THE THREE ADJECTIVES

What is the basic responsibility of one who has been given the honor bestowed on me by the Most Worshipful Grand Master? Is it not the Orator's duty to direct the attention of the members of

the Grand Lodge to a thoughtful contemplation of our noble Fraternity, its meaning for our lives, its relationship to the day and generation in which we live?

Surely, a vast treasure house opens before one who seeks to consider seriously the meaning of Masonry. Ours is indeed an embarrassment of riches: so many ideas from which we might choose, so many avenues down which our thoughts might profitably range. But we must choose, and my suggestion is that we ponder the meaning of the title of our beloved fellowship, or rather the descriptive terms in that name.

How often have we looked at the familiar monogram, A. F. & A. M.? Who of us has not, with quiet pride, written those meaningful letters after his own name? These honored initials represent the full title of our order: "Ancient, Free and Accepted Masons." This is a noun modified by three descriptive adjectives. These significant adjectives shall now claim our attention.

Sometimes the question is asked of us, "Are you a Mason?" How privileged we are to be able to give an affirmative reply! Suppose the questioner should continue, "What kind of a Mason are you?" We would have the right to reply, would we not? "I am a Master Mason in the order of Ancient, Free and Accepted Masons. Those terms describe the kind of Mason I ought to be, the kind of Mason I am at my best striving to become."

Ancient, Free, Accepted—magnificent descriptive adjectives, words of profound purport, terms of such rich meaning that we may ponder them with the calm assurance that we will never exhaust their significance. Will you join me, my brothers, in a contemplation of them, and seek to let something of the wealth of their connotation permeate our gathering?

I. ANCIENT

It must be admitted that in some areas of life the word ancient is not considered a compliment. Often the criterion is newness, youthfulness, up-to-date-ness. One does not usually feel flattered when a friend mentions the antiquity of his automobile, indicates that his house is hoary with age, or refers to his suit of clothes as archaic. Ancient jokes do not usually provoke loud laughter, nor do anecdotes which came out of the ark command the breathless attention of one's listeners.

Suppose one of our brothers, planning to bring his wife to the meeting of the Grand Lodge, had been asked by the lovely lady, "Dear, how does this dress look to you?" Suppose the brother had replied, "It looks ancient to me." Do we not all know what would happen? The first of next month the inept brother would receive from the dressmaker a big bill for several new dresses.

But there are other areas of life where newness is not considered so desirable. A few days ago a bill came to me for a life insurance premium, and I read, "The oldest chartered life insurance company in the world." A firm of contractors has on its sign, "Builders since 1914." Some corporations boast of the fact that they have been in business and have paid dividends for generations. Those institutions which seek our trust, our confidence, our reliance, are proud of having stood the test of time, rejoice in being ancient.

Last summer our family took a trip to the West Coast, and there in the Mariposa Grove we walked among the giant Sequoia trees, those oldest of living things. How inspiring it was to look at those mighty trees, towering up into the sky, and remind ourselves that they were living and growing at the very beginning of our era, when the Lord Christ lay in a manger in Bethlehem! Those ancient trees stirred deep emotions within us, and we were grateful for the wonder of their great age.

Because we know it to be worthy of our trust, because we have utter confidence in it, because it has stood the test of time, because it towers upward in its high idealism and lifts our eyes to lofty places, we describe our beloved fraternity as Ancient: ". . . more ancient than the Golden Fleece or Roman Eagle; more honorable than the Star and Garter or any other order. . ."

How far back into antiquity does Masonry go? Who can answer? According to an old "Charge," Freemasonry is declared to be "an ancient and honorable institution: ancient no doubt it is, as having subsisted from time immemorial and honorable it must be acknowledged to be, as by a natural tendency it conduces to make those so who are obedient to its precepts."

With what solemn pride we ponder the long centuries through which our order has continued! How many of our brothers have been raised to the sublime degree of Master Mason, have been faithful and true craftsmen, have fallen on sleep, and now inhabit that house not made with hands, eternal in the heavens. How many less worthy organizations, based on mediocre principles and led by self-seeking men, have come into existence, have sprung up like the seed sown in shallow ground, have flourished luxuriantly for a while, have had their little day and ceased to be, while Masonry has steadily handed down its noble precepts from one generation to another. Ah, yes, my brothers, as we contemplate the grandeur of our Masonic edifice, we know that its foundations reach down deep into the past, that this structure has withstood the gnawing tooth of time because its principles and precepts partake of an eternal quality, and that the building will endure because it is erected in harmony with those basic moral laws which are eternal in their reference.

As we think of the antiquity of our fraternal fellowship, should we not seek to derive some moral lesson? Can we not reassure ourselves that those same abiding principles which have enabled our ancient order to persist through the centuries will also give our lives an eternal quality? The wise man of old pointed out, "He that walketh uprightly walketh surely." The upright building stands, and so does the upright life, for both are in harmony with ultimate principles.

II. FREE

If one of these three great adjectives is to be exalted above the others and considered the key term, probably it would be the word FREE. Anyone seeking an exposition of our Fraternity in, for example, the Encyclopedia Britannica, will not find it under the letter M. The article on Masonry in that esteemed reference work deals entirely with the art of building in stone, with scaffolding and seasoning, with walling, pointing, joggles, and the like. One must look under the letter F and find the article on Freemasonry to read the discussion

of our ancient fellowship. We are called Freemasons, and the appellation is one word. Free and Mason are cemented together, not to be broken apart.

How glorious a fact is this! Undoubtedly freedom is one of the noblest concepts the human mind can form. The spirit of man is born for freedom. Scholars tell us that most of our fears are learned from our environment, but that every normal infant is born with three fears: the fear of falling, the fear of a loud noise, and the fear of being denied freedom. Pinion the arms or legs of a small baby, hold them so that the little one is not free to wave them about, and you have a frightened creature, a child that cries aloud to be free.

But there is another native tendency with which we must reckon. It is the somber and perverse streak in our human nature which seeks to enslave others. This will to power, this desire to dominate, this motive for mastery—call it what you please—is the cause for much of the trouble in the world. It has been said that the wish to be served, to have other persons carry out one's orders and commands, has been the root cause of most of the conflicts and wars of human history. Thus as man seeks freedom he finds he must strive for it. Freedom is not free. It must be bought with a price, and that price involves eternal vigilance and a grim determination to oppose those forces and organizations which would enslave. Freemasonry is an inspiring expression of man's solemn resolve to achieve the dignity of liberty, and our brotherhood has as one of its strong motives the lofty purpose that the body and the spirit of man shall be free from enslavement.

We would be remiss, as we contemplate the place of Freemasonry in our contemporary world, if we did not take cognizance of those powerful forces which oppose freedom today. In the realm of political and economic life there is a mighty and dictatorial movement which we call Communism. Insidiously it seeks to win adherents by promising the good things of life. It uses cherished terms such as peace, democracy, and brotherhood, but it gives to them its own sinister meaning after it has trapped the unwary. As we consider this vast force now abroad on the face of the earth, we must never forget that it is an expression of the desire to enslave, that it is basically an enemy of freedom, and that thus it merits the undeviating opposition of Freemasonry.

As we observe our contemporary world, we are obliged to note that there are those who oppose freedom in the realm of religion. Certainly Freemasonry stands for the right of private judgment in matters of the spirit. A glorious part of our American heritage is the invincible determination of our forebears that they would ensure for themselves, no matter what the cost, the right to worship God according to the dictates of their conscience. It is grievous, but necessary, to remind ourselves that a powerful force today would deny this right, would claim to be the only true channel to God, would classify as in error all those who do not render implicit obedience to its mandates and dogmas, would seek to replace the sacred right of freedom of worship with authoritarianism, would impose a totalitarianism in matters of the spirit. Unquestionably Freemasons will defend the right of anyone to choose to be an adherent of such a religious viewpoint. The broad, free spirit of Masonry can even look with kindly tolerance upon such adherents when they make

the dogmatic and intolerant claim that they alone have the truth, that all others are in error, and that it is their determination to win all of America to their viewpoint and organization. Though admittedly it is not easy, we can be tolerant of intolerance. But, my brothers, when it is seriously proposed, and diligently promoted, that an adherent of this religious organization be given a very high political office, when it is advocated that vast executive power be placed in the hands of one who renders loyalty to an institution which opposes freedom of worship, which would obliterate Freemasonry if it could, are not Freemasons called upon to ask some searching questions? Is it indeed bigotry to seek to preserve religious freedom? Is it un-American to undertake to keep America free from domination by a totalitarian and intolerant institution? Shall we nod unthinking agreement when we are told we must be tolerant, and then sit idly by while a highly-financed representative of utter intolerance is elevated to a position where he can be used to destroy tolerance.

Let us remind ourselves again that freedom is not free. In every generation it must be purchased again by an intelligent appraisal of the current forces which would enslave the bodies, minds, and spirits of mankind, and by a devoted and determined resolution on the part of Freemasons and all other free men that freedom must and shall be preserved.

III. ACCEPTED

When I was a school boy, it was announced that the Grand Master was coming to lay the cornerstone of a new school building. The principal told the assembled students of the approaching ceremony, and talked to us a bit about Masons. He said that he was a Mason, and that all Masons were good men. With our youthful cynicism, we laughed at this seeming immodesty on his part, and he, being a good-natured man, joined in the laughter. That little incident has stayed with me over the years, and with it the thought that Masons are good men, men of high standards, men of honor and integrity.

Before any one of us was admitted to this Fraternity, or, to use the noble adjective, before we were ACCEPTED, an examining committee scrutinized our lives, studied our reputations, searched our characters to see whether or not we were worthy, whether or not we were well-qualified, whether or not our lives showed that we were seeking to conform to the principles of honorable living, civic righteousness, genuine goodness.

Doubtless all of us can remember those days when our petition was before the lodge, when we knew our characters were under scrutiny, when there would be a committee report on what kind of men we were, an election was approaching and a band of honorable men, good men, would each cast his ballot as to whether or not we should be accepted into their goodly fellowship. Were not those days of soul-searching for each of us? Was not humility engendered in our hearts? As we pondered our own unworthiness, did we not secretly feel that, if we were rejected, we would but receive what we deserved? And when we were informed that we had been accepted, was there not a sense of deep gratitude that we had been admitted into a noble group of good men, even though we were each conscious of his own unworthiness? And were we not then—and are we not now—profoundly

thankful that our fraternity holds high the standards of virtuous conduct?

There are many powerful forces in our day which are calculated to lower moral standards. Purity of life, diligent devotion to business, the great old virtues of thrift and sobriety, the sanctity of the home, the integrity of the pledged word, unselfish service to community life—all these are under attack. The unscrupulous, the cynical, the self-seeking would tear them down, would destroy them, would ask man who is made in the image of God to accept the ethics of the jungle and the morality of the ape.

Withstanding the vicious flood of these evil forces, Masonry stands like a mighty rock, and proclaims that the accepted man is the good man, the virtuous man, the righteous man. By his life the accepted Mason demonstrates that he has accepted the ultimate truth of such a great affirmation as this:

*I know that right is right,
That it is not good to lie;
That love is better than spite
And a neighbor than a spy.
In the darkest night of the year,
When the stars have all gone out,
That courage is better than fear,
And faith is truer than doubt.*

On that dark and awful night in the North Atlantic when the iceberg ripped open the bulkheads of the Titanic, and the great liner began to list in its ponderous death agony, there was panic in many hearts. Captain Smith gave but one immortal command to his English seamen, "Men, be British." Back of that command was all the seafaring tradition of a nautical nation whose proud boast was that she ruled the waves.

So it is with the word Accepted. Masons have been weighed in the balance and have been found worthy and well-qualified, and in consequence they have been accepted into the goodly fellowship. They have also accepted as their own the noble Masonic traditions of virtuous conduct and righteous lives.

* * * * *

We have discussed the adjectives which describe Masonry—Ancient, Free, Accepted. My hope is that our discussion has stimulated us ever to keep in mind these noble descriptive terms, so that when we see those revered letters, A. F. & A. M., we will contemplate with somber and searching insight the convincing meaning of these words. If each of us will seek to probe more deeply into what is signified by these adjectives as we meet together in our lodges, if our minds shall search out what is implied and suggested by these majestic words of lofty grandeur, we will find that our contemplation yields rich fruit for wiser and better living.

Yet we must always remember that, probe as we may into the implications of these words, these adjectives which define and describe Masonry, the true meaning of Masonry is beyond words, no matter how noble, greater than adjectives, no matter how sublime.

Perhaps an incident will help us. One day a serious student visited the eminent philosopher, Josiah Ross, and in the course of their

conversation, the student asked the great Christian thinker, "Sir, what would you say is the definition of Christianity?" Dr. Ross sat silent for a few moments, lost in thought, and he gazed out the window. Then his eyes lighted up. To his questioner he said, "Come, look out the window. There goes Phillips Brooks. There is your definition of Christianity." Was not that a profoundly true insight? Some great words do not have real meaning until they are lived. Such words as love, virtue, and honor must be incarnate in a person if they are to be more than sound which signifies nothing.

What is Masonry? Ancient? Yes. Free? Yes. Accepted? Yes. But to see true Masonry, look at a true Mason. The term Ancient applies to him because his life is lived in harmony with those ancient precepts of the moral law which are written into the structure of the universe, builded there by the Supreme Architect. The word Free applies because he walks the earth, a Free man. He worships God according to the dictates of his own conscience. His freedom is of that quality referred to by the Man of Galilee when he said, "Ye shall know the truth, and the truth shall make you free." The word Accepted applies because a true Mason has the conscious security of being Accepted by those of his fellowmen who hold an exalted standard of moral conduct.

How privileged we are, my brothers, to be a part of this noble Fraternity! What an obligation we have to be true Masons! How wonderful it would be if each of us would live every day true to the exalted principles of our order of Ancient, Free and Accepted Masons!

SECOND DAY—MORNING SESSION

The Grand Lodge was called from Refreshment to Labor at 9:30 a.m. on Wednesday, April 22, 1959, in Park Center, 310 North Cecil Street, in the City of Charlotte, by R. W. Brother W. Eli Hand, Deputy Grand Master. Prayer was offered by W. Thomas A. Summey, Jr., Grand Chaplain.

REPORT OF THE COMMITTEE ON MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INCORPORATED

(Docket No. 31)

The following report of the Committee on the Masonic and Eastern Star Home of North Carolina, Incorporated, was read by W. Brother Louis W. Shrier, P.M., received, entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

It is almost beyond the ability of this Committee to express the feeling of pride and satisfaction one has after having visited the Masonic and Eastern Star Home.

The work and effort that is being put forth to provide for the comfort, enjoyment and well being of our Guests is unquestionably a credit to the Masonic Order and in our minds is second to no other home of its kind.

We were greeted by our able Superintendent, Brother George R. Bennette, who most cordially welcomed us. Brother Bennette pointed out many items of interest in connection with the Home; particularly the fact that there are now 74 Guests, which is the largest enrollment in the history of the Home.

Another point that illustrates capable and efficient management is that the operating cost in 1958 was only \$3.96 per person per day, which includes medical care and hospitalization. This figure is below the national average of similar homes in the United States.

Brother Troy G. Robbins, who was appointed Assistant Superintendent in October 1958, was highly praised by Brother Bennette. He is apparently most enthusiastic and well-fitted for the work which he is doing at the Home.

Mrs. Carlette Harper, head nurse of the Infirmary, and her Staff seemed to be most efficient and extremely sympathetic to those unfortunately ill. Mrs. Harper conducted us through the buildings and about the grounds, giving us many interesting sidelights and informative bits of information. She seems most suitable for the work and apparently is doing an excellent job.

This committee met just about all of the individuals assisting in the work at the Home and it was quite obvious that each and every one of them were most efficient, capable and well-fitted for their respective duties.

Our most enjoyable part of the tour was in meeting and talking with the Guests. These folks, to us seemed lovable, happy and contented, and it gave each of us a definite feeling of satisfaction in knowing that the small amount that we had contributed had done so much.

It is our hope that every Mason in North Carolina will some day have an opportunity to visit our Home and share with us in this feeling.

Much more can be said in this respect, giving praise to those at the Home on whom we rely to carry out this great work and on whom our Guests depend.

But in concluding to Brother Bennette and his Staff we want to say, Well Done, Good and Faithful Servants, Well Done.

REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE

(Docket No. 32)

The following report of the Committee on Oxford Orphanage was read by W. Brother Cecil W. Henderson, P.M., entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

In accordance with the provisions of Regulation 38-17 of THE CODE, your Committee visited Oxford Orphanage on March 21, 1959, for the purpose of examining the condition of its property, the management of its business, and the reports of its officers and directors, in order to bring what is considered to be appropriate information to the Grand Lodge. All members but two were present for this meeting; and, as was previously arranged, Superintendent A. D. Leon Gray kindly consented to meet with your Committee. We, therefore, make reference to the assigned duties for this report in the order listed.

1. **CONDITION OF THE PROPERTY:** A visual inspection was made of the new St. John's Administration Building which the administrative staff has recently occupied, although still in the final stage of completion; also, the dining hall, barns, portion of the farm, several cottages, shoe shop, printing department, recreation building, and chapel. The Administration Building, while new and polished, is a fine structure—well designed and constructed, one of which the Fraternity has every good cause to be proud. The recreation building and chapel, having been in use only a few years, are well maintained and afford pleasurable assets to the campus life. Inspection of the cottages disclosed very good housekeeping practices; and, considering the many years of service, the condition was in a good state of repair. The other buildings, bearing marks of

many years' use, were likewise neatly kept and well maintained. The food facilities and related stores evidenced very good management, and the fine meals served from the kitchen were very delicious.

2. **MANAGEMENT OF THE BUSINESS:** The annual report of audit of the Grand Auditor and the annual reports of the officers are strongly commended to you for review as a most complete report of management and business of your Orphanage's financial status and business activities.

3. The Board of Directors continually provide your institution with a competent administration and a sound policy of operation.

In addition to the foregoing meeting, your Committee also met according to schedule at 11:00 p.m., April 21, 1959, in the Hotel Charlotte, Charlotte, North Carolina, to consider and report on all matters relating to assigned duties.

We encourage and recommend your usual support be continued in order to provide a much better institution for the benefit of our children.

Your Committee commends the Board of Directors and officers of the Orphanage for their faithful and untiring work for which every Mason in North Carolina can well be proud.

Respectfully submitted,

RESOLUTION RELATIVE TO W. BROTHER PERCY C. STOTT

(Docket No. 33)

W. Brother William A. Hooks, P.M., C.L. (84), presented and read the following resolution, which was referred to the Board of General Purposes as to the matter of policy involved, and to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Be it resolved, in expression of our appreciation for his long years of faithful and untiring service to Masons and to Masonry in North Carolina, that The Grand Lodge of North Carolina pay to Brother Percy Clifton Stott on May 1, 1959, an honorarium in the sum of One Thousand Two Hundred Dollars (\$1200.00).

Respectfully submitted,

REPORT OF THE COMMITTEE ON NECROLOGY

(Docket No. 34)

The following report of the Committee on Necrology was read, received and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

"The moving Hand writes, and having writ, moves on." With these sobering words from the "Rubaiyat of Omar Khayyam," we

pause to remember our brethren who labored with us in the quarries here below, and to thank our Supreme Grand Master for having the privilege of knowing and loving them.

While we survey with sorrow the list of those who have passed from Labor to Eternal Refreshment in that Celestial Lodge above, we know that by their faith in the redeeming power of Judah's Lion, their bodies shall be raised again, and we shall know them in all the splendor of that Grand Lodge above. Henceforth, we do not mourn as those who have no hope, but in the sure knowledge of that blessed reunion above, we rejoice that they were with us for as long as they were, and that we knew and loved them in their strengths and weaknesses.

None of them was perfect, but each in his own way endeavored to spread the doctrine of Friendship, Morality and Brotherly Love. They heard the cry of the orphaned, the weeping of the widowed, and the sigh of the loneliness of age, and through their several agencies, sought to make the sorrows lessen.

We especially pause to remember one of our Grand Lodge Officers, Brother Andrew Shaw Melvin, who passed into that Omnipotent Presence. Brother Melvin was active in all branches of Masonic endeavor, and his presence will be sorely missed. His untimely death came only a few short months after the demise of his beloved wife. A suitable memorial will be presented at a later time during this Grand Lodge session.

Brethren, we would like to leave one thought with you: that while our departed brothers have left us, they have written messages to guide and inspire us as we move along the pathway of life. What are we writing for those who will follow us? Let us pause and soberly reflect on our own writings. Are the messages we are leaving ones that will inspire others, or are they messages of selfishness and indifference?

We labor here in the quarries today; the writings we leave will remain long after we are forgotten. Therefore, it is fitting that we give attention to the messages we will leave for those who follow us.

Let us hasten to the good works, so that we may be eligible to do as so beautifully expressed in the words of Rudyard Kipling in his most beautiful "L'Envoi."

*"When earth's last picture is painted
And the tubes are twisted and dried,
When the oldest colors have faded,
And the youngest critic has died,
We shall rest, and, faith we shall need it—
Lie down for an aeon or two,
Till the Master of all good workmen
Shall set us to work anew.
And those who were good will be happy,
They shall sit in a golden chair;
They shall splash at a ten-league canvas
With brushes of comets' hair;
They shall find real saints to draw from—
Magdalene, Peter, and Paul;
They shall work for an age at a sitting and
Never get tired at all!*

ANDREW SHAW MELVIN
Junior Grand Deacon 1958-59

*And only the Master shall praise us,
And only the Master shall blame;
And no one shall work for money,
And no one shall work for fame;
But each for the joy of the working,
And each, in his separate star,
Shall draw the things as he sees them,
For the God of things as they are."*

Respectfully submitted,
O. H. HAMBY, P.M., Chairman

TRIBUTE TO WORSHIPFUL BROTHER ANDREW SHAW MELVIN

*Junior Grand Deacon of The Grand Lodge
of North Carolina*

(Docket No. 35)

M. W. Brother Charles H. Pugh, P.G.M., read the following tribute to W. Brother Andrew Shaw Melvin, Junior Grand Deacon of The Grand Lodge of North Carolina, and it was received and entered on the record.

ANDREW SHAW MELVIN

Andrew Shaw Melvin, Junior Grand Deacon of The Grand Lodge of North Carolina, was born in New Bedford, Massachusetts. He was educated in the Public Schools of Athol, Massachusetts, to which his family had moved in his early childhood. His mother and father were born in Scotland. They moved to Gastonia, North Carolina, in the early twenties where "Andy", as he was affectionately called by his close friends, joined with his brothers, Adam J. and James A., together with an uncle, to form the Gastonia Comber Needling Company, an important part of the textile industry. They also had some other corporations in which they were interested. He was engaged in this type of business at the time of his death.

He was married to Miss Annie Lee Kendrick of Gastonia, North Carolina, who was a teacher in the Public Schools of Gastonia for a number of years. To this union were born two children, Ann Kendrick, now Mrs. Gerard Schmeisser of Baltimore, Maryland. Dr. Schmeisser, her husband, is an orthopedic surgeon on the faculty of John's Hopkins Medical School. Also, one son, Andrew Shaw Melvin, Jr., a student at the University of North Carolina. Mrs. Melvin preceded Brother Melvin in death by only a few months.

Shortly after coming to Gastonia, he petitioned Gastonia Lodge No. 369. He was made a Master Mason in this Lodge April 9, 1926, shortly after his 21st birthday, being at that time one of the youngest Master Masons in the United States. He was elected Master of his Lodge only a few years afterward. He served as District Deputy Grand Master on two different occasions, and was appointed Grand Steward of The Grand Lodge of North Carolina in April, 1955. At the time of his death he was Junior Grand Deacon of The Grand Lodge of North Carolina.

It was my privilege to know "Andy" during his entire Masonic career, and to have the opportunity to observe him under various

surroundings and circumstances. He was an excellent Masonic coach, a master ritualist and a thoroughly competent leader and organizer. He was at all times ready and qualified to take any part of any Degree or Order of Lodge, Chapter, Council, or Commandery, in any emergency and without notice.

Although he joined the Scottish Rite and Shrine, it was in the York Rite that he did his outstanding work.

He was a close personal friend of mine and was of tremendous help to me when I was Grand Master. It was a great delight and pleasure for him to go with me, and to do most of the driving on occasions when I could return home the same night. He was really a valuable companion and friend.

Just four months and a few days ago, the terrible message was conveyed to me from the hospital that he was dead. Although he had not been in his usual health for several months, his wife having died also since our last Annual Communication, yet his death was not expected. Just the night before his passing, he and I had installed the Officers of all the York Rite Bodies in Gastonia. He did not appear to be in his usual frame of mind on similar occasions, still none of us realized that this would be his last appearance in this his beloved Masonic Temple. The next day he died suddenly as he was returning from lunch with his son, who was driving the car. His son was spending the Christmas Holidays with him. He is a student at the University of North Carolina.

As the last rays of a setting sun began to sink toward the western horizon for the last time in 1958, a year of tragedy and trials for him, his frail body and his everlasting spirit separated, and on the 2nd day of January his body was laid to rest with the beautiful ceremonies of our Order. This was performed according to his request by The Grand Lodge of North Carolina, Grand Master James G. Johnston having called an Emergent Communication for this purpose.

During the quietness of this solemn hour and with sincere personal feelings of sorrow and sadness we pause in our deliberations to pay our respects to one of our own—our Junior Grand Deacon—who, just a short while ago joined the silent throng, and now awaits the resurrection. As we mourn his loss, we are reminded of the Scripture in that Sacred Volume, "What man is he that liveth and shall not see death." All of us sooner or later must answer to the call of that dread mandate.

We miss him every day. What is more revealing of man than what is remembered of him when he is gone. The human heart cries out for more than remembrance of one's fellowman. Is life so cheap as to be thrown about like a worn-out garment? Does a Moral God ask a man to give himself to a cause without providing for that man's life to go marching on? Angels stand for the personal care of God over individual people; the resurrection means the permanence of personality.

Man, made of dust and divinity, is here to weave on the loom of his years the quality of life with which he will spend the ages. If we live yonder with the quality we determine here, we have discovered the strongest reason for living. Our belief in the future rests upon a faith in a God of Love.

Until the final sunset comes for us, may all be well with "Andy's" many friends throughout the coming changeful days. And when sun-

set fades to dark, and we are called to say "Goodnight" to those we love, may fears be gone, because the dark shall quickly break to dawn. And with the morning light, may we go above, from the Land of Loss to the Land of Love, where Love shall ever have its own, in that Ampler House where fondest dreams come true, where life shall be commensurate with its deepest longings, and where we shall ever live on in highest service.

Ardent Mason, Sincere Friend, Loyal Counsellor, and Faithful Father and Husband,

Hail and Farewell.

REPORT OF THE GRAND HISTORIAN

(Docket No. 36)

M. W. Brother Charles H. Pugh, P.G.M., Grand Historian, presented the following report, which was received, entered on the record and referred to the incoming Grand Master:

To The Most Worshipful Grand Lodge of North Carolina:

When your Grand Historian made his report last year, we stated that there were no records or information left by previous historians

from which we could attempt to continue to build a history of this Grand Jurisdiction.

Of course, there are the records of the several lodges throughout the years, and the Proceedings of the various Annual Communications of the Grand Lodge, all of which are in the custody of the Grand Secretary, who, according to the present law, is also Grand Librarian.

The Board of General Purposes, acting on the recommendation of Past Grand Master Harris "that this Grand Lodge employ a Grand Librarian—Director of Research—and Historical Publications", did not think this was advisable at the present time, and postponed it for future consideration. This is a question that needs to be thoroughly and competently discussed, by the Craft in general, and especially by those who are familiar with the proper armamentarium needed for this position and to co-ordinate the proper personnel available with the demands and duties of such a position, and, of course, the financial angle would be of primary importance.

It is hoped that in the not too far distant future, the Grand Lodge of North Carolina can see the advantage and value of this type of Masonic effort and establish such a department in keeping with the dignity, the long history, and the valuable reputation of a Jurisdiction so rich in Masonic history and culture.

In our report last year, we made a number of suggestions that would be valuable in assisting a Grand Historian to lay the foundation of a structure befitting our standing in the Masonic world.

A letter was sent to the Master and Secretary of every lodge in the State. It was a definite surprise as well as a pleasure to receive replies from so many lodges over the State. Almost one hundred lodges have appointed Historians or Historical Committees. Forty-eight of the fifty-eight districts were represented in these replies. Some of the lodges have forwarded complete histories of their lodge, while others have expressed a determination to bring the story of their lodge in keeping with its expected compliance with our request.

Other lodges have observed Centennials, and other Anniversaries, while others have reported special events that occurred in their lodge during the year. I am satisfied that still others have completed histories, observed Centennials, and had Special Communications for the observance of some outstanding event in the local community.

We are very pleased with the response, and plan to follow it with further inquiries until every lodge in the State has signified their willingness to comply with this request of their Grand Lodge.

This is the One Hundred Seventy-Second Annual Communication of The Grand Lodge of North Carolina. Three years from now, 1962, will be the One Hundred Seventy-Fifth Annual Communication of the Grand Lodge. This is not too early to be considering the question of celebrating this One Hundred Seventy-Fifth Milestone in our great history. This would also be an incentive for our local lodges to consider celebrating Anniversaries. It would be interesting to make a comparison of Masonry in North Carolina in its beginning in 1787, again in 1887, embracing its Centennial. We have a very thorough and entertaining history of its sesqui-centennial, and if we could have something distinctive for its One Hundred Seventy-Fifth Anniversary in 1962, we could weave together all the scattered remnants of history, custom and tradition and have a history

of the Grand Lodge of North Carolina that would be, to say the least, chronological, connected and with a great degree of accuracy. We sincerely hope the incoming Grand Master will take this under consideration, and if, after due deliberation and thought of all the facets of the question, appoint a Committee or Commission that could proceed to make ready for such celebration. If this is undertaken, and all the lodges in the State co-operate to the extent of improving their own individual history and achievements of the past, the Grand Lodge could be materially benefitted historically.

We covet for the coming year a continuance of the co-operation of the local lodges to the end that we may have a historian or an historical commission in every lodge in the State, and that we may be able to follow through some more of the suggestions made last year.

North Carolina Masonry is, and should be, proud of its enviable record of the past, it is awake to the responsibilities, duties and opportunities of the present and it revels in the glory of its Moral, Spiritual and Fraternal future.

Fraternally submitted,

CHARLES H. PUGH, P.G.M., *Grand Historian*

MASONIC EDUCATIONAL LOAN FUND—1958

We use the exhibits of the Auditor in presenting the details of our handling of these funds, for the same reason stated above (See PERMANENT FUND—1958).

1. The inventory of assets, consisting of United States Government (Series "F") Bonds, will be found on exhibit "Q" (page 27).
2. The statement of assets and liabilities of this account will be found on exhibit "P" (page 26).

No income was received in 1958 on the Series "F" Bonds remaining in this account and having a maturity value of \$7,900.00. The Series "F" Bonds (\$7,900.00) remaining in this account will mature as follows: \$5,000.00 in April, 1959; \$2,500.00 in June, 1959; and \$400 in October, 1959.

We also report that, in accordance with the instructions of the Grand Lodge at the Annual Communication in 1951 (SEE pages 85 and 160 of the Proceedings for 1951), we paid to Brother C. B. Shulenberger, Chairman of the Masonic Educational Loan Fund Committee, the sum of \$68,356.70, that amount being the combined interest of the Grand Lodge, the Grand Chapter, and the Grand Commandery in the Masonic Educational Loan Fund as of the date of said payment (May 25, 1951). There remains in this account the interest of the Subordinate Bodies of the Ancient & Accepted Scottish Rite of the State of North Carolina only, the same being United States Government (Series "F") Bonds having a maturity value of \$7,900.00 and a cash value in the amount of \$6,104.30 as of May 15, 1951, and cash in the amount of \$22,115.96, for a total of \$30,015.96. The said Bonds and cash are held by The North Carolina Masonic Foundation, Incorporated, as Custodian, and are to be delivered to the said Scottish Rite Bodies upon their request.

GRANT FUND—1958

We use exhibit "R" (page 28) of the Auditor's Report to show the status of this Fund, the entire amount of the same (\$670.00, the original principal in the amount of \$500.00 plus accumulated income in the amount of \$170.06) being deposited in a savings account in the Raleigh Savings and Loan Association, Raleigh, N. C.

For complete information on this subject, we refer you to page 187 of the Proceedings for 1947, page 165 of the Proceedings for 1948, page 182 of the Proceedings for 1949, and pages 64 and 119 of the Proceedings for 1950.

We report that the income on this account in the sum of \$22.85 was added to the Fund, as has been the case with all previous income on the same.

**COMBINED STATEMENT OF ASSETS AND LIABILITIES
OF
THE NORTH CAROLINA MASONIC FOUNDATION,
INCORPORATED, Custodian**

A statement showing the assets and liabilities of the Permanent Fund, the Drewry Memorial Grand Secretary's Fund, the B. F. Moore Legacy, the Masonic Educational Loan Fund, and the Grant Fund, being all of the accounts and funds administered by The North Carolina Masonic Foundation, Incorporated, will appear on a schedule attached hereto.

**PERMANENT FUND
INCOME, PROFITS AND DISBURSEMENTS**

We believe that the several exhibits and schedules submitted herewith show in sufficient detail the source of income and profits, and the objects of disbursements. It will be noted, however, that total income from investments (Permanent Fund) was \$35,583.77, and that expenses amounted to \$4,932.46, leaving a net balance of \$30,651.31, which amount was paid into the General Fund of the Grand Lodge in accordance with instructions of the Grand Lodge (SEE the report of the Committee on Finance in the Proceedings for 1958); and that net profit on sales of bonds and stocks amounted to \$6,244.81, which amount (\$6,244.81) was added to the surplus, the total of said surplus (of the Permanent Fund of the Grand Lodge) having been \$1,027,175.08 as of December 31, 1958.

**TRANSFER OF PROFIT ON SALE OF
UNITED STATES GOVERNMENT SERIES "F" BONDS
FROM SURPLUS TO INTEREST INCOME**

In our reports for the years ending December 31, 1957, and December 31, 1958, we reported profit on the sale of United States Government (Series "F") Bonds in the amounts of \$4,486.50 and \$1,548.40, respectively, for a total of \$6,034.90, this amount (\$6,034.90) being the difference between the sale price (\$34,024.00) and the cost (\$27,989.10) of certain of the United States Government (Series "F") Bonds purchased on May 25, 1951, from the Masonic Educational Loan Fund Committee for the investment account of the Permanent Fund of the Grand Lodge.

These items (\$4,486.50 in 1957 and \$1,548.40 in 1958) were considered and handled as capital gain and added to the surplus account of the Permanent Fund; however, we requested Brother Walter A. Watts, C.P.A., Auditor, to give us his opinion as to whether these items should have been treated as capital gain or as interest income, and he has advised us that "In our opinion the increment of such bonds should be recorded as interest income." Accordingly, we have transferred the said items (\$4,486.50 in 1957 and \$1,548.40 in 1958) from the surplus account of the Permanent Fund to an account showing the total of \$6,034.90 "Due the Grand Lodge" as interest income (\$4,486.50 for 1957 and \$1,548.40 for 1958). This action has reduced the surplus account of the Permanent Fund from \$1,027,175.08 as of December 31, 1958, as reported heretofore in this report, to \$1,021,140.18, and has established the Permanent Fund's liability to the Grand Lodge in the amount of \$6,034.90 for interest income earned in 1957 and 1958.

REPORT OF GRAND LECTURER

(Docket No. 40)

The Grand Lecturer presented the following report, which was read, entered on the record, and referred to the Board of Custodians:

To The Most Worshipful Grand Lodge of North Carolina:

First, I would like to pay tribute to the fine group of devoted brethren who have served their Districts and Masonry in general so faithfully and well throughout the state during the past year in the office of District Deputy Grand Lecturer. These brethren have labored hard and without much recognition because they love Masonry and I feel that they have made an important contribution to the Craft in the work they have done in raising the level of ritualistic proficiency in the lodges of North Carolina.

My work during the past year has been a distinct pleasure which would not have been possible without the able assistance of W. Broth-ers W. Edward Burrier, M. W. James Guy Johnston, M. W. Charles B. Newcomb, and many others who have been always ready to lend wise and kindly counsel whenever called upon which has been quite frequently and this in spite of the fact that they have had their own troublesome problems to solve and burdensome duties to perform. To the members of the Board of Custodians I offer my personal thanks for their friendly and courteous cooperation.

To all District Deputy Grand Masters I extend thanks for their able assistance when called upon; also, for the many kind invitations I have received to visit with the brethren at District Meetings, banquets and many other pleasurable occasions. Although I have had to decline most of the invitations received, I do appreciate your thoughtfulness and kindness.

I am very happy to report that because of the excellent groundwork laid by my predecessor, W. Brother W. Edward Burrier, and the zealous cooperation of the District Deputy Grand Lecturers, every lodge in this Grand Jurisdiction is current as to the lecture service as of January 1, 1959. This goal was reached in 1957 for the first time and I am grateful to you who have made it possible for the part you have had in maintaining this perfect score in 1958.

Of the fifty-eight Districts in the state, fifty-four held two or more Schools of Instruction in conformity with the requirements of THE CODE; two Districts had but one school. I regret that District Number Twenty-two and District Number Fifty-four did not report that any Schools of Instruction were held; however, it is expected that this situation will be corrected this year.

Our Grand Master has stressed the importance of The Lodge System of Masonic Education during his term of office and the Board of Custodians has strongly recommended its adoption. I am happy to be able to report that three hundred lodges are now using this system. Thirty-one lodges report that it is not being used. It is hoped that much emphasis will be placed upon The Lodge System of Masonic Education during the coming year and that every lodge in North Carolina will avail itself of this valuable tool.

I am happy to report, also, that a report of activities was received from each of fifty-five Districts. I regret that no report is

on file with the Grand Lecturer from Districts Numbers Twelve, Twenty-two and Fifty-four.

Information to you on the proficiency of the lodges at the time of this report is not fully completed, but I can assure you that the level of proficiency has been raised considerably and that the general condition in this field is very good.

I heartily recommend to the Board of Custodians the appointment of the following District Deputy Grand Lecturers for the ensuing year:

RESOLUTION OF THANKS TO CHARLOTTE

(Docket No. 41)

M. W. Brother William J. Bundy, P.G.M., presented the following resolution, moved that it be adopted, and it was adopted unanimously by a rising or standing vote:

We came, we saw, and we were conquered by the genuine hospitality of the brethren in Charlotte.

Our stay here during this Grand Lodge has been most pleasant, made so by the provision of the local brethren to that end. Nothing has been left undone to make our stay during this Grand Lodge Communication pleasant, comfortable and beneficial. We have dwelt here together in unity, or we hope so. Inspired by the Fraternal hospitality of the Charlotte brethren, we will leave here feeling better as men and Masons, and go back to our homes and lodges better men and better Masons.

THEREFORE, BE IT RESOLVED, That the members of the Grand Lodge here assembled express our sincere thanks and appreciation to Charlotte and to the Charlotte brethren for inviting us here, for their kind and sincere hospitality, the facilities for our meetings, and their efforts in making this a successful Annual Communication.

Fraternally submitted,

WILLIAM J. BUNDY, *P.G.M.*

EDWIN T. HOWARD, *P.G.M.*

LESTER H. GILLIKIN, *Junior Grand Warden*

REPORT OF COMMITTEE ON FINANCE

(Docket No. 42)

The following report of the Committee on Finance was read, unanimously adopted by sections, and then unanimously adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee on Finance reports that they have checked the report of the Grand Secretary and the audit of the Grand Auditor, and find that the Grand Secretary's Office received the following amounts from the sources tabulated and in parallel columns are shown estimates made in 1958.

ITEM: I	ACTUAL	BUDGET
1. Charges to Lodges, Per Capita, Initiation Fees, Charity and Other Charges-----	\$176,777.50	\$176,142.50
2. Drewry Memorial Fund-----	2,505.18	1,750.00

6. Permanent Fund Income-----	30,667.06	—0—
Total Revenue -----	\$215,391.05	\$179,292.50

ITEM: II

We underestimated our income by \$5,431.49, which was caused by the sale of books, charters, dispensations and miscellaneous items of income. We did not take into account income from the Permanent Fund of \$30,667.06. We overestimated our expense by \$365.77.

We have carefully checked the report of the Board of Directors of The North Carolina Masonic Foundation, Incorporated, and we commend the management of this Permanent Fund in their charge. We recommend that the net income from this Fund be left in the General Fund.

We are delighted to report that on December 31, 1958, there was due from Lodges only \$250.50, which we consider an exceedingly small Accounts Receivable.

We recommend that any surplus in the General Fund, after all expenses are paid or anticipated, be paid on the note of the Grand Lodge to The North Carolina Masonic Foundation, Inc.

We recommend that an honorarium of \$1,200.00 be paid to Brother Percy C. Scott out of the Charity Fund.

We concur in the resolution of the Committee on Jurisprudence to grant relief to Spencer Lodge No. 543, that inasmuch as an officer of this Grand Lodge through inadvertence, mistake or otherwise, is responsible for the discrepancy that now exists in the accounts of Spencer Lodge No. 543 with the Grand Lodge, caused by a member being carried on the records of the Grand Lodge as shown on Docket 44, report of Jurisprudence Committee, pages 183 and 184 of these Proceedings. We recommend that Spencer Lodge be credited with the Per Capita tax for this brother for the years 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957 and 1958, and all future years until this member shall be deemed mentally competent to stand trial or that he dies.

We have examined the report of the Special Committee relative to restoration of the marker at the grave of Past Grand Master Benjamin Smith and commend it upon its recommendation and request the committee to make the necessary repairs to the marker. We are happy to report that Brother C. T. McClenaghan has requested that he be allowed to donate the \$50.00 for these repairs. Your committee graciously accepted Brother McClenaghan's offer with the thanks of this Grand Lodge.

We concur in the recommendation of Grand Master Johnston that the report of the two special committees appointed to study the advisability of employing a full time Librarian-Director of Research and Grand Lodge mass subscriptions for the entire membership to The Orphans' Friend and Masonic Journal be approved.

REPORT OF THE BOARD OF CUSTODIANS

(Docket No. 43)

The following report of the Board of Custodians was read. Thereafter, W. Brother G. Dudley Humphrey, P.M., C.L., Judge Advocate, made the following motion which was adopted:

"That the report of the Board of Custodians be received and entered on the record and that the resolution and recommendations proposed in that report each be adopted."

To The Most Worshipful Grand Lodge of North Carolina:

FIRST MEETING

The Board has held five meetings since the last annual communication of the Grand Lodge.

On June 13, 1958, the Board met in the Masonic Temple, Charlotte, North Carolina. All members were present except W. W. Howard Hardy, P.M., C.L. M. W. James G. Johnston, Grand Master, *ex-officio* Chairman, presided. The Board organized as required under Regulation 35-02. W. W. Edward Burrier, P. M., C. L., Grand Steward, was elected Chairman; M. W. Chas. B. Newcomb, P. G. M., P. G. S., was re-elected Secretary.

No change was made in the present allowance for fees for the Lecture Service to lodges. We recommend that no change be made at this time in the allowance for fees for this service.

RULES GOVERNING THE LECTURE SERVICE

The Rules Governing the Lecture Service may be found in the Appendix of THE CODE, also in these Proceedings at pages 237-240, inclusive. The last issue of the rules is dated June 14, 1957.

MINIMUM REQUIREMENTS FOR A SCHOOL OF INSTRUCTION

The revised Schedule of Minimum Requirements for an Area or District School of Instruction, which was adopted by the Board on June 8, 1956, has proved to be very satisfactory and repeals all schedules heretofore promulgated. It may be found in these Proceedings at page 242.

DUTIES OF A DISTRICT DEPUTY GRAND LECTURER

The duties prescribed for a District Deputy Grand Lecturer will be found in Regulation 35-08(2B) of THE CODE as adopted April 17, 1957.

On November 1, 1957, all District Deputy Grand Lecturers and District Deputy Grand Masters were advised by circular as to those duties and as to the program of this Board in regard to the Ritualistic Work and Masonic Education. We call attention again to these duties because several inquiries have been made which could easily have been answered by referring to THE CODE.

LODGES NOT LECTURED IN TWO YEARS

The Grand Lecturer reported that the active work with those lodges which needed the Lecturer Service has produced very fine results and he expected to be able to make even a better report before the Annual Communication of 1959.

SECOND MEETING

On September 12, 1958, a meeting of the Board was held in the Masonic Temple, 329 South Tryon Street, Charlotte, North Carolina. All members were present. M. W. James G. Johnston, Grand Master, *ex-officio* Chairman, presided.

The Grand Master suggested that this Board recommend to the Grand Lodge that the use of The Lodge System of Masonic Education be made mandatory in all lodges. This was discussed but several members felt that we should defer action for a while. The voluntary use of the system is to be more desired than to make its use mandatory.

The idea of using the Area organization through which to promote all of the program of the Board of Custodians was discussed again. It will be given a trial soon.

The Grand Lecturer reported the following:

1. That our District Deputy Grand Lecturers are much more efficient, and rapidly improving, due to a better understanding and appreciation of the program of the Board of Custodians.
2. That he had vigorously continued his effort to promote Proficiency Examinations, Schools of Instruction and the Lecture Service, and would continue to do so.
3. That he had sent out four circular letters of instruction and programs that should be helpful to all District Deputy Grand Lecturers, and that he had already received several replies showing appreciation of those suggestions.

The Secretary reported:

1. That plans had been completed for the Proficiency Examinations next week.
2. That several requests had been made from Certified Lecturers for the Board to consider changing the month from September for holding Proficiency Examinations. A post card vote by the Certified Members will be taken to determine their opinions on the subject.

CERTIFICATES EXPIRED

The Board adopted the following resolution:

BE IT RESOLVED, That the three brethren whose names follow shall be dropped from the Roster of Certified Members unless they are re-examined by or before September 19, 1958, since their certificates have expired or will expire by that date.

<u>NAME</u>	<u>COUNTY</u>	<u>AREA</u>
Martin, Robert W.	Forsyth	III
*Moore, Louis C., Jr.	Mecklenburg	IV
*Walker, James H.	Clay	V
* Class B.		

These three brethren did not report for, or pass the, re-examination after due notice and their certificates having expired, they were each dropped from the roster of Certified Members as of September 19, 1958.

THIRD MEETING

On January 9, 1959, a meeting of the Board was held in the Grand Lodge Office Building, Raleigh. M.'W.'James G. Johnston, Grand Master, *ex-officio* Chairman, presided. All members were present except M.'W.'James E. Shipman, P.G.M.

The Secretary reported that the Area plan for the Proficiency Examinations has again proved very satisfactory. After discussion,

the Board unanimously decided to continue that plan for 1959, because it is a long step to more efficient work; and in the future it may be the basis for an organization in each Area to handle details of examinations, and the program of Masonic Education in the lodges.

The Secretary reported that there will be due for re-examination in 1959, 107 Certified Lecturers, and 8 Certified Instructors, a total of 115.

EXEMPLIFICATION OF DEGREES

The Board decided not to attempt the exemplification of the three degrees at the Annual Communication of the Grand Lodge in 1959, because the change in the hour of convening from 7:30 p.m., to 3:00 p.m., on Tuesday does not allow enough time to do the work creditably.

CHANGE OF MONTH FOR PROFICIENCY EXAMINATIONS

The result of the vote taken on the question of changing the month for holding Proficiency Examinations from September was announced as being in a very large majority for "no change"; therefore, the examinations will be held in September.

PROFICIENCY EXAMINATIONS—1958

The Secretary reported on the Proficiency Examinations held in September 1958 as follows:

Area	Examined		Passed		Re-Exam		B- to A	NEW		Total A & B
	A	B	A	B	A	B		A	B	
I	10	0	10	0	9	0	0	1	0	10

V	9	0	8	0	6	0	0	2	0	8
TOTAL	76	6	73	6	46	0	4	23	6	79

FOURTH MEETING

The Board held a meeting on March 13, 1959, in the Grand Lodge Building, Raleigh. W. W. Edward Burrier, P.M., C.L., Grand Steward, Chairman, presided. All members were present except M. W. James G. Johnston, Grand Master, and W. Scott S. Fay, P.M., C.L., who were detained on account of illness and W. Howard Hardy, P.M., C.L., detained because of business.

The Grand Lecturer reported on the Schools of Instruction as held in 1958, and to date in 1959. These will be included in his annual report to the Grand Lodge. (See Docket No. 40 in these Proceedings.)

He will include in his report to the Grand Lodge the details of the work done under his leadership for the past year.

FIFTH MEETING

The Board held a meeting on Monday, April 20, 1959, at the Charlotte Hotel, Charlotte, North Carolina. All members were present except M. W. James G. Johnston, Grand Master. W. W. Edward Burrier, P.M., C.L., Grand Steward, Chairman, presided.

NUMBER OF CERTIFIED MEMBERS

The Secretary reported the number on the Rosters of Certified Lecturers and Certified Instructors as follows as of October 1, 1958.

CLASS	NUMBER October 1, 1957	SAME ON October 1, 1958	CHANGE
A	403	*428	G 25
B	18	18	G 0
TOTALS	421	*446	25

*One Certified Lecturer, W. Sol Lipman, P.M., C.L., died July 2, 1958, after this table was prepared, therefore, the total Certified Lecturers as of April first, 1959, is 427.

We sincerely regret to report the death of Brother Lipman. He was one of our most faithful Lecturers and a supporter of our program for many years. We record our appreciation for his devotion to Masonry and his willingness to serve when called.

A complete roster of each class and other data will be found on pages 210-234, inclusive, of these Proceedings.

MASONIC EDUCATION

Since our reports indicate that there is a sustained and increasing interest in the Lodge System of Masonic Education, we recommend that the Grand Lodge continue this educational effort; and, for the purpose of carrying out this recommendation, we present the following resolution and recommend that it be adopted.

*BE IT RESOLVED, That the Lodge System of Masonic Education approved by the Grand Lodge in 1935 (Pro. 1935, pages 32 and 86, and again in 1949, Pro. 1949, page 197) be continued and that each lodge be requested to put that plan in operation promptly.

*This resolution was adopted by the Grand Lodge.

We do not recommend at this time that this program be made mandatory.

LODGES LECTURED IN 1958

The record furnished by the office of our Acting Grand Secretary indicates that 168 lodges were lectured for which the Grand Lodge allowed compensation. Twelve lodges were excused during 1958, making a total of 180 cleared during 1958 as having complied with Regulation 35-09. We report that 106 Certified Lecturers took part in lecturing lodges during 1958.

LECTURE SERVICE

We urge our Certified Lecturers to read and observe carefully the amended Rules for the Government of the Lecture Service as found in the Appendix to THE CODE and also printed in these Proceedings of the Grand Lodge.

MISCELLANEOUS

Since our last report no lodge has applied for permission to use robes in conferring degrees.

The application from the following lodges to be excused from Lecture Service as required in Regulation 35-09, having been properly investigated, were each approved:

We recommend the adoption of the following resolution authorizing the reimbursement to the subordinate lodges for compensation for Lecture Service paid out by them:

*This resolution was adopted by the Grand Lodge.

As provided in Regulations 20-05(2) and 35-06(1), the Board of Custodians unanimously nominated Brother William Knox Price, P.M., C.L., a member of Excelsior Lodge No. 261, Charlotte, North Carolina, as Grand Lecturer; and this nomination has been laid before the incoming Grand Master for his consideration.

DISTRICT DEPUTY GRAND LECTURERS FOR 1959-1960

The Grand Lecturer, W. William K. REPORT OF COMMITTEE ON APPEALS

(Docket No. 45)

The Committee on Appeals presented the following report, which was read, and upon motion, duly seconded, was adopted by sections and then adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all cases which have been completed since the Annual Communication in 1958, and now pending before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of Trial Commissioners, the service of notices upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106, inclusive, of THE CODE of 1948, as amended. Your Committee approves the decision of the Trial Commission in each of the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 129: In the matter of charges preferred against a Master Mason of St. John's Lodge No. 4, A.F. & A.M.
Expelled: September 12, 1958.

2. We have reviewed the record in all cases which have been completed since the Annual Communication in 1958, and now pending before the Committee, wherein the accused has been expelled under the provisions of Regulation 99-22. We particularly directed our attention to the strict compliance with the Regulation, and in each of the following cases we recommend that the decision of the Judge Advocate be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 130: In the matter of charges preferred against a Master Mason of Jerusalem Lodge No. 95, A.F. & A.M.
Expelled: April 12, 1958.

TRIAL DOCKET NO. 131: In the matter of charges preferred against a Master Mason of Palmyra Lodge No. 147, A.F. & A.M.
Expelled: April 29, 1958.

TRIAL DOCKET NO. 133: In the matter of charges preferred against a Master Mason of Allen-Graham Lodge No. 695, A.F. & A.M.

TRIAL DOCKET NO. 135: In the matter of charges preferred against a Master Mason of South Fork Lodge No. 462, A.F. & A.M.
Expelled: April 26, 1958.

TRIAL DOCKET NO. 136: In the matter of charges preferred against a Master Mason of Gastonia Lodge No. 369, A.F. & A.M.

Expelled: January 6, 1959.

TRIAL DOCKET NO. 143: In the matter of charges preferred against a Master Mason of Fallston Lodge No. 356, A.F. & A.M.
Expelled: January 28, 1959.

TRIAL DOCKET NO. 144: In the matter of charges preferred against a Master Mason of Lawndale Lodge No. 486, A.F. & A.M.
Expelled: January 28, 1959.

TRIAL DOCKET NO. 145: In the matter of charges preferred against a Master Mason of Andrew Jackson Lodge No. 576, A.F. & A.M.

3. TRIAL DOCKET NO. 146: In the matter of charges preferred against a Master Mason of Wake Forest Lodge No. 282, A.F. & A.M.

In this case the accused was expelled on June 13, 1958, by Argonaut Lodge No. 461, A.F. & A.M., under the jurisdiction of the Grand Lodge of California, and his expulsion was affirmed by the Grand Lodge of California on October 2, 1958.

We have examined portions of the record, and find that proper notice has been given to Wake Forest Lodge, in accordance with the Regulations of this Grand Lodge.

4. In the matter of the application of Claude Spencer Chamberlain for Restoration to Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on October 5, 1936, by St. John's Lodge No. 4, A.F. & A.M. A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on St. John's Lodge No. 4, but not more than ninety days before this Annual Communication, as provided by Regulation 109-06(2). However, by resolution adopted at a stated communication of St. John's Lodge No. 4, on March 9, 1959, the provisions of Regulation 109-06(2) were expressly waived in favor of the petitioner as appears from a certified copy of such resolution. No petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provisions of Regulation 109-07. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore Claude Spencer Chamberlain to all the rights and privileges of a non-affiliated Mason.

5. In the matter of the application of Paul Jackson Mazingo for Restoration to Masonic rights and privileges. The application of the

petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on December 1, 1945, by Queen City Lodge No. 602, A.F. & A.M. A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Queen City Lodge No. 602, on the 15th day of January, 1959, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provisions of Regulation 109-07. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore Paul Jackson Mazingo to all the rights and privileges of a nonaffiliated Mason.

6. In the matter of the application of P. C. W. for Restoration to Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. The petitioner was dismembered on February 18, 1956 (TRIAL DOCKET NO. 105). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Fellowship Lodge No. 687, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 13, 1959, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provisions of Regulation 109-07. It appears that this petitioner applied for restoration in January 1958, and after carefully examining the record in the matter, this Committee reported to the Annual Communication of 1958, that it was of the opinion that the seriousness of the charges for which the petitioner was dismembered were such that the petitioner was not entitled to restoration at that time. The petition now before us contains no new matter. This Committee is still of the same opinion. For that reason we recommend that this Grand Lodge deny such application for restoration.

7. In the matter of the application of E. L. B. for Restoration to Masonic rights and privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on February 18, 1953 (TRIAL DOCKET NO. 59). A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Fair Bluff Lodge No. 190, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on August 18, 1958, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provisions of Regulation 109-07. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges for which the petitioner was dismembered are such that petitioner is not entitled to restoration at this time. For that reason this Committee recommends that this Grand Lodge deny such application for restoration.

GRAND MASTER JAMES GUY JOHNSTON

By training, experience and ability, our Most Worshipful Grand Master was eminently fitted for the exalted position he has filled so successfully and courageously. He has been confronted with problems of unprecedented importance, all of which he has met with courage and positive action, ever mindful of the rights of others and that every Mason is his brother and deserves full consideration.

While he has had to forego attendance at meetings on numerous occasions where fellowship and fraternal contacts would have left precious memories, yet he has not allowed these disappointments to cause him to neglect the more important duties of the office.

We congratulate him on his accomplishments and feel confident that the craftsmanship he has displayed as Grand Master will become more and more evident through the years to come.

For many years Masonry in North Carolina has been a harmonious and cooperative organization and our hope is that neither envy, discord nor confusion shall ever be permitted to disturb the peace and good fellowship which has ever characterized Masonry in this Grand Jurisdiction.

RULES FOR GOVERNING THE OFFICIAL STANDARD OF THE WORK AND THE VOCABULARY

(In Effect June 8, 1951)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-08, as adopted in 1948, and as amended in 1951.

(Promulgated by the Board of Custodians, at Charlotte, N. C., June 8, 1951).

Rule 1. The Grand Secretary shall be the Custodian of all unissued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.

Rule 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.

Rule 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.

Rule 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.

Rule 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so receiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule 4.

(b) In case a brother, who holds a copy of the Official Standard

of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.

Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official Standard of the Work or the Vocabulary, and it shall be the duty of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary, and report his action to the Grand Master without delay. [See also Regulation No. 30-07 (4)].

Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.

Rule 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.

Rule 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

RULES FOR THE GOVERNMENT OF THE LECTURE SERVICE

(June 14, 1957)

(Promulgated by the Board of Custodians June 11, 1948, effective July 1, 1948, and amended in 1953, 1956, and April 17, and June 14, 1957).

1. Lecture Districts are hereby abolished.
2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
4. (a) The revised and amended Regulation 35-09, effective April 17, 1957, reads as follows:
 1. REG. 35-09. Each subordinate lodge shall engage the services of a Certified Lecturer for instruction in the ritualistic work for one week or the equivalent thereof every two years.
 2. At least fifteen consecutive calendar months shall elapse between the dates of such instruction.
 3. However, the Board of Custodians in its discretion, and upon application, may excuse a lodge from this requirement for not more than one year from the date of its application; and thereafter the Board in its discretion, and for good reasons, and upon another application, may excuse the lodge for not more than one additional consecutive year (making a limit of two consecutive years that such lodge may be excused), and after which no further excuse shall be granted such lodge until after it has been actually instructed as hereinbefore required.
 4. A lodge that has been excused shall obtain the required instruction in the ritualistic work through the Lecture Service within one year after the last day of the period for which it was last excused.
 5. A lodge that has not been lectured *within four years* shall not be excused.

EXAMPLE SHOWING OPERATION OF THE ABOVE

Lines	LODGE "A" was last lectured	1-1-57	
3	It is delinquent two years <i>after</i> that date	1-1-59	2 years
8	First application for excuse (1-1-59 good for 1 year)	1-1-60	1 year
11-12	Second application for excuse (1-1-60 good for 1 year)	1-1-61	1 year
20-21	TOTAL years from date last lectured	4	years
13-20	It can NOT be excused again until after it is lectured.		
18	MUST be lectured within 1 year AFTER 1-1-61	1-1-62	1 year
	Years between lecture service, maximum	5	years
(b) For the instruction required in Regulation 35-09, as quoted above in lines numbered 1 through 5, the Grand Lodge will			

allow credit, or will refund to a lodge the fee, as set forth in Rule 5 below.

(As amended and approved by the Board of Custodians. 6-14-57).

5. The required one week of instruction may be complied with in either of the two following methods:

- (a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also that there shall be instruction on each of not less than five different days, *all within seven consecutive days*, and for this class of service the fee shall not exceed \$50.00 per week, or

(As amended; and approved by the Grand Lodge. Page 185. Pro. 1956).

- (b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed \$40.00 for twenty-four hours of instruction. (See Rule 13).

6. The Board of Custodians recommend that the instruction be rendered on consecutive days, whenever it is practicable or if circumstances render it more efficient, but this is not mandatory.

7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.

8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B", for which he shall *not* receive compensation; but this class of instruction shall not be considered as compliance with Regulation 35-09.

9. The Grand Lodge will refund to a lodge, or will allow it a credit for, the fee actually paid out as set forth in Rule 5, when the lodge is instructed for the minimum of one week in every consecutive two years as required in Regulation 35-09, and in these rules. If the lodge does *not make a payment* for the instruction the Grand Lodge will not allow a credit nor make a refund, but a *report* of the instruction given shall be made as required under Rule 13.

- (a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within ten days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09, and these rules, the lodge is entitled to a refund for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.

- (b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary on Official Form No. 38 before December 20 of each year. (See Rule 13).
 - 10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall:
 - (a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.
 - (b) Transportation expense shall not exceed eight cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.
 - (c) Comply with Rule 13, below.
 - 11. A lodge *not entitled* to instruction in the Ritualistic Work, under Regulation 35-09, and these rules, which accepts instruction from any Class "A" Certified Lecturer, will pay the fee, as defined in Rule 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge. (See Rule 13).
 - 12. A lodge may obtain *special* lecture service or instruction as often as it desires. But the lodge, in such case, will pay all fees as set forth in Rule 5 (a) or (b) and such expenses incident thereto which exceed one week in every two consecutive years as set forth in Rule 4, without reimbursement from the Grand Lodge. A report of any such work done must be made as required in Rule 13. (See also Rule 10).
 - 13. Within ten days after *any* lecture service is rendered a lodge under Rule 5 (a) or (b), whether or not it is *paid for* by the lodge, shall be reported by the Secretary of the lodge to the Grand Secretary on N. C. Official Form 38, for the Grand Lodge records. [See also Rule 9 (b)].
 - 14. In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state "his opinion," but he is not authorized to insist that his way is the only way to do such work.
- (As approved: Pro. 1953 P. 161. Effective 4-22-53).
- 15. The Grand Secretary shall prepare and provide all forms for certificates, reports and records under these rules.

16. When these rules become effective on June 14, 1957, all previous rules which are in conflict herewith are hereby repealed.
17. In computing the time elements set out in Regulation 39-09, the *last* day of any determinative-period-of-actual-instruction shall be used.

By authority of Regulation 35-08(3).

FRATERNAL CORRESPONDENCE

REVIEWS OF THE FRATERNAL CORRESPONDENT

The Grand Lodge Proceedings for 1958 cause me to feel that Masonry in the United States is as it were on a plateau, perhaps not receding but hardly advancing. Most Grand Lodges report increases in membership but many much smaller such increases than in preceding years. Missouri and New York have joined Illinois and Vermont in reporting decreases. These facts of themselves are not necessarily alarming if it means that quality is being raised at the expense of quantity. Most report improvement in ritual work and increased efforts to improve the Masonic education of candidates and craftsmen. This shows a great effort at progress. At the same time, however, we read complaints of poor attendance at lodges and at Grand Lodges as well. One Grand Master reported an average attendance of from 10 to 15 per cent of lodge members, another the absence of many lodges at the Grand Lodge meeting. As a counterbalance to that over three thousand attended the meeting in Toronto of the Grand Lodge of Canada in the Province of Ontario which it was my privilege to attend. Again, the number of members suspended for non-payment of dues continues high. Many inspiring speeches are delivered by Grand Masters and Grand Orators. Are these reaching down to the grass roots of the Craft? The enemies of Masonry are strong and are growing stronger. We have a great task ahead of us. Are the Master Masons aware of it and alert to meet the needs of today? Are we putting more Masonry into men?

Counterbalancing these rather pessimistic remarks, are the fine activities of lodges and Grand Lodges in their reports of services, homes for children and for the aged, increasing interest in and support of youth organizations, DeMolay, Rainbow, and Job's daughters, service to veterans and to the needy wayfarer among us, and contributions in time of disaster. In these matters the spirit of Masonry is very much alive.

Other hopeful signs are found in the increase in the number of new lodges in many jurisdictions and in the continuing large numbers of fifty and sixty year awards.

Two disturbing matters should be reported. To quote from the report of the Grand Master of Minnesota:

"To use the word 'Mason', 'Masonic', or 'Freemason' or any Masonic emblem, as a part of a business firm name or concern or on its business cards, circulars, or advertising or on the back of playing cards, or to use the word Lodge in association with the name of any other organization, or in any manner which by inference or otherwise identifies the word Lodge as referring to a Masonic Lodge, or Masonic Lodges, and after March 31, 1899, to become a policy holder in any life insurance company or association using these words or emblems.

"It is clear that this company is acting in violation of our Masonic Code and that any Mason holding a policy in this company and belonging to a Constituent Lodge in the Grand Jurisdiction is in violation and is subject to discipline.

"Upon receipt of the information I wrote to the Grand Master of Massachusetts and informed him of our regulations and voiced my complaint. He has informed me that this company has caused the Grand Lodge of Massachusetts much

embarrassment but that they can do nothing about it. Apparently this Company began operating and registered or patented its name and insignia before the Grand Lodge of that State adopted legislation forbidding it. He further stated that the officials and known stockholders of the company were not Master Masons so they could not be disciplined.

"He cited an instance where a Master Mason, whose wife was a Roman Catholic, had taken out a policy with this company. He later took his own life by suicide and when the wife attempted to collect, she was shown that in the 'fine print' of the policy, a provision was made that the terms of payment were void when death occurred in that manner. She immediately protested to the world that the Masons were denying her payment as she assumed that because of the word 'Masonic' in the name of the company that it was strictly a Masonic Organization and a part of the Masonic Fraternity.

"I have dwelt on this incident at length because I want to bring this to your attention and to advise you to check over your insurance policies to ascertain if you are in violation of our Masonic Law. I request you to bring this to the attention of the membership of your Lodges."

The same company applied to the Grand Master of North Carolina. In his report (April 21, 1959) he gave the following opinion:

"I have given your letter and the items attached thereto careful consideration. I have also investigated prior matters affecting or pertaining to non-profit insurance, or fraternal benefit companies, or societies attempting to do business under the name of Masonry in North Carolina and claiming to be conducted by, or for the benefit of Master Masons exclusively; and I am of the opinion that I have no power to authorize the 'M. C. Co.,' a Massachusetts corporation to advertise for, or solicit members in the State of North Carolina. I am of the further opinion that your proposed plan of advertising for, and soliciting memberships in your 'fraternal benefit association' is in contravention of the declared policy and law of this Grand Lodge."

The insurance may be very good as some say but it apparently is not "Masonic."

The other matter is more serious because it pertains to the harmony of Masonry. In the 1957 Proceedings, the Grand Secretary of Nova Scotia made the following report:

"8. Prince Hall Grand Lodge

"It will be remembered that the Prince Hall Grand Lodge of New York established in Halifax in 1948 a Lodge known as Mt. Messiah No. 87 and that about the same time Equity Lodge No. 106 was warranted by this Grand Lodge. An edict of non-intercourse was issued by this Grand Lodge and a correspondence begun by our Grand Secretary with the Prince Hall Grand Lodge insisting on their withdrawal of their warrant for the rival Lodge.

"In February, 1954, a conference was held in New York at which we were represented by M. W. Bros. P. S. Cochran, then Grand Master; N. T. Avard and the Grand Secretary, but no agreement was reached. The Grand Secretary has, however, persisted over the past nine years and on his return from the Grand Secretaries' Conference at Washington stopped over at New York and met the Prince Hall Grand Master and his Advisory Board in a very harmonious Conference and has succeeded in reaching a full agreement on all points, by which, in brief-the warrant for Mt. Messiah

Lodge will be withdrawn within two years from March 1st, 1957. The members of that Lodge will, in the meantime, decide as individuals whether they will apply for the three degrees in Equity Lodge, Halifax, or some other Lodge in Nova Scotia; the Prince Hall Grand Lodge to attach those who do not do so to their Grand Secretary's Office as Prince Hall members at large.

"The Advisory Board has approved of all details of this most desirable agreement and is happy that the New York group has agreed to withdraw from our Jurisdiction."

The Grand Lodge of Mississippi finding in this action "recognition and acceptance of clandestine Masonry in your jurisdiction" has severed fraternal relations with the Grand Lodge of Nova Scotia.

Alabama reported one lodge constituted and two instituted, three cornerstones of new lodge halls laid and 114 fifty year buttons awarded. The Grand Master issued dispensations to confer the degrees on 14 maimed candidates.

A noteworthy paragraph from the Report of the Committee on Foreign Correspondence:

"The spirit of fanaticism and intolerance still prevails in some unhappy and widely separated areas of our world where men aspire to the blessing of freedom—to act, to think, and to worship their Creator in a manner agreeable to the dictates of their conscience, but are, unfortunately, denied these blessings through the insolence of power and the expediency of political and religious despotism. Many members of the Masonic Fraternity have become the victims of world despots and tyrants in the unhappy lands of their abode; they have been subjected to cruelty and persecution for no other reason than that they disapproved of a church, a school, and a seat of civil government being housed under one roof; their houses of worship desecrated and destroyed, their homes and lodgerooms violated, and their personal property confiscated. These brethren, because of their loyalty to their Masonic brethren, must suffer in silence, or, speaking in defense of their rights, suffer a worse fate. The index of the dial of human progress cannot be turned backward, and relief from arbitrary power and injustice, though perhaps remote, is most certain. Freemasonry has in past centuries, and will forever, stand as a watchman and guardian of liberty on the ramparts of freedom."

Arizona held a special Communication to celebrate the 75th anniversary of the Grand Lodge on a beautiful site overlooking the Grand Canyon. Here "on the highest hills and in the lowest dales" the three degrees of Masonry were conferred. The meeting began at 5:45 a.m.

When the Grand Lodge assembled for its annual meeting all fifty-four lodges were represented, a striking exception to one of our earlier remarks.

The Grand Master refused to allow a Masonic supper club to use a Masonic emblem on its dues cards. He recommended a per capita tax to support the work of DeMolay. This was disapproved on the ground that sponsorship and assistance should be solely at the voluntary action of the individual lodge. The Grand Lodge appropriated \$1,000.00 for scholarships for DeMolay boys or sons of Masons.

The Grand Master allowed "affirm" to be substituted for "swear."

The relief work of the Southern Arizona Sojourners' Club and the Wayfarers' Club of Prescott deserves especial mention.

A lodge of research was approved.

From the Report of the Grand Master of Connecticut:

"No review of the past twelve months can ignore the significant events of world history which have been occurring all around us. We cannot perform our labors in a Masonic vacuum. The Russian Sputniks, the revolution in Indonesia, and the sharp increase in unemployment in our own highly industrialized state; these are a few of the developments since our last communication which will create some very practical problems for Masonry, but at the same time will offer it some unusual opportunities to emphasize the potentialities of its universal principles.

"Unemployment means less money for charitable and fraternal interests. Lodges should make careful studies of the effects of unemployment on their membership; future plans and projects should be based on such realistic appraisals.

"The expulsion of the Dutch from the economic life of Indonesia is the result of explosive forces seeking to assert the still new revolutionary doctrine that men are born free to enjoy certain inalienable rights. Its painful manifestation in the islands of the East should remind us of how wide has been the disparity between practice and ideal. Masons more than ever must commit themselves to the doctrine of universality, not merely in ethics and morality, but also in concepts of class, race, and human worth. All God's children have wings!

"The Russian space satellites have ushered in a new era, the miraculous age of inter-planetary communication. In the hands of Communist totalitarianism, those devices are a grim reminder that we must keep pace in science and exploration, if only to survive. But instead of being dominated by our fears, and engaging in frantic witch-hunts to find scapegoats for America's failure to keep ahead of the Russians, Masons should realize that the fundamental crisis of our time is a spiritual crisis, and earnestly re-assert the need for an idea, a compelling idea, of the moral and spiritual structure of the universe. We have such an idea, my brethren,—the brotherhood of man. The world needs that idea. Let's put it to work!"

One of the questions arising in Grand Lodges and decided differently is that of public installations of officers. The Grand Master approved as "good public relations" if properly performed. He disapproved the holding of raffles, lotteries, or bingo games as unwise and unMasonic though legal in Connecticut. We were delighted to read that the Jeremy Ladd Cross medal was conferred on Grand Historian Case whose excellent work is well known to Masonic students. The Grand Master recommended the appointment of a committee to study Masonic Public Relations and the desirability of publicity for Masonic bodies.

The Grand Master of Florida reported three new lodges. The Grand Orator's address was entitled "The Invisible Bridge."

"Masonry is a response to the great needs of humanity. It tries to do something about the abiding troubles of mankind. In its quiet but sublime way it attempts to lead men upward, from darkness to light. It shows the way to good living through brotherhood, helpfulness, faith in Providence, and

by standing against the evils that beset mankind in every form and fashion.

In a word, Masonry attempts to build a better world. Build, ah, that is the word. Masons are builders. We built temples, viaducts, forts, castles and cathedrals in the old days. Slowly we changed our emphasis from material things to social, spiritual, ethereal, unseen ones. To use a metaphor, I have thought of Masonry on the whole as an age-long effort to build a bridge—an invisible bridge it is true—but a bridge nevertheless across which we can move against all the troubles and vicious practices that have made mankind so tragically unhappy."

The Committee on DeMolay reported continued growth and effectiveness of the order and urged that its program be presented by District Deputy Grand Masters during their visitations.

Ten cornerstone layings (7 of temples) were reported by the Grand Master of Georgia, two lodges were constituted and seven instituted. A committee was appointed to consider the Grand Master's recommendation of a Masonic and Eastern Star Home.

Attempts to change the strict liquor law of the Grand Lodge failed.

Illinois reported a loss of 2,206 for the year with a total membership of 246,639. The Grand Master urged an increase in lodge fees and the creation of a Charity Fund in every lodge. The Oration in this Grand Lodge is always one to look forward to. We quote two short sections.

"Being a Mason is an honor, an obligation, an opportunity, a challenge and a destiny. It is an honor to bask in the light and prestige established by our forebears. It is an obligation to the founders of the Craft for creating and developing this great Fraternity. It is an opportunity to spread liberally the cement of brotherly love. It is a challenge to follow the two soul-stirring Commandments for happiness—first, 'Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind,' and second, 'Thou shalt love thy neighbor as thyself.' It is our destiny to lead the world. As Masons, we must kneel downward in recognition of our fealty to God, and reach upward to the stars which shine down upon us in blessing."

"I firmly believe that Masonry is the divine-inspired agency through which we can and must meet the present crisis. Our newspapers and airplanes were buzzing last month with the election returns from the State of Maine. Immediately, many politicians took up the cry, 'As Maine goes, so goes the nation.' Verily, I say unto you, as Masonry goes, so goes the nation. Based upon all that is good and pure and holy in man, our Fraternity offers the way of building toward a spiritual standard of perfection. It is the Star of Bethlehem pointing to an everlasting inheritance, gained by moral up-building and spiritual progression. Instead of the guided missiles of our Armed Forces, let the Epistles of the Bible guide us. Instead of a rocket to the moon, let us have a Rock of Ages in every man's heart. Instead of Hurricane Helene spreading destruction on the climatic horizon, let us have Hurricane Hiram disseminating fellowship on the fraternal horizon. Instead of Russian Sputniks containing dogs, let us have Masonic sputniks containing the precepts of brotherly love, relief and Truth. Russian satellites are made of chemi-

cal, fabrics and materials. Masonic satellites are made of the ingredients of brotherhood. Russian satellites send messages about the weather, hemispheric conditions and geography. Masonic satellites send messages of citizenship and human relations. Russian satellites are material. Masonic satellites are moral. Russian satellites will disintegrate in time. Masonic satellites will live forever in our hearts, minds and lives, and with all the world about us."

Indiana relaxed its law on the liquor question on the suggestion of the Grand Master. The new law reads as follows:

"The lodge may not rent, lease or sub-lease any part of the building in which the Lodge rooms are located, to any person or persons or to any business entity or organization that sells or dispenses alcoholic beverages, and may not grant permission to any person, persons, business entity or organization to use such Lodge property for such purpose. *However*, the Grand Master, with the approval of the Committee on Jurisprudence, may grant permission to a Lodge to rent, lease or renew a lease on parts of its building not used for lodge purposes, to a drug store, grocery store or similar business carrying packaged liquors as a merely incidental or minor part of its regular merchandise, provided that such goods are not to be consumed on the premises."

Five cornerstones were laid and three new lodge halls dedicated. The Grand Master reported the continued existence of a clandestine lodge in East Chicago.

We mourn with our Indiana brethren the loss of their Grand Master who died just two days before the annual communication.

Iowa reported three new lodges but a loss of 292 for the year. The Grand Master and other officers visited Brother W. O. Hopkins, 102 years old and eighty years a Mason.

QUESTION: Should a lodge accept a petition from a person who lists his occupation as a "bartender"?

ANSWER: Selling liquor in conformity with the laws of the United States and the State of Iowa is not a Masonic offense. To pass upon the fitness of an applicant is the prerogative of the lodge.

QUESTION: Is a foreign born person not yet a citizen eligible for membership?

ANSWER: There is no provision in Masonic Law requiring a candidate to be a citizen of the United States.

The Grand Lodge withdrew recognition from Uruguay and Sao Paulo and recognized the Grand Lodge "Unida" of Sao Paulo.

Kansas with a membership of 101,277 reported a net gain of 16 and 188 lodges absent from Grand Lodge. It recommended a Committee on Public Schools and authorized sponsorship of DeMolay. The Grand Master laid six cornerstones and dedicated four new halls.

From the address of the Grand Master:

"Let each of us pause a moment—let each of us frame a brief definition of Masonry—this is what Masonry means to this individual Freemason. To-night in a moment of solitude reappraise that definition. Put this conclusion in written words. I venture to predict that you will write something like this: 'Masonry is a fraternal organization which admits into its ranks only men who believe in Almighty God, and whom it believes are of good character; and by its ceremonies of initiation and its lectures Masonry instructs its members

in good conduct and uprightness of manhood. It keeps secret the exact nature of its ritual and certain grips and signs as means of recognition and to strengthen the spirit of brotherhood.' Is Masonry any more than this—could it be more! We cannot pass on to those who follow, Masonry unimpaired unless we understand what it is and unless it has vital meaning to us.

"Next, I urge you to be more ready to tell the sincere non-Mason what Masonry is. A crystalized conception of its significance to you will make this possible. Masonry has 'nothing to hide.' We, of course, conceal the secrets, our grips, words and details of our ceremonies. But we need not hesitate to tell what Masonry is.

"My last suggestion is simply this: Live as Masons. While I said 'simply,' I do not imply that it is easy. Yet, only here, outside the tiled lodge, can we contribute to the growth of Masonry in greatness of heart. Only as each Mason lives his belief in the Fatherhood of God and the Brotherhood of Man can our Fraternity stand straight, strong and tall.

"When the wisdom and strength of man fails, there is an inexhaustible supply above. With the aid of the Grand Architect of the Universe, Masonry can be better because of us, and the world better because of Masonry."

Kentucky reported generally good conditions, one new lodge and a net gain of 1,228. The Grand Master awarded 243 50-year buttons. The Grand Lodge allows a collective ballot. Most Worshipful Charles A. Kentis' reviews are very full, very fine, and exceedingly useful with his comments. We belong to the same profession and I remember our association with great pleasure.

Louisiana reported contributions of over \$50,000.00 for the Cameron disaster. The Acacia fraternity house at Louisiana State University was built with the aid of Masonic contributions. The Grand Master laid the cornerstone.

An open air meeting for conferring the third degree is held in June on Fort Hill in Harrisonburg, with an average attendance in excess of 1,000. The Fort was built during the War Between the States and named for General Beauregard. Memorials for those who gave their lives in later wars have been set up by the local Parish. It appears to be a fitting place for Masonic activity.

The Relief Lodge in Shreveport is serving Masons, their widows and orphans in the area in true Masonic spirit.

The Masonic Educational Foundation has funds so that all eligible children from the Home (present number 51) can have the advantages of a college education. Nine are now attending. "Aid not needed or required by children of the Masonic Home may be and is extended to any worthy young man or woman needing aid in the attainment of a college or university education." The 83 year old President of the Foundation gives a fascinating account of his family background and the reasons for his continuing participation. His great grandfather was a charter member of Perfect Union No. 1. His nephew is a member of the same lodge.

The Grand Lodge maintains a Masonic cemetery.

The Review furnishes us with a statistical analysis of the Proceedings by states showing a total of 4,039,198 Masons in the United States.

Maine reports better attendance and more candidates in active lodges. The Grand Master credited the improvement to the stepping

up of educational programs "instilling in the hearts of their members a greater appreciation for the great heritage which is ours as Masons." The Grand Lodge contributed \$500.00 to Louisiana for the Cameron disaster. Forty-nine Masons from various points formed a cavalcade and drove to the Blood Center to pay off an indebtedness to the Blood Bank of the Grand Lodge of Massachusetts. They were greeted by the Grand Master of Massachusetts. Forty-three were accepted as donors. This is a remarkable story worth repeating. The Grand Master found it necessary to forbid nicknames to be used on dues cards and the issuance of two cards when a man is known by his nickname rather than his name. Most Worshipful Brother Pollard's reviews are always excellent and I enjoy our exchanges and his compliments.

The Grand Master of Maryland notes an increase in the number of Masonic Clubs. He fears they may result in a further deterioration of lodge attendance. The Blood Donor Program is highly successful. Manuals regulating the service are being prepared by the committee for distribution to the lodges.

Maryland assures good officers by strict requirements.

"Only a Warden, Past Warden, or Past Master shall be eligible for Worshipful Master. No brother shall be installed Worshipful Master of a Lodge. . . unless he present a certificate from the Committee on Work, or the Grand Lecturer, that he is qualified to confer the three degrees of Masonry, and pass a satisfactory examination on the 23rd Article of the Constitution, and the Standing Resolutions of the Grand Lodge pertaining to the government of subordinate Lodges. . ."

The Grand Lodge provides schools and examinations in Masonic law for wardens. An examination in the catechism of the third degree is required within one year and before application is made for bodies requiring Masonic affiliation.

Massachusetts celebrated the 150th anniversary of one lodge and the 100th anniversary of others. As always reports of these meetings are accompanied by histories of the lodges. The Grand Master reported on the great success of the Blood Program with a tribute to the brethren from Maine. Brother Thiery is second oldest Master Mason, 107 years of age and just short of eighty years a member.

The Grand Master of Minnesota laid the cornerstone of the Masonic Memorial Cancer Hospital on the campus of the University of Minnesota. The most significant action of the Grand Master has already been reported. The work at Rochester, a great service to Masons and their families, continues.

The wife of the Grand Master of Mississippi was Worthy Grand Matron of the Order of the Eastern Star. As already reported the Grand Lodge severed fraternal relations with Nova Scotia. The Grand Master recommended the creation of an Americanism Fellowship to provide for a High School senior a course of study in Government and Foreign Affairs at George Washington University. A committee was appointed to study the matter. With fifteen boys and seven girls in two homes, the homes were consolidated. Seven of the young people are attending college.

Missouri reported a loss of 165 with the biggest losses in lodges with over 1,000 members, a good argument against such huge lodges. The Grand Master reported that his Grand Master's jewel and re-

galia were stolen from his car. During the year he laid 19 corner-stones. He recommended more support for DeMolay and for the Acacia fraternity.

From his address:

"Frankly, I fear that the Grand Lodge has been a deterring factor on the action of many of our constituent lodges. I find that they are reticent to be active and alert outside of the lodge halls.

"I believe that Masonic Lodges are an integral part of any community and I do not want to see lodges shirk their community responsibilities. I do not seek to place our lodges in the positions of civic clubs or anything like that. But when a community has a centennial celebration, when there is a community-wide revival or mass action, I believe Masonic lodges have a place in the planning and the execution of that activity.

"Why hide our light under a bushel? Why wrap the draperies of our couch about us too puritanical to participate? Let us say to our several lodges that we are proud of their leadership in our different communities and not tell them to desist from worthwhile activities. I definitely so recommend."

I look forward to Ray Denslow's "Masonic World" which no one can quite rival. I quote a delightful story (if he does not mind).

"The United Masters Lodge in New Zealand is responsible for this lodge minute taken from the Scottish Journeyman Masons Lodge No. 8:

"April 9th 1868. During refreshment Brother B---- on going down the Hall was bitten by a dog belonging to Bro.---- which was the cause of much discussion. The R.W.M. proposed, seconded by the S.W. that in future no dog be allowed in any lodge meeting on the lodge premises, which was agreed to."

On the matter of public relations Brother Ray has the following to say:

"The ideal situation is for each lodge to set up a charity fund, using the interest for charitable purposes, purposes which extend beyond the lodge membership, their widows, and orphans; it is such contributions which will free us from the claim that we only look after our own. We are proud that our own lodge has never had a call from the local welfare agency for help that it did not fulfill—shoes for children, medical care for those unable to pay, clothes and medicine for the aged and afflicted. No sectarian or other group in our city is in a position to attack the fraternity—because of the good it is doing. Your lodge can be in the same situation. Start a charity fund and notice how soon new donors will appear and supplement that fund.

"And when all of our lodges work out such a program we may feel that Freemasonry is doing that for which purpose it was first established."

The Grand Master of Montana issued a Public Schools Week Proclamation. He and the Grand Chaplain both emphasized the importance of youth organizations. The Grand Chaplain proposed the awarding of a four year college scholarship to an outstanding High School senior during Public School Week. The Grand Master ruled: "I can see nothing wrong with a Masonic emblem on a bowling shirt worn by Masons only in a strictly Masonic League with none but Masonic sponsors while the brother wearing such shirt is conducting

himself as a Mason should." The Jurisprudence Committee commented that the ruling was unnecessary.

The Grand Master of Nevada permitted a third degree at the Boy Scout Camp in Lamoille Canyon if properly tyled. Many of these open air meetings are highly successful. The Grand Lodge celebrated Public Education Week. The brethren voted to allow Dual and Plural membership. A proposal by the Grand Master to establish a Lodge of Research was disallowed.

The Grand Orator of the Grand Lodge of New Mexico gave a beautiful address on Tenets, These Things We Hold.

"The exercise of brotherly love must not be confused with that overworked word "fellowship". All too often fellowship merely implies a high degree of cordiality and enjoying something together. "Brotherly Love" does not mean "I will tolerate my brother and be congenial but I hope that he will not embarrass me by presuming on my good nature." This would make of brotherly love nothing more than a pleasant atmosphere in the Lodge when, actually, it is intended that this shall be the whole motivation of our association.

"Like the exercise of brotherly love, this tenet, too, envisions a personal relationship. Our monitor speaks of soothing the unhappy, sympathizing with their misfortunes, compassionating their miseries, and restoring peace to the troubled minds of those in distress. These things are infinitely harder to do than making gifts of money to worthy causes or worthy people. Again, no limit is set on the tenet. The distress may be any kind of distress, and its relief should involve a personal relationship. The Good Samaritan did not show the distressed man a receipt from a national organized charity and offer to get in touch with the district representative in the nearest town so that he might come out and take care of the situation. His action is not especially noteworthy in that he spent some of his own money; the robbed man may well have had ample resources at home so that paying for his care might have been no burden at all on him. His greatest need was the personal interest of one who felt impelled to relieve the distressed personally and at once."

Without prescribing numerous truths, Masonry insists that each shall seek truth and, having found what he is convinced is true, he is enjoined to follow its implications honestly. This remarkably broad viewpoint is reminiscent of the intellectual age which saw our order take on its present character. Great minds which shunned fanaticism and looked with suspicion at attempts at bounding truth too closely found Masonry to be congenial to their way of thinking and expressive of their attitudes.

The Grand Lodge has an elaborate system of Masonic education including pamphlets, workshops, lodge programs, and study clubs. The committee recommended the writing of a letter to the wife or family of a newly-elected candidate.

The Grand Lodge has a loan fund for students. "Neither race nor faith shall exclude a student from any loan or scholarship that Grand Lodge may offer." Further the Grand Lodge offered to contribute to any scholarship granted by a local lodge.

We regret to learn of the death of our contemporary Grand Mas-

ter, Reginald E. Goldsmith of New Hampshire. We enjoyed our associations with him.

The Grand Lodge of New Hampshire provides funds to assist DeMolay. The Grand Master urged the brethren to attend its meetings and give moral support.

New Hampshire showed a loss of 2.

New York with over 300,000 Masons showed a net loss of 1,123, and reported the consolidation of six lodges into three. Average attendance at lodge meetings was given as 14%, an improvement over the preceding year.

The Grand Master reported on youth activities.

"As most of you know, Grand Master Turk initiated a Youth Guidance Program under the sponsorship of local Masonic groups, and the movement has proved to be a great success. Last year, thousands of young people from every religious and social group were entertained at various cities throughout the State. We shall continue this program and every Lodge and every District will be encouraged to participate.

"In this connection, I should like to remind the Brethren that the Order of DeMolay is a Youth Movement worthy of our support, and that Lodges are permitted to assist in the work of DeMolay Chapters."

The campaign for research in rheumatic fever has been completed. The Foundation supported by the Brotherhood Fund is now directing its attention to the diseases of old age. A new laboratory at Utica has been completed and equipped.

The District Grand Lodge for Syria and Lebanon under the jurisdiction of the Grand Lodge of New York reported progress with nearly all lodges acquiring their own temples.

Anyone with an interest in Masonic Law can do no better than to read the scholarly opinions of the Judge Advocate of the Grand Lodge of New York, Samuel Kaltman.

The Grand Master of Ohio reports gleefully that at one meeting he was presented as the Most Worthless Grand Master. The Grand Lodge celebrated its 150th anniversary. The Grand Master approved lodge participation in a York Rite Passport. He also ruled:

"1. That a Lodge might sponsor a bowling team composed of Masons, even though it bowls at lanes where liquor is sold, provided the team members conduct themselves in accordance with Masonic standards and the sponsorship does not result in creating disharmony in the Lodge;

"7. That the solicitation of Master Masons to take additional degrees, in and about the Lodge, if conducted in a dignified manner, without undue pressure and with the consent of the Worshipful Master, is not objectionable;

"9. That the imposition of a waiting period before permitting a Master Mason to petition for additional degrees, is not authorized by our laws;

"14. That a Lodge owning the second and third floors, but not the first floor of a building, is not in violation of our law if the owner of the first floor, or his tenant, conducts a carry-out beer and wine business, embarrassing as the circumstances may be;

"19. That the spirit of our law, if not its letter, is that a beer truck driver is ineligible to membership;

"Without specific reference to any case, I venture the confident assertion that among our worst enemies are the Brother who recommends a petitioner concerning whom he is uninformed, and an investigating committee whose members neglect or refuse to investigate."

A delightfully humorous bit concerns those Masonic birds who always ask questions, who criticize, who wander, and finally *Fraternalis Loyalis*, the faithful brother.

Oklahoma reported three lodges constituted and one instituted, as it celebrated its fiftieth anniversary. The Grand Lodge consented to the use of Music Recordings if approved by the Board of Custodians and sold through the Masonic Home Print Shop. The Grand Lodge maintains service at the Veteran Hospital and supports DeMolay and Rainbow.

The Grand Lodge of Oregon laid several cornerstones and dedicated a number of school buildings at the request of the local school boards. The Grand Master ruled against using the Masonic emblem or the name of the lodge on the uniforms of a lodge-sponsored baseball team. A Grand Lodge Educational Fund to provide money to assist in the education of children was established in 1854 and is still functioning.

After a long discussion of Grand Lodge participation in court action relating to state aid to non-public schools the Trustees were authorized to expend such funds as may be deemed necessary for the Defense and Promotion of Public Education.

The Grand Lodge requires examination on the third degree within six months after raising.

Oregon Military Lodge U.D. at Frankfurt, Germany, reported 235 members. Its dispensation was renewed.

South Carolina dedicated seven temples, laid four cornerstones and relaid two. These ceremonies are performed on the First Degree. The illness of Henry Collins, Grand Secretary, was reported, from which he is now happily recovered. We, his neighbors, cannot get along without him.

The Grand Master made report on his visit to the First Annual Communication of the Grand Lodge of Japan. He visited one lodge where all members but one were Japanese and the work was done in the Japanese language. He recommended that blood type and RH factor be recorded on every dues card.

One of the lodges proposed the establishment of a Masonic University in South Carolina in the County of Edgefield which has made available a suitable site and \$50,000. The matter was laid over for action at the next Annual Communication.

Because of a large number of trials the Grand Master of Tennessee complained that investigating committees were not doing their work well. He called for increased emphasis on Masonic education and the building of character along Masonic lines.

Utah after careful study decided that a Masonic Home was not practical. A study is to be made of the erection of self-supporting units. The Grand Master emphasized that leadership, not money, was needed in the youth organizations.

The Grand Lodge of Vermont dedicated the Temple of DeWitt Clinton Lodge No. 15 at Northfield, seat of Norwich University. Plans were begun in 1923. Gen. and Bro. Harmon delivered the address:

"The spiritual value, to each of us, of the teachings of Freemasonry, is well established. We owe it to ourselves, to create a wider and more enlightened influence in each of our communities—to go onward and upward in Masonry. As we progress, the fine attributes of character and service to our fellow men are exemplified.

"As Master Masons we must have a most sympathetic interest in the problems and welfare of our young people—in their development as the citizens of tomorrow.

"The future of our country will soon rest in their hands. Each generation must struggle for its own freedom—it cannot be guaranteed by their forefathers.

"The home is the most effective and least painful place and period in the life of its children to be taught self-restraint, self-discipline, and the other traits of character that will develop them into useful members of society.

"We must exercise leadership with courage, patience and understanding.

"We must be willing to pay a price in effort and self-sacrifice in order to make good citizens of our children and young people. We must help them to achieve what they are capable of accomplishing.

"There is no easy way—let us all stand against the current of the easiest way—the most entertaining way—in some cases what appears to be the happiest way—and at times the most popular way.

From the Grand Master's address:

"Masonry is the brotherhood of all men under one God, and if we are to serve and perform our high mission in this world we must truly unite all men and do it while permitting them to hold their own opinion in matters of religion and government. Masonry does not attempt to unite nations, sects or religious or political factions, but it does unite men, and unites them while permitting them to still hold their individual opinions. So, as we are gathered here, holding, as we do, divergent opinions in many matters, it indicates that men everywhere can become united if they have that cement of brotherly love and affection to bind them together. Truly this sort of getting together is the greatest need in this troubled world and is indeed the only solution of our difficulties.

"As we go forth from this Temple let us resolve to put into practice in every day living the great principles that we learned in the Master Mason Degree together with the principles of Freedom of Speech, Freedom from Despotism; the courage to speak our minds, to write our thoughts, to stand for the right as we see it regardless of the cost. Let us encourage our schools to insist particularly on an adequate teaching of traditional American History and the ideals of the Builders of this Republic. Let us stand firm at the post of duty and require those in high office to yield not an inch in this conflict between despotism and freedom that has been thrust upon us. Within the next few years, in the words of Abraham Lincoln, 'We shall nobly save, or meanly lose, the last great hope of earth'."

Vermont reported a loss of 123.

Virginia celebrated the organization of the Grand Lodge in Williamsburg in 1778 with a special meeting there. We quote from the address of Dr. Whitfield W. Johnson, P.G.M. of Massachusetts on that occasion.

"While these craftsmen were learning to work together to create an edifice of strength, harmony and beauty to

which they were devoting perhaps their entire lives, it was not strange that they should be giving thought to the problem of creating a social structure which would enable them to work and live together in peace, harmony and brotherhood. Somewhere along the pathway of our Masonic history these operative craftsmen learned the basic fundamental truths of man's relationship to his fellow man. There was nothing new about these fundamental truths of life. They were as old as time itself. It was only the method by which our Masonic forefathers adapted these truths to their particular needs and the manner in which they transmitted these truths to their posterity that was unique."

Reading the Proceedings brought sadness because they contained the last report of our beloved Brother James N. Hillman, Grand Secretary. We shall all miss him.

A question which often arises relative to Masonic funds was answered by the Grand Master as follows:

"6—QUESTION: (a) May a Lodge sponsor a high school student for college? (b) May a Lodge expend funds bequeathed to it for charitable purposes?

"ANSWER—The question resolves itself into one of: 'May a Lodge expend its own funds as it sees fit?' It may do so in accordance with Masonic usage and custom. Legacies received by a Lodge which are not otherwise encumbered by provisions of the donor's will would be considered as Lodge funds to be expended in accordance with the will of the Lodge or by order of the Worshipful Master.

"In sponsoring a child for college the Lodge should consider the entire cost and direct its attention to the fact that it may be subject to public criticism if it cannot carry the project to its ultimate conclusion. The expenditure of Lodge funds for this purpose is not in conflict with Section 181 of the Methodical Digest.

From the Grand Master's address:

"The measure of the state of our great and time-honored Fraternity is its influence upon the lives of those who have taken its sacred obligations at our altars. But it must go further than the single life; it must be as a plumb line which stretches from time to eternity; a guide to a higher life and a higher calling. So, also, must we measure the state of our Fraternity by the influence of its philosophy, its teachings of honor, reverence, and a recognition of its spiritual values on the life of the communities in which our Lodges are domiciled. Freemasonry cannot and must not be confined within the tiled doors of its Lodges. To do so would be to destroy it finally and utterly. Therefore, we must strive with all of our intelligence to make known the teachings of our noble Craft and to insure their understanding for every profane who knocks at the door and for every brother who now has a seat at the fireside of his mother Lodge's altar. We must give to our brethren and to ourselves that something which can be carried out into the world to be used in the uplift of man and the building of a better tomorrow for those who are coming after us."

The Grand Lodge refused to approve the requirement of an examination on the third degree.

The Grand Master of Washington laid ten cornerstones and dedicated a number of temples. He issued several dispensations allowing lodges to attend church in a body as Master Masons. An increase of

only 56 was reported. The Grand Master visited the District Grand Lodges in Alaska. One wonders if we will not soon have a Grand Lodge in Alaska.

From the Grand Lecturer's Report of West Virginia come some timely words.

"The tendency among Masons, and especially young Masons, in recent years, has been to dress for COMFORT and COMFORT ONLY. Tee shirts, sport shirts, slacks, shorts, anything at all to avoid wearing a collar, tie and coat, seems to be the vogue. Reverence, dignity, class—all are sacrificed for the sake of COMFORT. Sport clothes were invented to wear to sports events—golf, baseball, football, basketball, automobile trips and occasions of like nature, but they are surely out of place in a Masonic Lodge.

"Informal and sloppy dress almost invariably insures informal and sloppy degree work. The new brethren who come among us cannot be persuaded to place a higher value or dignity on Freemasonry than that which is shown by the officers and members who are present and taking part in the work. Of course, it should be permissible for the brethren to remove their coats to avoid excessive heat during the summer season, but for the good of the Lodge in particular and the benefit of the Craft in general, the members should appear only when properly clothed, and this is especially true of the officers and brethren who participate in the degree work. Are we as Masons losing our own self-respect and our prestige and distinction among good people everywhere by the kind of clothes we wear to Lodge? Please think it over brethren."

In Wyoming the lodges celebrated George Washington's Masonic Birthday, November 4. The Grand Master reported three cornerstones laid and one new lodge, and twenty-seven fifty year awards.

The Grand Lodge of California dedicated its new Memorial Temple. They were honored by the presence of the Earl of Scarbrough, Grand Master of the Grand Lodge of England. On his return, the Grand Master reported on the visit of his party to Canada and the United States. He was well looked after. In his address he gave some interesting facts about the Mother Grand Lodge.

"Our jurisdiction comprises England and Wales, and also a number of districts and Lodges overseas, for wherever Englishmen find themselves, they seem to sow the seeds of Masonry—in Africa, in India, Pakistan, the West Indies, and in many other parts of the world.

"To give you an idea of our jurisdiction overseas, I can tell you that within recent years I have consecrated a Lodge in Pretoria, South Africa, and have met our Brethren in Singapore, New Delhi and Karachi, and the Assistant Grand Master, who is a great traveller on Masonic matters, has been to Nigeria, Ghana, South Africa and Gibraltar, and when he has completed his present journey he will set off for Hong Kong and other places in that part of the world. We number now some 7,000 Lodges; our Brethren number some 600,000—500,000 of those are in England and Wales and some 100,000 in our Lodges overseas.

"Then I must tell you of the ways by which we practice benevolence in the shape of our care for the orphans, of Masons and for old people. We have three Masonic Institutions; one for girls, one for boys and one for old people, which for many years now have been kept up by our Brethren

in the English Jurisdiction. Since the war some nine million pounds have been contributed by our Brethren to these Institutions. We have something else in which we take some pride—our Royal Masonic Hospital, which has a fine reputation in our medical world. That hospital has never cost our state a cent. It has all been built and maintained by the contributions of our Brethren, and soon after I return a large extension will be opened by Queen Elizabeth the Queen Mother."

He presented the Grand Lodge of California a silver inkstand made in 1783.

The Grand Lodge of Scotland reported one thousand active lodges including seven new ones overseas. Lord Elgin suggested that lodges donate some object to the rooms of the new Masonic Home. This was well received and acted upon.

The Grand Inspector for Northern India and Pakistan for the Grand Lodge of Ireland reported progress with the difficulty that many members belong also to English or Scottish lodges. It is difficult to keep the working strictly Irish. He added that little progress has been made on the proposition of a Grand Lodge of India.

The Grand Lodge of Ireland celebrated the 200th anniversary of St. Patrick's Lodge No. 295 of the Dragoon Guards. A check for five hundred fifteen pounds was contributed at the meeting for Grand Lodge charities.

The various Grand Lodges in Canada are doing well. It was my pleasure and privilege to attend the meeting of the Grand Lodge of Canada in the Province of Ontario and with my family to be royally entertained.

Attendance and reports were quite thrilling.

From the address of the Grand Master of Alberta:

"In the fifty-three years of our Grand Lodge life, the reports are punctuated here and there by references to wars of a ten-year period, to floods, to crop failures, to mine disasters, to depressions, and other such calamities, in all of which our membership suffered, but in the year which is passing our attention is directed to and focused upon the phenomenal discoveries and revelations of science which have paved the way to the 'Sputnik' era. Some of us of the earlier generation recall the days of the 'penny dreadfuls' and are aware that the dreams and visions of travel by air and underwater-craft of that French romancer, Jules Verne, which appeared fantastic at the time, became realistic almost in his lifetime—and while we have much to be thankful for in that this generation has seen greater advancements for the comfort and convenience of mankind than the combined two generations before, we are dreading the consequences of science because we have gone to the other extreme in devising new ways and means to destroy civilization itself. The sound barrier in aviation has been penetrated, the heat barrier has been assailed, matter is being converted into energy, travel through space is no longer a matter of conjecture, and experiments with rockets and other guided missiles being undertaken having for their objective invasion of another planet, an idea which may not be so remote, it is little wonder that we find ourselves living in a perplexed and nervous world. We have good reason to be apprehensive of fear and it is not at all surprising when we learn that global leaders, who believe in a Supreme Being, turn for guidance to the Foundation Stone

of our Fraternity, the Holy Bible, seeking and hoping that a way will be found, a way must be found, to avert annihilation of the human race. That challenge confronts every member of our Craft.

"In these circumstances, Masonry in this jurisdiction can be reported as being in a commendable position and keeping pace with the growth and development of our territory.

"The Lodge notices which reach me certainly indicate a growing interest in the Craft, albeit that interest is not reflected in the record of attendance in the larger lodges. But that complaint is not new; it pervades almost all our annual journals.

"In some Lodges, a monotonous stream of five candidates, the maximum permitted, is disclosed. I use the adjective advisedly because I question the wisdom of adding to an already over-loaded roster where the members surely cannot have the opportunity of becoming acquainted, much less having a reasonable chance of advancement, and particularly where attendance is at a very low ebb, notwithstanding the tearful entreaties of the Master that the situation be improved."

Going "down under," we read in the address of the Grand Master of New South Wales:

"I feel that the Craft is growing stronger in its appreciation of the real meaning of Freemasonry and that the Brethren in the City and Country Lodges are seeking more and more help and enlightenment in the great teachings of Freemasonry. The first and foremost is a belief in God on Whom our faith is founded. There is a great need to-day for Masters of Lodges, and in fact all Master Masons, to assimilate the great principles of Brotherly Love, Relief and Truth to enable them to be qualified to extend help to our younger Brethren and assist them to realize the great depth and strength and beauty of our teachings. If these are applied correctly they should bring happiness and true contentment in all things, if so applied in our daily tasks and problems of home life and citizenship will help to a bigger and broader understanding of whatever problems may lie ahead. I would encourage Brethren to read and to think and to exercise those talents wherewith we have been blessed. By doing so we will not only progress in Masonic knowledge, but in everything that will make life brighter, fuller and more worthwhile. It is good for a man to have ideals and to feel that he is on this earth for a purpose which should be based on the acknowledgment of the Fatherhood of God and the Brotherhood of man."

From the Pro Grand Master's Address in South Australia:

"As you enter this building you will see a bronze plaque over the doors which lead into the main vestibule. On it are inscribed these words: 'The traditional loyalty of British Freemasons is a force upon which the Sovereign of this country has ever reckoned, and has been to me a proud memory during the anxious years through which we are passing.' That is the text of a message sent by His Majesty King George V to the Grand Lodge of England at the Bi-Centenary Celebrations which were held in June, 1917. Such a gracious acknowledgment of the fidelity of the Craft to one of our fundamental tenets and of its fruits will inspire all who hear it. Brethren, the professions of loyalty to which we give utterance on so many occasions are not mere gestures. They come from our hearts and they are the voice of that spirit by which we are constantly actuated, and which is the spring

of so much of our conduct through life. Among the attributes that keep that spirit alive and active, the cardinal virtue of Fortitude surely plays a very important and significant part. This is a virtue which perhaps we are inclined to take too much for granted, and as manifesting itself only in certain ways. At times we hear or witness outstanding examples of courage which move us to great admiration, and often we are amazed at the tremendous power of the spirit of man which can lift him to such heights of achievement. Then again we have in our midst many who over a long period of years bear with great patience and without complaint the inflictions of some serious disability or illness. They also move us by the spirit they evince. There is however another aspect of Fortitude which we as Freemasons should ever keep before us. At times we invoke the Almighty Architect of the Universe to give us wisdom in all our doings, strength of mind under all our difficulties and the beauty of love and harmony in all our communications. Life is not easy, and there are many difficulties that we are called upon to face and if possible overcome, difficulties within ourselves, and in our relations with our fellowmen. The manner in which we meet those difficulties will greatly influence our own character and our conduct toward others. By the practice of Fortitude and exercising that virtue in every situation we are called upon to meet, we will surely strengthen our determination to follow the teachings of our Craft which are so beautifully placed before us in our ceremonies. We can do much to improve ourselves and to better the relations between man and man. We have pledged ourselves to consider the V.S.L. as the unerring standard of truth and justice, and to regulate our actions by the Divine precepts it contains, recognizing that therein we are taught the important duties we owe to God, to our neighbors and to ourselves. The extent to which we will be able to discharge our obligations must depend very largely on our adherence to those principles. Fortitude will support us in all our endeavours. The greater the strength of our determination the more effective will be the force of Freemasonry in all directions. Loyalty to the Throne is not confined to our affection for and attachment to our Most Gracious Sovereign. It demands from us an unremitting effort, to the utmost of our power, to promulgate the genuine principles and tenets of our Profession to the glory of T.G.A.O.T.U. and the welfare of our fellowmen. Thereby we will make our contribution to the maintenance of those great truths upon which our Commonwealth is founded, and to their application in the government of its affairs. To the preservation of those truths in their fullest splendour Her Majesty the Queen has dedicated herself.

"If we all play our part by sustaining and supporting her with our prayers and labors to the same end we will most richly demonstrate our loyalty and increase the force of our allegiance."

The Proceedings of Queensland contain fine learned addresses on The Orders of Architecture, King Solomon and the Book of Ruth. The Grand Master said in part:

"The real strength of Freemasonry lies in its greatest landmarks: belief in a Supreme Being and in Divine inspiration. While the opinions of the Brethren may differ on such things as politics and religion, Freemasonry provides a means whereby men of all parties and creeds are bound together by those virtues that are common to all who desire to serve their fellowmen. I do not think any other organization

can assemble such a gathering of loyal adherents, men of vastly varying colour, race and beliefs. Yet amid all the turmoil and strife in the world, within the portals of a Masonic Lodge there is peace, reverence, order and brotherhood."

"In conclusion, I commend to you the words of M.'W.'. Brother Eustace Jones in 1946—

"Love the Brotherhood, fear God, and honor the Queen."

We received reports for 1956 and 1957 from the Grand Lodge of Sao Paulo in Brazil, happily with an English translation. We were sorry to read in them evidence of the dissension which has torn that Grand Lodge. Several lodges and many brethren were listed as expelled. We hope that peace can soon be restored. They report a lodge formed of Hungarian exiles who are Masons.

The Committee on External Relations of the Grand Masters' Conference presented a most informative pamphlet. Great progress has been made in Turkey. A new Grand Lodge has been organized along regular lines with members who are outstanding citizens and men of the highest caliber. We shall watch developments with great interest.

For the information of Brethren I quote:

"There will always be small groups of irregular or clandestine Masons springing up. A small group in Holland has organized and are trying to create a European Grand Lodge. We would do well to avoid even giving the semblance of approval to these people.

"Two large Grand Lodges in Europe should be referred to. The Grand Orient of France, which is the oldest and largest Grand Lodge in France with 15,000 members, and The Grand Orient of Belgium with 3,000 members.

"Both of these groups are regular in ancestry but are not recognized because they do not adhere to the ancient Landmarks; particularly one requiring a Volume of the Sacred Law on the Altar. While we cannot accept them until they do adhere to the Landmarks, we can sympathetically recognize their efforts to attain regularity and their peculiar problems arising in Catholic countries where often the Bible is believed to be a Catholic book.

"We are happy to report that we are advised that there is a strong 'grass roots' movement in both these Grand Lodges leading toward regularity; that many of the lodges are, of their own volition, returned to full regularity.

"In France, Most Worshipful Richard Dupuy, Grand Master of the Grand Lodge of France, has proposed a union of the Grand Lodge of France, Grand Lodge of France Nationale and Grand Orient of France, similar to the union achieved in Germany where each Grand Lodge would retain to some degree its own individuality. This is predicated, of course, on a full return to regularity by the Grand Orient. We wish this movement every success.

"For some years there has existed in Europe an organization known as The League of Universal Freemasons. This is a group made up of Masons from regular and irregular Grand Lodges. It has no standing whatever among the regular Grand Lodges of Europe. It has a publication known as the La Heroldo and publishes the name of at least one American Mason who is on their official committee. We believe that the members of our lodges should be warned against membership in this body."
